29 JUN 2007

MEMORANDUM FOR AFSPC/CC

FROM: HQ USAF/CC
1670 Air Force Pentagon
Washington, DC 20330-1670

SUBJECT: Implementation of FY06/07 Actions from Quadrennial Defense Review (QDR),
Program Review and Budget Review (AFSPC/CV Memo, 30 Mar 06)

Based on the requirement to inactive 50 ICBMs as directed by the 2006 QDR, senior civilian and military leadership have determined it is in the best interest of the Air Force to inactivate one Minuteman III squadron. I concur with your recommendation to inactivate the 564th Missile Squadron (564 MS) based at Malmstrom AFB, MT.

You may begin deactivation actions in the 564 MS. In accordance with PBD 725 (28 Dec 05), please complete any necessary modernization efforts to ensure adequate boosters are available as viable test assets. SAF/LL has notified Congress of our FY07 actions and decision to inactivate the 564 MS. Please contact my POC, Major General Roger Burg, AF/A3S, DSN: 223-9747, if you require our assistance with this matter.

T. MICHAEL MOSELEY
