Dear Mr. Hammond,

We operate the website Cryptome.org. Today a party pointed to a document titled "Timeline Correlation: Hammond and Anarchos, 1-4 March 2012."

In the document four slides show graphs of a correlation for location in residence and computer use by "Hammond" and "Anarchos." It appears to be based on Tor traffic analysis.

A copy of the document is enclosed.

Are you aware of this document? Can you comment on it? Your response will be published unless you object.

Best regards,
