Credentials and
Experience in the
Profession

Associate of Arts—Law

The National Institute for Law and Justice was founded specifically to serve the higher education needs of the law and justice community. This new institute was created by justice professionals, for justice professionals, and provides members of the justice community with an exemplary education, at an affordable price. The curriculum at NILJ was specifically designed to provide the finest education available within the law and justice professions. The Institute's curriculum demands, from each student in attendance, a devotion to the learning enterprise, the attainment and demonstration of academic excellence within the discipline, as well as the ability to apply this knowledge within the profession. The Institute offers students an exceptional opportunity to learn from some of the most well qualified faculty in the country. Our programs of instruction have been specifically developed by people who not only hold doctoral degrees in the disciplines of law and justice, but who additionally possess decades in experience as practitioners within the law and justice professions. In addition to quality instruction, NILJ programs are extremely affordable. We invite you to compare our prices to other colleges and universities. You'll discover that the Institute is an exceptional value. The curriculum for the degree includes:
