Tele-Communication, Inc.; Proposed Consent Agreement With Analysis To Aid Public Comment

AGENCY: Federal Trade Commission.

ACTION: Proposed Consent Agreement.

SUMMARY: In settlement of alleged violations of federal law prohibiting unfair acts and practices and unfair methods of competition, this consent agreement, accepted subject to final Commission approval, would permit, among other things, Tele-Communication, Inc. (TCI) to complete its acquisition of TeleCable, on the condition that it divest either its own Columbus cable TV assets, or those of TeleCable, within twelve months. If the divestitures were not completed on time, the consent agreement would permit the Commission to appoint a trustee to complete the transaction. In addition, TCI, for ten years, would be required to obtain Commission approval before acquiring any cable TV system in the Columbus, GA., area.

6. This agreement contemplates that, if it is accepted by the Commission, and if such acceptance is not subsequently withdrawn by the Commission pursuant to the provisions of § 2.34 of the Commission's Rules, the Commission may, without further notice to the proposed respondent, (1) issue its complaint corresponding in form and substance with the draft of complaint and its decision containing the following order to divest and to cease and desist in disposition of the proceeding and (2) make information public with respect thereto.
