BOYCOTT HOME DEPOT

HOME DEPOT funds "day labor centers" for illegal aliens who compete unfairly against White American workers in the construction and building trades.

HOME DEPOT helps ILLEGAL ALIENS:

- Drive down the wages of American workers.
- Evade taxes paid by American workers.
- Receive welfare not available to American workers.
- Get free health care not available to American workers.
- Bankrupt our hospitals.
- Overcrowd our public schools.

If you care about a decent future for your children—if you don't want to see immigration turn America into a Third World country—if you're not afraid to stand up for your own people, write us today, or visit our top-rated Web site at NationalVanguard.org.
