SUMMARY OF INFORMATION.-

SUBJECT: Clandestine Jewish Immigration.

On the 10th of June a motor ship left Savona with 1200 Jews en route to Palestine. It was probably the same ship stopped by the British Authorities off Haifa. The Captain of the Ship is reported to be a certain Frank FLAGER, probably american and of Jewish extraction. Before leaving he called twice Lina GROSSI, Via Rezia 7, Milano, Phone 570530. The tone of his conversation seemed to be rather agitated, but it could not be made out what the two parties were talking about. This information has been received by these Agents from a reliable, confidential source.
