RE : Marriage Check

1. Pursuant to instructions from Supervising Agent CIC Zone 3, Milan to conduct a marriage check on Subject, this Agent determined the following:

b. Several neighborhood checks revealed that Subject's father before he passed away one year ago was living with his wife and Subject in Merano. Subject's mother is English and during the period of German occupation succeeded in concealing the fact from the Germans, thus avoiding internment. The family therefore was known for its secluded existence during this period.

2. A Municipality check failed to reveal any adverse information on Subject.
