February 14, 1995.

Take notice that on January 30, 1995, Columbia Transmission Corporation (Columbia), 1700 MacCorkle Avenue, SE., Charleston, West Virginia 25314-1599, filed in Docket No. CP95–185–000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act for authorization to construct and operate a new point of delivery for firm transportation service to NEA Cross of N.Y., Inc. (NEA), in Chautauqua County, New York, under its blanket certificate issued in Docket No. CP83-76-000, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Columbia states that NEA has requested the new point of delivery for firm transportation service for commercial use. Columbia further states that it will provide the transportation service pursuant to its blanket certificate

issued in Docket No. CP-86-240-000. Columbia indicates that the estimated maximum daily quantity and the estimated annual quantity of natural gas that it will provide through the new delivery point is 35 Dth and 12,775 Dth, respectively. Additionally, Columbia states that the quantities to be provided through the new delivery point will be provided pursuant to an existing service agreement and therefore, there is no impact on Columbia's existing peak day obligations to its other customers as a result of the construction and operation of the proposed new point of delivery. Columbia indicates that it proposes to convert an existing receipt meter from NEA to a point of delivery to serve a resort area and NEA has agreed to purchase the existing 4-inch receipt meter and appurtenant facilities at a depreciated cost of \$1,225. Columbia estimates that the cost to construct facilities is approximately \$15,250. According to Columbia, NEA has agreed to reimburse Columbia for the actual total cost of converting the interconnection to a point of delivery.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules or Practice and Procedure (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the date after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7(c) of the Natural Gas Act.
