MILAN DETACHMENT, ZONE 3
APO 512, U.S. ARMY

17 June 1946

SUBJECT : U.S.S.R. Activity in Switzerland

SUMMARY OF INFORMATION :

From a confidential source, reliability unknown, this Agent received information to the effect that Slav elements are intensifying their search for Italian lire and bank checks payable immediately in Italy.

This search has been going on in Switzerland. This currency and these checks are to be smuggled into Italy to be used to finance the propaganda section of the Communist Party. The lowering of the Swiss rate of exchange in regard to the Italian rate of exchange would be the consequence of this action. Further information is expected.
