SUMMARY OF INFORMATION.

SUBJECT: Yugoslav Activities.

The following information on Yugoslav activity in Italy has been received from a confidential informer, considered fairly reliable:

1. Commercial.

A.   A Yugoslav Commercial Commission with Offices in Bari is officially supervising the Italo-Yugoslav traffic, consisting mainly in the export of technical material and the import of tin ore and zinc.
An Albanian Commission with identical functions also has its offices in Bari.
Private commercial companies have been established in the meantime, working in conjunction with the official Commission. Private individuals are making purchases of materiels.

B.   MILAN.- Last October a Yugoslav commercial Company was established in Milan. Its purpose is the expansion of import-export between Italy and Yugoslavia. The Company has been legally registered in the Register of Commerce and Industry of Milan under No. 330. 732 under the name "TEPRO". Its Offices are in the "SIEMENS" Bldg. This is the most important Export-Import Company dealing in electrical, telephonic and radio materiel. "TEPRO" Company is directed by an unidentified Slav who is a fo former employee of the "SIEMENS"

2. Political. Milan.-

A.   It is reported that a Yugoslav "TITO" intelligence Service has been set up in Via Dante, at the corner of Via Giulini. The Office started its operations about a month ago.

B.   Dr. GUIDI, Italian from Monza, is reputed to be an OZNA Agent. He seems to have connections with "TITO's" Headquarters.

C.   A group of Yugoslav Communists has its offices with the Federation of the Italian Communist Party. This group is frequently in contact with Yugoslavia via Trieste. The following individuals have been identified:

MIRON, Juka   -   Engineer
URBAC, Pietro   :   Doctor
KOBAN, Pobonca   -   Woman, Student, about 25 year old blonde.
