KEY SUPPORT CENTRAL FACILITY

What's New?

KMI folder- New!

We have added a KMI folder to our website! This folder contains forms and information related to Key Management Infrastructure (KMI). To view the contents of this folder, you must have a website account with us and be logged into the site.

Key Ordering & Registration Changes as of 2 April 2012

As of 2 April 2012, User Representatives are required to use the Interactive Key Ordering Tool to place key orders. Also, as of 2 April, Command Authority and User Representative Registration confirmation notices are being provided electronically via email versus hard copy mailing. Web members can read more about these changes in the March 2012 Keynotes newsletter and EKMS CF Notice #248, which are located in this website's Protected Folder.

Rekey Failure Alert!

IF YOUR REKEY ATTEMPT FAILS, WAIT AT LEAST 20 MINUTES BEFORE ATTEMPTING TO REKEY AGAIN.

New Member Account Requests

Purpose of Account: Establishing an account allows one to gain access to the Protected Information Folder that contains EKMS CF Notices, KEYNOTE publications and other Unclassified For Official Use Only (FOUO) key management guidance.

Criteria for Account: One must be formally registered with the Central Facility as a primary or alternate representative on a Command Authority or User Rep account, or formally registered with your Central Office of Record (COR) as a primary or alternate COMSEC Custodian associated with a valid COMSEC account. One can also be registered as the Facility Security Officer (FSO) on a COMSEC account for eligibility.

Requesting an Account: If you meet the criteria identified above, please select the **New User? Register Here** link on the left to register for an account.

Login Instructions

Returning members: Login using either your username and password or your DOD PKI certificate. Please remember to log in periodically to obtain current information and guidance. If you do not log in within six months, your account will be disabled.

Logout Instructions

Use the Logout button on the left to log out of the site. You will automatically be logged out after 30 minutes of inactivity or when you close your browser.
