

EFFECTIVE DATE: March 20, 1995.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman, (703) 603-7740.

SUPPLEMENTARY INFORMATION: On July 15, 1994, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (59 FR 36169) of proposed addition to the Procurement List.

Comments were received from one of the current contractors, which indicated that addition of these transparency films to the Procurement List would have a severe impact on the company due to lost sales and loss of the ability to purchase raw materials in large enough quantities to get more favorable prices from its suppliers. The percentage of the company's sales which it would lose is not large enough, in the Committee's judgement, to constitute severe adverse impact on the contractor. The contractor did not indicate how great an impact it would sustain by purchasing raw materials in lesser quantities, except to speculate that it could be placed at a great competitive disadvantage in both the commercial and Government markets. Accordingly, the Committee has concluded that even if this impact is added to the sales loss, the contractor will not suffer severe adverse impact as a result of addition of these transparency films to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities, fair market price, and impact of the addition on the current or most recent contractors, the Committee has determined that the commodities listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4. I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities to the Government.

2. The action does not appear to have a severe economic impact on current contractors for the commodities.

3. The action will result in authorizing small entities to furnish the commodities to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities proposed for addition to the Procurement List.

Accordingly, the following commodities are hereby added to the Procurement List:

Transparency Film, Xerographic
7530-00-NIB-0099 (Clear)
7530-00-NIB-0100 (Color)
7530-00-NIB-0101 (Clear w/strip).

This action does not affect current contracts awarded prior to the effective date of this addition or options exercised under those contracts.

Beverly L. Milkman,

Executive Director.

Army Science Board; Notice of Closed Meeting

In accordance with Section 10(a)(2) of the Federal Advisory Committee Act (P.L. 92-463), announcement is made of the following Committee Meeting:

Name of Committee: Army Science Board (ASB).

Date of Meeting: March 7, 1995.

Time of Meeting: 1000-1600.

Place: Pentagon—Washington, DC.

Agenda: The Army Science Board's Acquisition Reform Issue Group will meet to discuss the analysis of "Industry Data Concerning Their Management and Oversight Costs." This meeting will be closed to the public in accordance with Section 552b(c) of Title 5 U.S.C., specifically subparagraph (4) thereof, and Title 5, U.S.C., Appendix 2, subsection 10(d). The proprietary matters to be discussed are so inextricably intertwined so as to preclude opening any portion of the meeting. The ASB Administrative Officer, Sally Warner, may be contacted for further information at (703) 695-0781.

Sally A. Warner,

Administrative Officer, Army Science Board.

Department of the Navy

Notice of Intent to Prepare an Environmental Impact Statement/ Environmental Impact Report for Treated Effluent Disposal from Marine Corps Base Camp Pendleton to the City of Oceanside, California

Pursuant to the National Environmental Policy Act as implemented by Council on Environmental Quality regulations (40 CFR Parts 1500-1508), and pursuant to the California Environmental Quality Act (CA Public Resources Code Sec. et. seq. 21000) the U.S. Marine Corps and City of Oceanside intend to prepare a joint Environmental Impact Statement/ Environmental Impact Report (EIS/EIR) to evaluate the environmental effects of the disposal of treated effluent from five existing sewage treatment plants at Marine Corps Base (MCB) Camp Pendleton to the City of Oceanside, California.

The proposed action would construct two new sewage pipelines to connect five existing sewage treatment plants in the Santa Margarita Basin in MCB Camp Pendleton to existing sewage outfalls in the City of Oceanside. One proposed pipeline would transport treated effluent from three existing sewage treatment plants at MCB Camp Pendleton to the existing outfall serving the La Salina sewage treatment plant in the City of Oceanside. A second proposed pipeline would transport treated effluent from two existing sewage treatment plants at MCB Camp Pendleton to the existing outfall serving the San Luis Rey sewage treatment plant in the City of Oceanside. All effluent from these pipelines at MCB Camp Pendleton would then be transported for ocean disposal via existing City of Oceanside land and ocean outfalls. No
