At 9 a. m. on February 16, 1995, the lands described above will be open to location and entry under the United States mining laws. Appropriation under the general mining laws prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempted adverse possession under 30 U.S.C. section 38 shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal

laws. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights since Congress has provided for such determinations in local courts.

The lands will remain closed to appropriation under the public land laws and applications and offers under the Mineral Leasing Act.
