This DEPARTMENT OF DEFENSE SECURITY AGREEMENT (hereinafter called the Agreement), entered into this 21 day of

October 2010 by and between THE UNITED STATES OF AMERICA through the Defense Security Service

acting for the Department of Defense and other governmental User Agencies (hereinafter called the Government), and

HB Gary Federal, LLC (hereinafter called the Contractor), which is:

(1) a LLC organized and existing under the laws of the state of CA
(Enter type of business entity, e.g., Corporation, Limited Liability Company, etc.)

(2) a partnership consisting of _____

(3) an individual trading as _____

with its principal office and place of business at (Street, City, State and ZIP Code) 103 S. Wahsatch Ave U.A
Colorado Springs, CO 80903

WITNESSETH THAT:

WHEREAS, the Government has in the past purchased or may in the future purchase from the Contractor supplies or services, which are required and necessary to the national security of the United States; or may invite bids or request quotations on proposed contracts for the purchase of supplies or services, which are required and necessary to the national security of the United States; and

WHEREAS, it is essential that certain security measures be taken by the Contractor prior to and after being accorded access to classified information; and

WHEREAS, the parties desire to define and set forth the precautions and specific safeguards to be taken by the Contractor and the Government in order to preserve and maintain the security of the United States through the prevention of improper disclosure of classified information, sabotage, or any other acts detrimental to the security of the United States;

NOW, THEREFORE, in consideration of the foregoing and of the mutual promises herein contained, the parties hereto agree as follows.

Section I - SECURITY CONTROLS

(A) The Contractor agrees to provide and maintain a system of security controls within the organization in accordance with the requirements of the "National Industrial Security Program Operating Manual," DoD 5220.22-M (hereinafter called the Manual) attached hereto and made a part of this agreement, subject, however, (i) to any revisions of the Manual required by the demands of national security as determined by the Government, notice of which shall be furnished to the Contractor, and (ii) to mutual agreements entered into by the parties in order to adapt the Manual to the Contractor's business and necessary procedures thereunder.

(B) The Government agrees that it shall indicate when necessary, by security classification (TOP SECRET, SECRET, or CONFIDENTIAL), the degree of importance to the national security of information pertaining to supplies, services, and other matters to be furnished by the Contractor to the Government or by the Government to the Contractor, and the Government shall give written notice of such security classification to the Contractor and of any subsequent changes thereof; provided, however, that matters requiring security classification will be assigned the least restricted security classification consistent with proper safeguarding of the matter concerned, since overclassification causes unnecessary operational delays and depreciates the importance of correctly classified matter. Further, the Government agrees that when Atomic Energy information is involved it will, when necessary, indicate by a marking additional to the classification marking that the information is "RESTRICTED DATA." The "Department of Defense Contract Security Classification Specification" (DD Form 254) is the basic document by which classification, regrading, and declassification specifications are documented and conveyed to the Contractor.

(C) The Government agrees, on written application, to grant personnel security clearances to eligible employees of the Contractor who require access to information classified TOP SECRET, SECRET, or CONFIDENTIAL.

(D) The Contractor agrees to determine that any subcontractor, subbidder, individual, or organization proposed for the furnishing of supplies or services which will involve access to classified information, has been granted an appropriate facility security clearance, which is still in effect prior to according access to such classified information.

Section II - SECURITY REVIEWS

Designated representatives of the Government responsible for reviews pertaining to industrial plant security shall have the right to review, at reasonable intervals, the procedures, methods, and facilities utilized by the Contractor in complying with the requirements of the terms and conditions of the Manual. Should the Government, through its authorized representative, determine that the Contractor's security methods, procedures, or facilities do not comply with such requirements, it shall submit a written report to the Contractor advising of the deficiencies.

Section III - MODIFICATION

Modification of this Agreement may be made only by written agreement of the parties hereto. The Manual may be modified in accordance with Section I of this Agreement.

Section IV - TERMINATION

This Agreement shall remain in effect until terminated through the giving of 30 days' written notice to the other party of intention to terminate, provided, however, notwithstanding any such termination, the terms and conditions of this Agreement shall continue in effect so long as the Contractor possesses classified information.

Section V - PRIOR SECURITY AGREEMENTS

As of the date hereof, this Agreement replaces and succeeds any

and all prior security or secrecy agreements, understandings, and representations, with respect to the subject matter included herein, entered into between the Contractor and the Government; provided, that the term "security or secrecy agreements, understandings, and representations" shall not include agreements, understandings, and representations contained in contracts for the furnishing of supplies or services to the Government which were previously entered into between the Contractor and the Government.

Section VI - SECURITY COSTS

This Agreement does not obligate Government funds, and the Government shall not be liable for any costs or claims of the Contractor arising out of this Agreement or instructions issued hereunder. It is recognized, however, that the parties may provide in other written contracts for security costs, which may be properly chargeable thereto.

Questionnaire for National Security Positions

Follow instructions fully or we cannot process your form. If you have any questions, contact the office that gave you the form.

Purpose of this Form

The United States (U.S.) Government conducts background investigations and reinvestigations of persons under consideration for or retention in national security positions as defined in 5 CFR 732 and for positions requiring access to classified information under Executive Order 12968.

Giving us this information is voluntary. If you do not provide each item of requested information, however, we will not be able to complete your investigation, which will adversely affect your eligibility for a national security position. Any information that you provide is evaluated on the basis of its recency, seriousness, relevance to the position and duties, and consistency with all other information about you.

Withholding, misrepresenting, or falsifying information will have an impact on a security clearance, employment prospects, or job status, up to and including denial or revocation of your security clearance, or your removal and debarment from Federal Service.

This form is a permanent document that may be used as the basis for future investigations, security clearance determinations, and determinations of your suitability for employment. Your responses to this form may be compared with previous security questionnaires. It is imperative that the information provided be true and accurate to the best of your knowledge.

Authority to Request this Information

Depending upon the purpose of your investigation, the U.S. Government is authorized to ask for this information under Executive Orders 10450, 10865, 12333, and 12968; sections 3301, 3302, and 9101 of title 5, U.S. Code (U.S.C.); sections 2165 and 2201 of title 42, U.S.C.; chapter 23 of title 50, U.S.C.; and parts 2, 5, 731, 732, and 736 of title 5, Code of Federal Regulations.

Your Social Security Number (SSN) is needed to identify your unique records. Although disclosure of your SSN is not mandatory, failure to disclose your SSN may prevent or delay the processing of your background investigation. The authority for soliciting and verifying your SSN is Executive Order 9397.

The Investigative Process

Background investigations for national security positions are conducted to gather information to show whether you are reliable, trustworthy, of good conduct and character, and loyal to the U.S. The information that you provide on this form may be confirmed during the investigation. The investigation may extend beyond the time covered by this form when necessary to resolve issues. Your current employer may be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want your current employer to be contacted.

In addition to the questions on this form, inquiry also is made about your adherence to security requirements, honesty and integrity, vulnerability to exploitation or coercion, falsification, misrepresentation, and any other behavior, activities, or associations that tend to show the person is not reliable, trustworthy, or loyal. Checks of Federal agency records may be made about your spouse or other cohabitant.

Your Personal Interview

Some investigations will include an interview with you as a routine part of the investigative process. The investigator may ask you to explain your answers to any question on this form. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often helps to complete your investigation faster. It is important that the interview be conducted as soon as possible after you are contacted. Postponements will delay the processing of your investigation, and declining to be interviewed may result in your investigation being delayed or canceled.

For the interview, you will be asked to bring identification with your picture on it, such as a valid state driver's license. There are other documents you may be asked to bring to verify your identity as well. These may include documentation of any legal name change, Social Security card, passport, and/or your birth certificate.

You may also be asked to bring documents about information you provided on the form or about other matters requiring specific attention. These matters include (a) alien registration or naturalization documentation; (b) delinquent loans or taxes, bankruptcies, judgments, liens, or other financial obligations; (c) agreements involving child custody or support, alimony, or property settlements; (d) arrests, convictions, probation, and/or parole; or (e) other matters described in court records.

Special Instructions for Completing this Form

Questions on this form related to residence, employment, and education will require 7 years of information except that Single-Scope Background Investigations (SSBI) will require 10 years of information.

Provide 7 years of information unless you have been instructed to provide 10 years to satisfy SSBI requirements. If you are unsure as to the amount of information to provide, contact the office that gave you this form.

The instructions for these questions specify a 10-year time frame when an SSBI is required. If you have any questions about this investigative request or whether the 7-year time frame or the 10-year time frame applies to your responses to these questions, contact the office that gave you this form.

Instructions for Completing this Form

1. Follow the instructions given to you by the office that gave you this form and any other clarifying instructions furnished by that office to assist you in completion of this form. You must sign and date, in ink, the original and each copy you submit. **You should retain a copy of the completed form for your records.**

2. Type or legibly print your answers in ink (if the form is not legible, it will not be accepted). You may also be asked to submit your form using the approved electronic format.

3. All questions on this form must be answered. If no response is necessary or applicable, indicate this on the form with 'N/A' unless otherwise noted.

4. Any changes that you make to this form after you sign it must be initialed and dated by you. Under certain limited circumstances, agencies may modify your response(s) with your consent.

5. You must use the Location codes (abbreviations) listed on the back of this page when you fill out this form. Do not abbreviate the names of cities or foreign countries.

6. Whenever 'City (Country)' is shown in an address block, also provide in that block the name of the country when the address is outside the U.S.

7. The 5-digit postal Zip Codes are needed to speed the processing of your investigation. Refer to an automated system approved by the U.S. Postal Service to assist you with Zip Codes.

8. For telephone numbers in the U.S., be sure to include the area code.

9. All dates provided in this form must be in Month/Day/Year or Month/Year format. Use numbers (01-12) to indicate months. For example, July 29, 1968, should be written as 07/29/1968. If you find that you cannot report an exact date, approximate or estimate the date to the best of your ability and indicate this by writing 'APPROX.' or 'EST.'

10. If you need additional space for explanation or to list your residences, employment/self-employment/unemployment, or education, you should use a continuation sheet, SF 86A. If additional space is needed to answer other items, use the Continuation Space on page 17 or a blank sheet(s) of paper. Each blank sheet of paper you use must contain your name and SSN at the top of the page.

Final Determination on Your Eligibility

Final determination on your eligibility for a national security position is the responsibility of the Federal agency that requested your investigation. You will be provided the opportunity personally to explain, refute, or clarify any information before a final decision is made.

QUESTIONNAIRE FOR NATIONAL SECURITY POSITIONS

Penalties for Inaccurate or False Statements

The U.S. Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines and/or up to 5 years of imprisonment. In addition, Federal agencies generally fire, do not grant a security clearance, or disqualify individuals who have

materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Your prospects of placement or security clearance are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you give to us on this form and to make your comments part of the record.

DISCLOSURE INFORMATION

The information you give to us is for the purpose of investigating you for a national security position; we will protect it from unauthorized disclosure. The collection, maintenance, and disclosure of background investigative information is governed by the Privacy Act. The agency that requested the investigation and the agency that conducted the investigation have published notices in the Federal Register describing the systems of records in which

your records will be maintained. The information on this form, and information collected during an investigation, may be disclosed without your consent by an agency maintaining the information in a system of records as permitted by the Privacy Act [5 U.S.C. 552a(b)], and by routine uses published by the agency in the Federal Register. The office that gave you this form will provide you a copy of its routine uses.

PRIVACY ACT ROUTINE USES

1. To the Department of Justice when: (a) the agency or any component thereof; or (b) any employee of the agency in his or her official capacity; or (c) any employee of the agency in his or her individual capacity where the Department of Justice has agreed to represent the employee; or (d) the United States Government, is a party to litigation or has interest in such litigation, and by careful review, the agency determines that the records are both relevant and necessary to the litigation and the use of such records by the Department of Justice is therefore deemed by the agency to be for a purpose that is compatible with the purpose for which the agency collected the records.

2. To a court or adjudicative body in a proceeding when: (a) the agency or any component thereof; or (b) any employee of the agency in his or her official capacity; or (c) any employee of the agency in his or her individual capacity where the Department of Justice has agreed to represent the employee; or (d) the United States Government is a party to litigation or has interest in such litigation, and by careful review, the agency determines that the records are both relevant and necessary to the litigation and the use of such records is therefore deemed by the agency to be for a purpose that is compatible with the purpose for which the agency collected the records.

3. Except as noted in Question 23 and 27, when a record on its face, or in conjunction with other records, indicates a violation or potential violation of law, whether civil, criminal, or regulatory in nature, and whether arising by general statute, particular program statute, regulation, rule, or order issued pursuant thereto, the relevant records may be disclosed to the appropriate Federal, foreign, State, local, tribal, or other public authority responsible for enforcing, investigating or prosecuting such violation or charged with enforcing or implementing the statute, rule, regulation, or order.

4. To any source or potential source from which information is requested in the course of an investigation concerning the hiring or retention of an employee or other personnel action, or the issuing or retention of a security clearance, contract, grant, license, or other benefit, to the extent necessary to identify the individual, inform the source of the nature and purpose of the investigation, and to identify the type of information requested.

5. To a Federal, State, local, foreign, tribal, or other public authority the fact that this system of records contains information relevant to the retention of an employee, or the retention of a security clearance, contract, license, grant, or other benefit. The other agency or licensing organization may then make a request supported by written consent of the individual for the entire record if it so chooses. No disclosure will be made unless the information has been determined to be sufficiently reliable to support a referral to another office within the agency or to another Federal agency for criminal, civil, administrative, personnel, or regulatory action.

6. To contractors, grantees, experts, consultants, or volunteers when necessary to perform a function or service related to this record for which they have been engaged. Such recipients shall be required to comply with the Privacy Act of 1974, as amended.

7. To the news media or the general public, factual information the disclosure of which would be in the public interest and which would not constitute an unwarranted invasion of personal privacy.

8. To a Federal, State, or local agency, or other appropriate entities or individuals, or through established liaison channels to selected foreign governments, in order to enable an intelligence agency to carry out its responsibilities under the National Security Act of 1947 as amended, the CIA Act of 1949 as amended, Executive Order 12333 or any successor order, applicable national security directives, or classified implementing procedures approved by the Attorney General and promulgated pursuant to such statutes, orders or directives.

9. To a Member of Congress or to a Congressional staff member in response to an inquiry of the Congressional office made at the written request of the constituent about whom the record is maintained.

10. To the National Archives and Records Administration for records management inspections conducted under 44 U.S.C. 2904 and 2906.

11. To the Office of Management and Budget when necessary to the review of private relief legislation.

Your actual physical location in addition to your APO/FPO address is required for overseas assignments. Do not list people for residences completely outside this 3-year period, and do not list your spouse, former spouse, or other relatives. Also, for addresses in the last 3 years, if the address is 'General Delivery,' a Rural or State Route, or may be difficult to locate, provide directions for locating the residence on an attached continuation sheet (SF 86A). QUESTIONNAIRE FOR NATIONAL SECURITY POSITIONS

13 EMPLOYMENT ACTIVITIES Use the Continuation Sheet(s) (SF 86A) or the Continuation Space on page 17 for additional answers.

List all your employment activities, beginning with the present (#1) and working back 7 years (if an SSBI go back 10 years). You should list all full-time and part-time work, paid or unpaid, consulting/contracting work, all military service duty locations, temporary military duty locations (TDY) over 90 days, self-employment, other paid work, and all periods of unemployment. **The entire period must be accounted for without breaks.** EXCEPTION: Do not list employments that occurred before your 18th birthday unless it is necessary for providing a minimum of 2 years of employment history. If you require additional space, use a continuation sheet (SF 86A).

Employer/Verifier Information. List the business name of your employer or the name of a person who can verify your self-employment or unemployment in this block. If military service is being listed, include your duty location or home port here as well as your branch of service. You should provide separate listings to reflect changes in your military duty locations or home ports. If you are a Federal Contractor, list company name, not Federal agency.

Additional Periods of Activity. Complete this block if you worked for an employer on more than one occasion at the same physical location. After entering the most recent period of employment in the initial numbered block, provide previous periods of employment at the same location on the additional lines provided. For example, if you worked at XY Plumbing in Denver, CO, during 3 separate periods of time, you would enter dates and information concerning the most recent period of employment first, and provide dates, position titles, and supervisors for the two previous periods of employment on the lines below that information.

Employment Code: Use one of the codes listed below to identify the type of employment.
