The screenshot shows the LinkedIn group page for 'Engage'20 - Verisk 3E'. The page layout includes a top navigation bar with the LinkedIn logo, a search bar, and icons for Home, My Network, Jobs, Messaging, Notifications, Me, Work, and Advertise. Below the navigation bar is an advertisement for 'MS in Supply Chain Mgmt - Looking to Take the Next Step in Your Career?'. The main content area features a group banner for 'Engage'20' with the tagline 'Achieving Excellence in Safety, Stewardship and Compliance' and a sub-header 'Engage'20 Now Virtual Tuesdays in May'. The group name 'Engage'20 - Verisk 3E' is displayed below the banner, along with a 'Listed group' icon. To the right of the banner, there is a section for '3 members' including Tara Harmon and 1 other connection, with an 'Invite connections' button and a 'See all' link. Below the banner, there is a section for 'Set your group up for success' with 3 suggestions, including a 'Share this group with your network' prompt with a 'Share group' button. At the bottom of the main content area, there are icons for 'Start a conversation in this group', a camera icon, a video icon, and a document icon. On the left side, there is a sidebar with the group owner's profile (Julee Vecchio), 'Pending posts' (0), 'Requests to join' (0), 'Manage group', and 'Edit group' buttons. Below this, there is a 'Recent' section with a list of groups including 'Engage'20 - Verisk 3E', '3E Conclave', 'ECHA's poison centre notific...', 'SAP Oil and Gas Professionals', and 'Society for Chemical Hazard...'. There is also a 'Groups' section with a list of groups and a 'Show more' link. At the bottom of the sidebar, there is an 'Events' section with a plus sign. On the right side, there is an 'About this group' section with the text 'This group is for all attendees of the virtual edition of Engage'20.' and a 'See all' link. Below this, there is a 'Group admins' section with two members: Julee Vecchio (Owner, Director, Corporate Marketing at Verisk 3E) and Tara Harmon (1st Manager, Digital Marketing Specialist at Verisk 3E).
