

NCTC Mission Systems

Directorate of Plans and Administration

NCTC Online (NOL)

What is NCTC Online (NOL)?

Available On:

- **JWICS** (Top Secret)
- **SIPRNet** (Secret)
- **RoundTable**

NOL is:

- The **primary dissemination system** of terrorist and terrorism related information produced by NCTC and other counterterrorism mission partners.
- A **web-based application** designed to provide users with **collaboration and intelligence products** to find CT data.
- NOL pages designed rapidly focusing on current and emerging **“hot topics”** in counterterrorism - **i.e. Hezbollah, Syria, Foreign Fighters, Olympic Games**

NOL - J Collaboration

- Collaboration is instrumental in exchanging quality, time-sensitive information with other mission partners
- NOL - J collaboration features include:
 - Email Notifications to ICE Mail
 - Blogs
 - Instant Message Chat
 - CT Directory of Names

The screenshot displays the NCTC Online (NOL) web application interface. The main navigation bar includes links for 'My Account', 'My Chat', 'My Email', 'My Forums', 'My Saved Queries', and 'My Subscriptions'. Below this, there are additional links for 'About Us', 'NCTC Website', 'People Directory', 'Feedback', 'New Features', 'Contact Us', and 'Help'. A table of recent activity is visible, listing dates and user names. A 'People Directory' window is open, showing a list of names and agencies. A 'My Email' window is also open, displaying a list of email notifications.

Activity	Date	User	Status
NCTC	11 January 2007	NCTC AIR CTTRP	TS
NCTC	11 January 2007	NCTC AIR CTTRP	TS
NCTC	13 January 2007	NCTC AIR CTTRP	TS
NCTC	18 January 2007	NCTC AIR CTTRP	TS
NCTC	19 January 2007	NCTC AIR CTTRP	TS

NOL – J Collaboration

- **Access to all the community's counterterrorism (CT) information**
 - ~ 7 million counterterrorism documents
 - ~ 8,000 authorized NOL users, averaging 3,000 using it every month
 - ~ 18 agencies with an ability to post intelligence products directly

- **Finished Intelligence (FININTEL) from:**
 - FBI, DIA, CIA, NCTC, NSA, DHS, NGA, NORTHCOM, EUCCOM...
 - Provides a forum to exchange HCS Information across Agencies in the CT community

NOL - J Content

The screenshot displays the NCTC website interface. At the top, there is a 'Terrorline' section. Below it, a document titled '(U) TERRORISM SITUATION REPORT' is shown. The report includes a date of 7 January 2007, version NCTC Sitrep 2007.01, and is authored by C. DeBerry, Steve J. The report contains several paragraphs of text, including a section titled '(U) Updates' and a table titled '(U) Watchlist Status for Suspect Individuals'. The table lists names and their status across various categories.

Name	TIC Exact Number(s)	TIC Watchlist Status						
		ISIS	AL QAIDA	AL FURQAN	FACTORY	BLACK	MOJIBI	OBJECTIVE
Osama Bin Laden	1595	X	X	X	X	X		
Muhammad Atta	1595	X	X					
Abdullah al-Muhajir	1595	X	X					

At the bottom of the screenshot, the 'TIDE' logo is visible, which stands for Terrorist Identities Datamart Environment.
