The Iranian military has tested a suicide UAV

f 💆 🎗

Iran for the first time established a suicide UAV

Iranian suicide UAV "modified equations play" is not

It should be noted that this analysis Vaynt website totally inconsistent with Netanyahu yesterday's panic on the aircraft and we can assume that Netanyahu is likely to be some sort of consolation.

Home Arab News newspaper in Arabic continue Iranophobia among the strange phrase "arms race" is used; the words are to be used when the subject of this belligerent show:

Tehran using UAV suicide, increased arms race

Starting with the nuclear negotiations, America and its allies are trying to bring the Iranian missile talks between Iran and six countries have. With this explanation, according to the News of the World and Iranophobia volume due to the impact that this has on public opinion, it seems that the problem of throughput Iranian UAVs will be a pretext for greed will become the new West.
