DEPARTMENT OF THE INTERIOR

Office of the Secretary

43 CFR Parts 12 and 18

Administrative Requirements and Cost Principles for Assistance Programs—Subpart D—Governmentwide Debarment and Suspension (Nonprocurement) and Governmentwide Requirements for Drug-Free Workplace (Grants); New Restrictions on Lobbying

AGENCY: Office of the Secretary, Interior.
ACTION: Notification of policy change.

SUMMARY: This document announces a change in Departmental policy concerning the acceptance of certification regarding nonprocurement debarment and suspension for primary and lower tier covered transactions; drug-free workplace requirements; and lobbying, including the statement for loan guarantees and loan insurance. Since the use of special Departmental forms to meet regulatory requirements was a statement of Departmental policy, and not regulatory, the Department is using this document to inform potential applicants for grants, cooperative agreements, and loans to the revised policy. This change is in keeping with the philosophies of the National Performance Review to streamline processes. The effect of this change is to allow applicants, at the instruction of the Departmental bureau or office, to use any forms or formats, including electronic equivalents, as long as the certification or statement contains the applicable language required by the regulation.

EFFECTIVE DATE: This policy change is effective on February 22, 1995.

FOR FURTHER INFORMATION CONTACT:

Dean A. Titcomb, (Chief, Acquisition and Assistance Division), (202) 208-6431.

SUPPLEMENTARY INFORMATION: The Department joined in the publication of the Final Rule on Nonprocurement Debarment and Suspension published on May 26, 1988 (53 FR 19161-19211). To implement the certification requirements for participants in primary and lower tier covered transactions included in 43 CFR 12.510 (a) and (b), the Department developed two Departmental forms for use, specifically, DI-1953 (9/88), "Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions," and DI-1954 (9/88), "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions." The certification language used in these forms was the same as that appearing in Appendices A and B to Subpart D of 43 CFR Part 12.

With the publication of the Final Rule on Drug-Free Workplace Requirements published on May 25, 1990 (55 FR 21681-21705), the Department adopted a similar approach to implement the certification requirements required by 43 CFR 12.630(a). Specifically, DI-1955 (May 1990), "Certification Regarding Drug-Free Workplace Requirements" was developed for grantees other than individuals, and DI-1956 (May 1990), "Certification Regarding Drug-Free Workplace Requirements," was developed for grantees who are individuals. The certification language used in these forms was also the same as that appearing in Appendix C to Subpart D of 43 CFR Part 12.

The Interim Final Rule on New Restrictions on Lobbying was published on February 6, 1990 (55 FR 6735-6756). As part of its agency-specific preamble, the Department identified two Departmental forms to be used for implementing the lobbying certification and statement requirements included in 43 CFR 18.100 (b) and (d), specifically, DI-1963 (Jan 90), "Certification

Regarding Lobbying Form," and DI-1962 (Jan 90), "Statement for Loan Guarantees and Loan Insurance Form."

This policy change will increase the flexibility of the Departmental bureaus and offices for meeting these requirements and will accommodate particular needs of applicants that have the capability of using other methods to provide the certifications or statement. Departmental bureaus and offices will retain the option to continue accepting the existing forms and any subsequent revisions, a consolidated version of the forms, an electronic equivalent, forms of other Federal agencies, if appropriate, or forms prepared by automated systems of applicant organizations as long as the certification or statement contains the applicable language required by the regulation.

In some instances, the certification instructions found on the existing forms may no longer be included in program announcements. Potential applicants needing instructions for completion of a certification may refer to the published regulation or may request printed instructions from the individual named in the specific program announcement or publication.

Dated: January 31, 1995.

Bonnie R. Cohen,

Assistant Secretary—Policy, Management and Budget.
