COUNTER INTELLIGENCE CORPS
MILAN DETACHMENT, ZONE 3
APO 512, U.S. ARMY

Ref.No. 260/1

14 October 1946

SUBJECT: Royal Jugoslav Soldiers in Milan

TO : GSI(b), 3rd District, Northern Detachment, CMF.

1. Jugoslav informants of this Office have stated that since the arrival of the Royal Jugoslav units in Milan there has been an increase in the black-market and other illegal activities on the part of persons who wear the Royal Jugoslav uniform to cover their movements.

2. It has also come to light that most of these people do not belong to any authorized units of the Jugoslav forces in Italy. These self-styled Lieutenants and Captains are not a threat to Allied Security but also discredit those members of the Jugoslav units approved by the Allied Forces Headquarters.

3. If an Officer and several non-coms of the Royal Jugoslav Units in Milan were attached to the British Provost Marshal's Office they could assist in identifying Jugoslavs who wear the uniform without authorization. These men could be of great help in eliminating many individuals who are a threat to Allied Security.

4. For your information and action.
