

Series Foreword

The Jean Nicod Lectures are delivered annually in Paris by a leading philosopher of mind or philosophically oriented cognitive scientist. The 1993 inaugural lectures marked the centenary of the birth of the French philosopher and logician Jean Nicod (1893–1931). The lectures are sponsored by the Centre National de la Recherche Scientifique (CNRS) and are organized in cooperation with the Fondation Maison des Sciences de l'Homme (MSH Foundation). The series hosts the texts of the lectures or the monographs they inspire.
