Mayor Buckhorn appreciates the invitation and is delighted to hear that your support of the military men and women at MacDill AFB is being recognized. Unfortunately, a longstanding unchangeable lunch commitment on Thursday, April 19th will not permit him to attend the ceremony in your honor. Please accept his regrets and congratulations. Dear Commander Kang,

It was very nice to speak with you this morning regarding the visit with our distinguished visitors from Afghanistan, Nepal and Pakistan on Monday, May 14, to the International Coalition Village. I look forward to hearing from Ms. Martin regarding the security information she will require for us to gain access to MacDill for this visit. We are confirmed for a 4:15 pm arrival at the Visitor Information Center with the meeting with members of the Coalition Village from 4:30 pm - 5:30 pm.

As we discussed, this delegation consists of 3 distinguished visitors from Afghanistan, Nepal and Pakistan, who are in the United States as invited guests of the U.S. Department of States' International Visitor Leadership Program (IVLP) for an "Intra-Regional Trade and Commerce" Program. We are the official partner of the USDOS in the 7-county Tampa Bay region for the IVLP, hosting nearly 550 international visitors from 93 countries last year. I am attaching an overview of our organization which includes additional information about the International Visitor Leadership Program. Per your request, I am also attaching the bios for this delegation.

The theme of this program is "Intra-Regional Trade and Commerce" and the focus for this program is on nation building on a regional cooperative level. They are here in Tampa Bay to have the opportunity to interact with experts in this field from both the policy-making perspective and from the practical business aspects of intra-regional trade integration.

Please let me know if you have any additional questions, or you require further information. Many thanks and kind regards,

Mary Ellen
