COMPUTER INTRUSION

**Synopsis:** (U) Set lead to San Francisco for copies of  
288A-SF-147136-1A143 and 1A149

**Full Investigation Initiated:** 01/17/2012

**Reference:** 288A-SF-147136 Serial 346  
288A-SF-147136 Serial 964

**Details:**

Captioned matter involves Matthew Keys who is scheduled for trial on February 02, 2015 for his role in a computer intrusion matter. As part of the evidence in the case, digital evidence seized from Dennis O. Collins, 6039 Douglas Road, Toledo, Ohio will be introduced in trial.

As such, the prosecution requests the following items be provided in Discovery:

Title: (U) Set lead to San Francisco for copies of evidence items  
Re: 288A-SC-45485, 12/16/2014

1) Referenced serials 346, and 964 which are the documents describing the search Mr. Collins property and his interview. (Insomuch as these items are available to Sacramento digitally, actual copies of these records do not need to be sent.)

2) 1A Evidence Item 1A143: FD-597; EVIDENCE RECOVERY LOG; PHOTOGRAPH LOG RE 6039 DOUGLAS RD, TOLEDO, OH (Sacramento also desires photos from the search. Sacramento's review of the case log could not determine if this evidence item contains such photos or if they are located elsewhere.)

3) 1A Evidence Item 1A149 ORIGINAL NOTES RE INTERVIEW OF DENNIS COLLINS (Sacramento does not intend to provide the actual notes in Discovery, but does desire to have copies of the notes available during trial should the unlikely need for them arise.)
