Type of Review: Revision.

Title: Jacksonville Customer Opinion Survey.

Description: As a result of the Reinvention of Government, the IRS has been asked to change the way they do business. To accomplish this goal, we are changing the configuration of Processing Centers and District Offices and aiming toward a Customer Service Site concept. The Jacksonville District has been selected as one such site, and is expected to be fully operational as such during Fiscal Year 1996.

Jacksonville will be the focal point for providing state-of-the-art service to the taxpaying public via the telephone. A key objective in the successful implementation of the Customer Service

concept will be to maintain and improve public accessibility and increase the level of accurate responses provided to callers. An important measure of these factors will be the customers' perceptions and assessments of our services. The success of the Customer Service concept will be largely determined in these terms. Therefore, this feedback will be actively solicited via a Customer Opinion Survey.
