

LG Tritan™

TOUCH SCREEN SLIDER WITH PROGRESSIVE UI

The advanced LG Tritan™ reaches far beyond today's mobile technology. Utilizing a next generation user interface and large 3" touch screen with tactile feel, this device gives you unmatched power and performance right at your fingertips. Add in its unique slider design, revealing a 4-line QWERTY keyboard, and you get quick and easy messaging too. Enjoy stereo sound from the music player via your headset or *Bluetooth*® wireless technology. Use the 3 megapixel camera and camcorder to take fun photos or video of your friends jammin' to the music with you. The LG Tritan – it will definitely move you into the next century.
