RE Request for Accounting and Public Release of All Edward Snowden  
Documents

This respectfully requests on behalf of the public for an accounting and public  
release of all documents and files taken by Edward Snowden from the US  
National Security Agency (hereinafter "Snowden Documents") which you  
possess, control, assess, or are otherwise consulted on. Specifics of the request  
are attached.

You are requested to forego special journalistic, legal, secretkeeping and non-  
disclosure privileges to comply as citizens to this request for public protection  
from official spying and secretkeeping. Public support for this request will be  
invited by publication today.

Sincerely,

John Young
