

FROM USAMA TO OBAMA  
2010-02-16  
USAMA BIN LADIN

In the name of God, Most Gracious, Most Merciful.

From Usama to Obama.

Peace be upon he who follows the guidance.

If our messages to you could be carried by words we would not have delivered them by planes. And the message communicated to you through the plane of the heroic mujahid Umar Al-Faruq, may God relieve him, is the confirmation of a previous message, which was delivered to you by the Heroes of the 11th [of September], and which was repeated previously and afterward: namely, America will not dream of security until we live it in reality in Palestine.

It is not fair that you live peacefully while our brothers in Gaza are experiencing the most miserable living.

On this basis, with God's permission, our raids against you will continue, as long your support for the Israelis continues.

Peace be upon he who follows the guidance.
