## INTRODUCTION.

THE author in compiling the tabulated pedigrees of the sires to be found in this work has been induced to do so in hopes of their proving useful to those engaged in breeding for the turf, or who are engaged in fostering this most popular national amusement. Very many of our largest breeders seem to ignore the lessons taught in the Stud Book and Racing Calender, and we commend to all the necessity of observing what sources and what course of breeding have produced the best results in England, which may be most properly called the home of the thoroughbred horse. We have given our own views as to the best mode to successfully breed the race-horse and the best mode to select a stallion and brood mare, and the treatment of the same both in the stud and on the farm. We do not expect that all will agree with us, but the ideas expressed and plans suggested will do away with many of the chances incident to breeding. There is much uncertainty, and always will be, attending the best and most careful mode of breeding, and this opinion is strongly exemplified in the frequent occurrence of one horse being of very high form and an excellent race-horse, and a full brother or sister being only ordinary; yet we differ from a great many in the opinion that breeding depends entirely upon chance. Accidents and other unforeseen causes, some of them so unimportant and abstruse as to escape our attention or come within our knowledge, may prevent the best bred and most promising animal from arriving at its natural size and true shape, and a little difference in conformation, symmetry, and constitution may make a decided difference in goodness and speed. The foal may be weak and have a delicate constitution owing to the dam being starved and exposed to hardships while carrying it, or it may have been improperly reared. This only proves that great care and knowledge are necessary in rearing horses for the turf, as well as judgment and attention in selecting mares and stallions from which to breed. The chief points are pure blood, conformation, constitution, racing lineage, and hereditary soundness. The nearer we get to true shape with the other points combined, the more certainly we will arrive at excellence. We often find a large horse of good shape and racing symmetry; but where there is one good large one, there are a dozen small or medium sized ones. The greater the size, when combined with the good qualities, the greater the excellence and his powers, for a good little horse cannot cope with a great good one. Hence size with constitution, soundness, and symmetry constitutes the height of perfection While we advocate and commend pure blood, we are convinced that very often pedigree is the only point at which some breeders look, ignoring altogether shape and action; hence failures. The establishment of reputation by a stallion depends on his having good mares, at first, for if he has only had and indifferent ones, the produce will be in low form and a disappointment, and the horse condemned as a failure. To prove this, it is only necessary to cite the

Godolphin Arabian and Marske; the former but for the accident of covering Roxana and getting Lath would have died unknown, while Marske who had been standing for half a guinea and was sold for twenty guineas, after siring Eclipse was sold for one thousand guineas and covered at one hundred guineas. Squirt, the sire of Marske, had been ordered shot and was saved by the intercession of his groom; he afterwards got Marske, Syphon, and the celebrated Squirt Marc the dam of Maiden Purity, Pumpkin, and other famous horses. That many good race-horses have proved failures as stallions, and many poor race-horses successful ones no one can doubt, as instance Lath, who was a famous race-horse but an indifferent stallion, whilst his full brother Cade, was an indifferent race-horse but a most excellent stallion. Flying Childers dazzled the world by the splendor of his career on the turf, yet his brother, Bartlet's Childers proved far the better stallion. According to my notions, no horse can be a good race-horse or a successful stallion, that does not possess great symmetry, by which I do not mean beauty, but a show of all those points, such as conformation, length, power and muscle justly united. Notwithstanding it is often asserted that horses run in all shapes, it cannot be denied they run better and more frequently where they are well and truly shaped, and of tried and approved conformation. A horse may appear to the eye of ordinary judges very plain and ill-shaped, and still be in high form, and to the eye of a connoisseur right in all the material points for racing purposes; the machinery properly put together is the point. Chances and accidents are closely allied to all pursuits and more particularly to breeding for the turf, and luck very frequently predominates over skill and judgment, and whilst breeding cannot be made a certainty or reduced to a science it should not be left to chance. It cannot be too minutely studied, investigated or attended to in all its branches, and the breeder who selects his mares and stallions with care, attention and judgment as to purity of pedigree, symmetry of form, temper, soundness and constitution, in fact, those possessing all those essential qualities of speed and stoutness, must be more successful than one who breeds at haphazard and pays no regard to these established rules, at the same time crossing and preserving the blood of his mares judiciously, and aiming to remedy the defects, deficient properties and inferior qualities of his mares, by the superior conformation, symmetry, admirable properties, and brilliant qualities of the stallion, or vice versa; those who do this will be more likely to produce a more symmetrical; high-typed and successful race-horse than those who pay no attention to these points. Speculative experiments may suit those of large fortunes, but the thinking and judicious breeder, aware of the great expense, constant and unremitting attention necessary for success, will confine himself to the established practise of men whose experience, judgment, attention and success in breeding are worthy of imitation. It is a matter of opinion whether the offspring partake most of the sire or dam. There is no doubt but that they partake of both, though very often more of the one than the other. Some of the mares breed more after themselves, others more after the stallion, then again one foal will partake more after the mare and the next partake most after the horse. It also occasionally happens that the foal will color and mark after the grandsire or grandam or some other more distant cross, and partake of their qualities, hence the necessity of pure blood, conformation and soundness through many generations. To appreciate what care, attention and sound judgment have done for the thoroughbred horse, it is only necessary for us to look at his origin; unquestionably the thoroughbred horse as he now

#### INTRODUCTION.

exists in his great perfection originated from a cross of the Arabian Barb and Turkish horse, the representative scions being the Godolphin and Darley Arabians; the former generally conceded to be a "Barb," was the sire of Lath, Cade, Regulus, Blank, Babraham, Bajazet, Old England, etc. It is said Mr. Coke brought him from France, and that he had actually drawn a cart in the streets of Paris. Mr. Coke gave him to Mr. Williams, keeper of the St. James Coffee House, by whom he was presented to Lord Godolphin, hence his name. He was teaser to Hobgoblin in the years 1730 and 1731, and on the latter refusing to cover Roxana by the Bald Galloway, she was bred to the Arabian, and from that cover produced Lath, the first colt ever credited to him, which brought him into prominent notice. He was represented 15 hands high. The Darley Arabian was the property of Mr. Darley, of Buttercramb, near York ; he was the sire of the great Flying Childers, supposed to be the fastest horse in the world, sire of Second, Snip Blacklegs, etc., Bartlet's Childers and Almanzor. Bartlet's Childers never raced, but he was famous as a stallion ; he was sire of Squirt (the sire of Marske and Syphon), and the Little Hartley Mare, the dam of Janus, Blank, Old England, Slouch, etc. The Curwen Bay Barb was a present to Louis XIV. of France from the Emperor of Morocco, and was brought into England by Mr. Curwen. St. Victor Barb was the sire of the Bald Galloway, and he was the sire of Roxana that brought the Godolphin Arabian into notice. The Compton Barb was sire of Coquette and others. Hutton's Bay Barb was sire of Blacklegs. The Byerly Turk was Capt. Byerly's charger in Ireland during King William's wars in 1689. It is from this horse that the Herod blood originated. Byerly Turk got Jigg, sire of Partner, who got Tartar, sire of Herod, who got Highflyer, sire of Sir Peter (Teazle). Sir Peter got Haphazard, Stamford, Walton, sire of Phantom and Partisan, Williamson's Ditto and Sir Oliver. Herod got Fortitude, Woodpecker, the sire of Buzzard, who sired Selim, the sire of Sultan, that sired Glencoe, Bay Middleton, etc. Herod got Florizel, sire of Diomed, who got Young Giantess and Sir Archy, sire of Timoleon, who got Boston, sire of Lexington, Lecompt, etc. Godolphin Arabian got Cade, sire of Matchem, who got Conductor, sire of Imperator and Trumpator. Trumpator got Sorcerer, the sire of Comus, and Smolensko. The Darley Arabian got Bartlet's Childers, sire of Squirt, who got Marske, sire of Eclipse, who got King Fergus, Mercury, Dunganuon, Meteor, Saltram and Pot-8-os. Mercury got Gohanha, King Fergus got Benningbrough, the sire of Orville, who got Emilius, the sire of Priam and Plenipotentiary, and Master Henry; Muley, the sire of Margrave, Leviathan and others; Hambletonian, the sire of Whitelock, who got Blacklock, sire of Brutandorf, Voltaire, etc. ; Saltram got Whiskey, the sire of Eleanor and Cressida, the dam of Priam ; Pot-8-os got Waxy, the sire of Web, Whisker, the sire of Economist, who got Echidna and Harkaway, the sire of King Tom. Whalebone, the sire of Camel, who got Touchstone, the sire of Orlando and Newminster, the sire of The Hermit; Whalebone also got Sir Hercules, the sire of Irish Birdcatcher, the sire of The Baron, who got Stockwell, Rataplan etc., and Faugh-a-Ballagh the sire of Learnington. An examination of the Stud Book and Racing Calender will show that nearly the entire family of great race-horses both in England and America, dates back to the sources mentioned, and that it is extreme folly in our day to expect to improve the present magnificent race-horse by an infusion of the blood of the modern Arabian. We commenced upon the Arab Barb and Turk with a height not exceeding 15 hands, and have, by judicious crossing, generous diet, discreet and careful handling built up the most magnificent specimens of the equine race,

ranging up to 17 hands in height, with bone, muscle, length, action and all the other grand qualities in proportion. In the early days of breeding, from necessity, very many of the best horses were very much inbred, and even incestuously so, and the question of inbreeding is one which commends itself strongiy to mature consideration and examination. According to the maxim that "like produces like," we ought to follow form, blood, speed and other good qualities, and if these good qualities can be maintained and improved by inbrecding, then it must be desirable to a certain extent. Some of the best English and American horses were very much inbred, and the consanguinity of blood did not work deterioration. I am not an advocate of incestuous breeding, either in the human race or the brute creation. but there is no doubt that manly beauty, graceful form and intellectual vigor have resulted from preservation of those high qualities in the human race where not carried too far, and we can see no reason why the inbreeding of the truest best bred and best shaped racers can work an injury to the equine race. Still we think an out cross of pure blood with the essential qualities of a good race-horse and then back to the superior blood and conformation likely to produce the best results. We will give a few examples of inbred modern horses, in England and the same in America, and in doing so will select those of high character which distinguished themselves on the turf, and in the stud, for instance. The Baron, not only a good race-horse, but sire of Stockwell and Rataplan was by Birdcatcher, by Sir Hercules, by Whalebone, by Waxy, by Pot-8-os, by Eclipse. The Baron's dam, Echidna, by Economist, by Whisker, own brother to Whalebone, by Waxy, by Pot-8-os, by Eclipse, Echidna's dam, Miss Pratt by Blacklock, by Whitelock, by Hambletonian, by King Fergus, by Eclipse. Touchstone, a fine race-horse, and one of the best stallions that ever lived, was by Camel, by Whalebone, by Waxy, by Pot 8-os, by Eclipse, his dam, Banter by Master Henry, by Orville, by Beningbrough, by King Fergus, by Eclipse ; 2d dam, Boadicea by Alexander, by Eclipse. The great Stockwell was much inbred on his dam's side, Pocahontas by Glencoe, dam Marpessa, by Muley, by Orville, by Beningbrough, by King Fergus, by Eclipse. Muley's dam, Eleanor by Whiskey, by Saltram, by Eclipse. Pocahontas' grandam was Clare by Marmion, by Whiskey, by Saltram, by Eclipse ; Clare's dam, Harpalice by Gohanna, by Mercury, by Eclipse. Queen Mary, the dam of Blink Bonny, Bounie Scotland, &c., was much inbred. Gladiator, her sire, was by Partisan, by Walton, by Sir Peter, by Highflyer, by Herod ; her dam by Plenipotentiary, by Emilius, by Orville, by Beningbrough, by King Fergus, by Eclipse ; her grandam. Myrrha by Whalebone, by Waxy, by Pot-8-os, by Eclipse ; her great grandam, Gift by Y. Gohanna, by Gohanua, by Mercury, by Eclipse, out of a daughter of Sir Peter, by Highflyer, by Herod. Partisan was out of Parasol, by Pot-8-os, by Eclipse. Pocahontas' best son, Stockwell, was by an inbred horse, and Blink Bonny, Queen Mary's best daughter, was by a horse Melbourne inbred to Herod and Eclipse, so if the preservation of good blood through inbreeding in these striking cases has been a success, is it not reasonable to suppose that the same results must follow inbreeding to good blood and true shape with other desirable qualities in this country? Boston was inbred to Diomed, as also his best son, Lexington. Wanderer and Uncas are both much inbred on the dam's side, being out of a grandaughter of Glencoe, and tracing to an own sister of the Old Hero. Glenmore, one of the best race-horses recently on the turf, and whose performances are of the best at all distances, is very much inbred; his dam, Lotta, is by Hunter's Glencoe, son of Imp. Glencoe and

the blue filly Fiatt by Imp. Hedgeford, she out of Lady Thompkins by American Eclipse. Glenmore's grandam Sally Lewis is by Imp. Glencoe her dam Motto by Imp. Barefoot out of Lady Thompkins by Am. Eclipse. Barefoot was by Tramp and Glencoe's dam by Tramp, so that he is, strictly speaking, incestuously bred; yet he was a first class race-horse. Norfolk, a superior race-horse, is inbred to Sir Archy and Dio-Falsetto is inbred to Lexington; the dam of his sire is by Lexington, and his med. grandam by Lexington, and he has nine crosses of Diomed. Imp. Eclipse was much inbred; his dam Gaze was by Bay Middleton son of Sultan and Cobweb by Phantom son of Walton, Flycatcher, his grandam, was by Godolphin son of Partisan by Walton, and his great grandam was an own sister to Cobweb by Phantom. Then if the Lexington, Leamington and Glencoe blood is to be preserved to the country it can only be done by a judicious course of inbreeding, and so uniting the choice of both as to combine and render permament the qualities possessed by each. Some regard inbreeding as an active cause of degenerating, as unnatural and calculated to develop hereditary diseases. These evils can only spring from abuse of the system. If proper care is taken to exclude the weak and those having hereditary tendencies to disease, from participation in reproduction it may be the means of preserving those estimable qualities so much desired in the equine race, and transmitting them unimpaired to succeeding generations. The greatest success has been achieved by breeding from the nearest affinities of blood, and one should not hesitate to breed a half-brother or sister together where they possess many points of superiority. In the selection of a stallion we want first pure blood, size, substance and conformation with symmetry, not a tall narrow-chested horse, but one inclined to be thick-set; all coarseness should be avoided especially in the head, neck, shoulders, ankles and hocks; the eye should be large, clear and bright, with no coarse hair about it, the absence of which is indicative of high breeding in all animals; the jaw bones not too massive or heavy, tapering gradually to the nose, free from beefiness; good space between the jawbones for the windpipe; a clear, full steady eye denotes good temper and enduring qualities, whilst the one showing too much white is generally found in flighty, speedy, non-staying horses. The neck of moderate length, deep and not too thick at the crest or curve, nostrils large, full and roomy. The chest moderately wide, the shoulder blade oblique and inclined backward with sufficient muscle to cover it. with arms long aud muscular, cannon bones short and flat, and the pasterns moderately long not upright, knee broad and flat and rather inclined to arch or bend over than backward or calf-kneed, which causes an extra tension on the back tendons; chest deep extending down between the elbows which should be straight, inclining neither in nor out, and toes pointed straight forward, body and barrel round and not too long, muscular arched loins, with good length from point of the hip to haunch bone, a slight drooping towards the root of the tail, good length from hip to point of stifle and thence to the hock, which should be broad, finely cut and free from beefiness; the cannon bones flat, tendons detached and well defined, feet strong and hoof not too large or too small, back ribs long, round, and slightly detached from the hip joint. There should be sufficient general length not to be determined by the length of the back, but the ground the horse covers when standing in a natural position. Good blood is essential and necessary, but good form is superiority. In the selection of brood mares, form is as much a desideratum as in the stallion. First select from the most fashionable blood from running families on both sides with conformation, constitution, good temper, and

speed ; some prefer large mares, others of medium height. Large mares are not preferable because they are large, but if well and truly shaped, from running blood, there is no objection to size; as a rule, the deep-chested, large-bodied, short-legged mares with large pelvis, with wide hips and good length, from 15 to 154 hands high. have proved the best and most successful brood mares. The mare, above all things, should be good-tempered and free from all hereditary defects and disease. It does not follow that a mare which may be blemished from some unforseen cause, may not be as good a brood mare as one entirely sound. Mares in good health will breed until twenty-five or thirty years old, but they require attention, air and exercise, with proper shelter from storms and bad weather, with sufficient food to keep them always in good strong condition-not beefy fat, as nothing is more fatal to fruitfulness than obesity. Unless kept in good strong condition, the foals are apt to be weak and weedy at birth ; the time to make a race-horse is when the foal is in embryo ; in the vernacular to make a race-horse you must do so before he is born. Stallions, to do themselves justice, must have plenty of exercise in the open air; if they cannot be trusted in an open paddock they should be ridden three or four hours each day. Idleness results in indigestion, loss of vigor, and flatulence, which often prove fatal. The colts, from the day they are foaled should be fed, if the dam does not afford sufficient milk to insure speedy and healthy growth, and broken at weaning time, which should be the last of September or first of October. It is a capital plan to feed the colts in pens for a month or six weeks before wearing them, and we are decidedly of the opinion that foals which come the last of March or first of April have full as much advantage as those foaled earlier before the grasses necessary to afford an ample supply of milk from the dam arrive at perfection. Those who believe in having early foals should always sow down in the early fall a patch of good rye for the use of the mares and foals. Stallions, mares, and colts all require plenty of fresh air and exercise ; air and light is lifedarkness, death. Horses, and particularly colts, from their natural activity, require more exercise than any other animals, and when properly given, is productive of the most salutary effects. It is the more necessary to colts highly fed than to those stinted or fed moderately. It enables you to preserve them in a perfect state of health. The food is converted into wholesome nourishment, the circulation of the blood promoted, and all the secretions and discharges facilitated. It invigorates the whole system, gives additional flow to the spirits, adds firmness and strength to the muscles, increases the firmness, texture and growth of the bone, promotes insensible perspiration, assists digestion and prevents flatulence and prepares the system for fresh supplies of aliment. It enables the animal to endure fatigue. In fact without constant and habitual exercise no animal can enjoy perfect health. High feeding without proper exercise produces many evils, such as indigestion, flatulency, costiveness ; the circulation becomes languid, incurable diseases follow, and frequently death terminates the scene. The stallions and mares thus treated, whose blood is pure and uncontaminated, and whose conformation, strength, activity and vigor are conspicuous in every movement, must impart to their offspring not only sound constitutions, but speed, native fire and energy, which are necessary to support them under the severest exercise of their powers. With the variety of soil, perennial grasses, and favorable climate, the Americans should excel all nations in producing the most perfect and the grandest of the equine race.

#### Will be located during the season of 1883 at the Erdenheim Stud, Chestnut Hill, Pa. He will be allowed to serve mares at \$100 each and \$5 to the groom. Application to Major J. R. Hubbard, Chestnut Hill, Philadelphia, Pa.

ALARM, by imp. Eclipse, was bred by Mr. John Hunter, of the Annieswood Stud, Westchester Co., N. Y., foaled 1869, dam, imported Maud, the dam of Maudina, Magnet, Telegram, etc., by imp. Australian out of Countess of Albermarle, by Lanercost. Maudina is the dam of Galway, Piccolo, Cloverbrook, Oden, etc. Orlando, the sire of imp. Eclipse, won the Derby in 1844. 1:54<sup>3</sup>. He met and defeated the best. Gabriel, another son, ran thirty-three times as a three-year old and won nine races, and thirty-seven times at four years old, winning seventeen races. Amongst them were heats of a mile and a furlong in 1:56, 1:56, with 112 lbs, he defeated many of the best horses of the year. Other creditable performers of Alarm's get are Parthenia, Bruno, Jake White, America, Aliunde, Aureolus, City Merchant, Gunnar, Africa, Startle, Judge Murray, Alley, Soubrette, Athos, Breeze, Illusion, Flight, etc. It may be truly said that Alarm has scarcely had a fair chance in the stud, those of his get are the equals of the produce of other stallions from the same mares, and in most cases the best. He traces as an examination of his pedigree will show, to Whalebone and thence to Herod and Eclipse, through the most famous of their descendents, and to imp. Diomed on both sides of sire and dam. Mares possessing the Eclipse and Stockwell blood should be bred to Alarm to perpetuate the speedy strains of his blood.

## ALGERINE,

#### (WINNER OF THE BELMONT STAKES AT JEROME PARK IN 1876,)

#### Will be located in the Algeria Stud, the property of Mr. Wm. L. Scott, near Erie, Pa. Services only by private contract.

ALGERINE, by Abd-el-Kader, son of imp. Australian, was bred by Major Thos. W. Doswell, Bullfield Stud, Hanover Junction, Va.; foaled 1873, dam Nina, the dam of Planet, Exchequer, Ninette, Ecliptic, &c., by Old Boston. Algerine did not run as a two-year old; he made his bow to the public in the Preakness Stakes at Baltimore in 1876, 12 miles, and was third to Shirley and Rappahonnock in 2:448. At Jerome Park he won the Belmont Stakes, 1+ miles in 2:404. beating Fiddlesticks, the winner of the Withers Stakes, Barricade, brother to Bassett (Charley Howard) and Red Coat, each carrying 110 lbs. He was unplaced in the Dixie Stakes, 2 miles, at Baltimore; won by Vigil in 3:411, track, muddy. As a four-year old he started five times, ran second to Parole in the Maturity Stakes at Jerome Park, 3 miles, in 5:39; second to St. James, 2 miles, in 3:491; was unplaced in the All-Aged Sweepstake, 12 miles, won by Tom Ochiltree in 2:43. Won club purse, 2 mile heats, at Baltimore, in 4:021, 3:50, 4:00; track very heavy. Barricade won the second heat; was unplaced in the Bowie Stake, 4 mile heats, won by Ten Broeck in  $7:42\frac{1}{2}$ , 7:40. Abd-el-Kader, his sire, although badly hipped, was a fine race-horse at all distances ; he won a dash of 4 miles at Saratoga in 1869, in 7:313, a very creditable performance. Nina, the dam of Algerine, was one of the best race-mares of her day; she was a winner at all distances, from one to four mile heats, in good time, and produced Planet, one of the best horses in the country, at all distances, and for his chances a successful sire. Algerine is a blood bay, 15% hands, with black points, and no white about him. He is strongly inbred to Sir Archy, and on the sire's side is a grandson of the great West Australian, winner of the tripple events, 2,000 guineas, Derby and St. Leger, in 1853. Boston, the sire of his dam, was the best horse of any day. Algerine has no colts yet upon the turf, but from good marcs should get winners and stayers; he traces on both sides of sire and dam many times, to Herod and Eclipse, through the famous Waxy and Dick Andrews, with the Archy and Diomed blood in both sides, through Diomed's best sons.

## ATHLETE (Imp.)

#### Athlete will stand the season of 1883 at Kinlock Stud farm near Columbia, Boone County, Mo., at \$50 the season; dams of Winners free. Application to be made to J. Lucas Turner, Columbia, Mo. Imported by D. D. Withers, Esq.

ATHLETE, by Gladiateur, bred by Mr. W. Blenkiron, foaled 1872, dam Rose of Kent dam of Maiden's Blush, Hopbine Spartacus, Kentish Rose., etc, by Kingston out of England's Beauty by Birdcatcher. Athlete started in three races at two years old, but was unplaced in all. At three years old ran four times, won club purse at Jerome Park one mile for maiden three year olds, in 1:51; track heavy. He ran third to Leander in a handicap for all ages three-quarters of a mile in 1.21<sup>4</sup> and was unplaced in the other two races. Gladiateur his sire was the sensational horse of his year and accomplished what no other horse ever did-he won the two thousand guineas, Derby and St. Leger, in England, and the Grand Prix de Paris in France in 1865, and the Ascot Gold Cup in 1866. Kingston, the sire of his dam, was one of the best and most famous race-horses of his day and was truly bred to stay through his Venison and Defence blood. He was sire of Queen Bertha, winner of the Oaks, and Caractacus, winner of the Derby; Rose of Kent, the dam of Athlete, is own sister to Silverhair the dam of Garterly Bell and Silvio ; the latter won both the Derby and St. Leger in 1877. Athlete is very much inbred to Whalebone through his most popular and successful sons, such as Defence, Moses, Merman, Camel and the great Sir Hercules, and is fortified by the blood of Herod and Eclipse. Athlete is a dark chesnut with a small white stripe down his face from the forehead to the nose and is full 151 hands high. We can scarcely see how he can fail in the stud; no descendant of Old Prunella through pure strains of blood has yet failed to breed winners as evidenced by the success of Whalebone, Whisker, Web, Glencoe and others. Athlete traces six times to old Prunella, three times on side of sire and the same on his dam's side, to the blood of Herod and Eclipse from popular and successful racing sources.

## BADEN-BADEN,

#### (WINNER OF THE YOUNG AMERICA STAKE No. I., 1376, AT NASHVILLE, TENN., AND KENTUCKY DERBY AT LOUISVILLE, KY., 1877, THE JERSEY DERBY AT LONG BRANCH AND TRAVERS STAKES AT SARATOGA, 1877.)

#### Will be used as private stallion in the Ferncliff Stud, the property of William Astor, Esq., near Rhinebeck, Dutchess Co., N. Y.

BADEN-BADEN, by imp. Australian, son of West Australian, bred by A. J. Alexander Woodburn Stud, Kentucky, foaled 1874, dam Lavender, the dam of Helmbold, Buchu Barricade, &c., by Wagner, son of Sir Charles, out of Alice Carneal, dam of Lexington, Waxy, Rescue, &c., by Imp Sarpedon, son of Emilius. Imp Australian, the sire of Baden Baden, can be found in this book. West Australian, his sire, was a winner of the double events in England, Derby and St. Leger. Wagner, the sire of Lavender, was the race horse of his day, and defeated the Kentucky crack. Grey Eagle, in the noted four-mile heat races run at Louisville, Kentucky, in 1839, which were the fastest to that day. Alice Carneal, his grandam, was the dam of Lexington the incomparable race horse and emperor of stallions. Baden Baden was a first-class race horse, at two years old, started five times. At Louisville, Kentucky, was second to.McWhirter in the Belle Meade Stakes (three-quarters of a mile) in 117, with Lisbon and three others behind him. Ran second to Belle of the Meade in the Sanford Stake (one mile) in 1441 (very fust), Sallie McCrea, McWhirter, Glentina, and three others behind him. Was second to Belle of the Meade in Sweepstake (one mile) in 1441, beating McWhirter, Springbranch, and Eva Shirley. At Nashville won the Young America Stakes No. 2 (one mile) in 146<sup>4</sup>/<sub>4</sub>, beating King William and three others. At three years old won the Kentucky Derby (one and a half miles) in 238, beating Leonard, King William, McWhirter, Vera Cruz, Dan K and five others. Was unplaced in the Clark Stakes (two miles), won by McWhirter in 3301. Jerome Park. Was beaten a head for second place in Belmont Stake (one and a half miles) by Loiterer, Cleverbrook winning in 246, track heavy. Long Branch won the Jersey Derby (one and a half miles) in 240<sup>2</sup>, beating Basil, Rifle and three others. Saratoga won the Travers Stake (one and threequarters miles) in 3121, track heavy, beating Brademante, St. James, Cleverbrook and four others. Was unplaced in Kenner Stakes (two miles), won by Basil in 338<sup>1</sup>/<sub>2</sub>. Baden-Baden was sent away full a hundred yards behind, yet at the end of a mile and five furlongs he was in front, and had the race won, when he broke his ankle and was ruined for racing purposes. On his sire's side he has the Melbourne, Touchstone, Emilius and Whisker blood, and on the dam's side is much inbred to Sir Archy and Diomed, and goes back to Alice Carneal, the great fountain head of race horses and successful sires. Baden-baden is a dark ehestnut, 161 hands high, with a star in his forehead, the only white about him. He has elegant shoulders, and is a finely shaped horse all over. His oldest colts, now coming two years old, are promising.

# BLYTHEWOOD (Imp.)

#### Blythewood will be located the season of 1883, at the Algeria Stud Farm near Erie, Pa., the property of Mr. W. L. Scott. Services only by private contract.

BLYTHEWOOD, by Adventurer, son of Newminster, bred by Mr. W. I'Anson, foaled 1873; dam Bonny Bell by Voltigeur; the dam of Bonny Swell, Blantyre, Muscatel, Beauclerc, etc., out of Queen Mary ; the dam of Blink Bonny, Balrownie, Bonnie Scotland, etc., by Gladiator. Blythewood started in only one race; the Colt Sapling Stakes for two-year olds, five furlongs, 44 yards at York, won by Burgie, with Humboldt second, Blythewood third. Adventurer, his sire, was a fine race-horse, although he did not start in the Derby or St. Leger; he won the Loudesborough Plate (handicap), at Doncaster; the City and Suburban Handicap, defeating Am Umpire, Gen. Hesse, Asteroid, and a large field of others, the great Northern Handicap and Flying Dutchman handicap at York, the Craven stakes, at Epsom, and the Queen's Gold Vase, at Ascot, and was one of England's most popular sires. Blythewood is a very richly bred horse, being a grandson of the famons old Beeswing, on the side of the sire, Newminster, who won the Doncaster St. Leger, in 1851, and was the sire of Nemesis, winner of the 1,000 guineas; Lord Clifden, winner of the St. Leger; Hermit, winner of the Derby, and the most popular stallion in England. Adventurer is a very popular stallion; he is the sire of Pretender, winner of the 2,000 guineas, and Derby in 1869; Apology, winner of the 1,000 guineas; Oaks and St. Leger, in 1874, and Wheel of Fortune, winner of the 1,000 gs., and Oaks in 1879; he is also the sire of Mr. P. Lorillard's great two-year old Pizzarro; Voltigeur, the sire of his dam, was one of the few horses which won both the Derby and St. Leger, which he did together with the Doncaster Cup, in 1858; Bonny Bell, his dam, is half-sister to Blink Bonny, the dam of Blair Athol, the best son of Stockwell, and his grandam, Queen Mary, is the dam of Balrownie, Bonnie Scotland, and other famous animals. Bonnie Scotland made a reputation in this country which is as enduring as time. If there is anything in blood and racing lineage, Blythewood should make a good sire. He is a dark bay, full 15<sup>2</sup> hands, with black points, and a star in the forehead, he possesses substance and power commensurate with his height. The daughters of Bonnie Scotland, bred to him will do much to preserve and perpetuate a popular and successful racing strain in America. He is much inbred to Eclipse, Matchem and Herod, through Whalebone Parasol, Emilius and Highflyer.

# BRIGADIER (Imp.)

#### Brigadier will be located the season of 1883 at the stables of Col. A. R. Wynn, Castalian, Springs, Tenn., and will serve mares at \$25 the season.

BRIGADIER, by Monarque, bred in France, foaled 1869, imported by Mr. J. A. Smith, dam Sweet Lucy, by Sweetmeat. Brigadier ran but once in public in a plate at Newmarket Second October Meeting won by Nudel, he was unplaced. His sire, Monarque, was a fine race-horse, won the Goodwood Cup in 1857, and sired Gladiateur, who not only won the 2,000 guineas, Derby and St. Leger in 1865, but the Grand Prix de Paris same year, and he is the only horse which ever accomplished the feat. Gladiateur also won the Ascot Gold Cup in 1866, and many other important events. Sweetmeat, the sire of his dam, Sweet Lucy, was sire of Macaroni, winner of the 2,000 guineas and Derby in 1863, and of Mincepie winner of the Oaks in 1856, and Mincemeat winner of the Oaks in 1854. Macheath, the crack two year old, of England, for this year 1882, is by Macaroni. The pedigree is full of stout and speedy crosses; the horse served no thorough-bred mares until 1880, and his colts are pronounced very promising. His blood is one of the links through which the Sweetmeat and Whalebone blood can be perpetuated in this country, he is strongly inbred to Waxy, through both Whisker and Whalebone, and to Eclipse through these two stout crosses and through Orville, and Blacklock. Beningbrough, the sire of Orville, won the St. Leger in 1794, and Hambletonian, the grandsire of Blacklock, won it in 1795, both were grandsons of the great Eclipse, both being by King Fergus, the famous son of that horse, and he traces through his dam to Proscrpine, an own sister of Eclipse. Brigadier is a brown 161 hands, with little white on one heel behind, is a fine tempered, well shaped horse.

# BULLION

#### Will stand the season of 1883 at the Minnehaha Stud, Samuel Y. Keene, proprietor, near Georgetown, Scott Co., Ky., and will serve mares at \$25 the season. Application to S. Y. Keene, Georgetown, Ky.

BULLION, by War Dance, son of Lexington, bred by the late A. Keene Richards, Blue Grass Stud, Ky, foaled 1873, dam Gold Ring by Ringgold, son of Boston, out of Ann Percy, by imp. Albion; Ringgold, the sire of Bullion's dam, was a fine race-horse, and a winner of some good races, he covered but few mares, but got those fine race-horses, Delaware and Onward, both speedy and capable of staying a distance. Albion, the sire of Bullion's grandam, was imported at a yearling, and was a winner in Virginia at all distances, and in good company, and became noted as a sire of winners and successful brood mares. Bullion was one of the unfortunate racehorses, he was cut down when a two-year old in one of his races, and was thought to have been ruined, but he recovered so far that he was trained, and in the Kentucky Derby at Louisville won by Vagrant, he was again cut down when looking dangerous and close up. This ruined him for racing purposes. Bullion started in one race as two years old, and was cut down in the race. He came out as three years old, and won a Sweepstake at Lexington mile heats in 1:461, 1:451 beating Eaglet, Dailgasian, L'Argentine and others, was unplaced in the Citizen Stake, two miles won by Red Coat in 3:343. Bullion carried 111 lbs., and Red Coat, 105 lbs., the other starters, 100 lbs each. Started in the Kentucky Derby 11 miles won by Vagrant in 2:381. Bullion was cut down when running third, and ruined for racing purposes. Bullion has covered only a few mares, those of his owners. The following creditable winners are by him: Fairfield, winner of the Criterion Stake at Long Branch, three-quarters of a mile in 1:172. Golden Era, Gold Basis, the latter, a good one, Wendover a winner, Rufus L. Bullington, Coinage and Free Gold, who defeated Aella and Hilarity. Bullion is inbred to Old Boston, having the cross through War Dance and Ringgold, he has a Glencoe cross through famous Reel, dam of Lecompte, Starke Prioress, etc., and seven direct crosses of Sir Archy and Diomed, and any number to Herod and Eclipse through his collateral branches. Bullion is a rich chestnut, 164 hands, with one white heel behind, and is a horse of fine temper with great substance and power, and transmits his qualities to his progeny.

# DUKE OF MAGENTA,

#### (WINNER OF THE WITHERS ANNUAL AND BELMONT STAKES AT JEROME PARK; TRAVERS, SEQUEL, AND KENNER STAKES AT SARATOGA ; PREAKNESS, DIXIE, AND BRECKENRIDGE STAKES AT BALTIMORE, AND OTHER RACES.)

#### Will be used as private Stallion in the Rancocas Stud, Mr. P. Lorillard, proprietor, Jobstown, Burlington County, N. J. Surplus sold annually.

DUKE OF MAGENTA, by Lexington, son of Boston, bred at the Woodburn Stud, A. J. Alexander, proprietor, foaled 1875, dam Magenta by imp. Yorkshire, out of Miriam

Alexander, proprietor, foaled 1875, dam Magenta by imp. Yorksnire, out of Miriam by Imp. Glencoe. The Duke's pedigree, although not a long or fashionable one, has some strong elements, and the family have been quite famous as racers. Magenta, his dam, pro-duced Larkin and Queen Victoria, by Lexington, the latter the dam of Albert, Blenk-iron, by imp. Bonnie Scotland, Mademoiselle, by Red Eye, the Duke of Magenta, by Lexington, and Duke of Montalban, by King Alfonso. None of them were very noted before the Duke. Miriam, by imp. Glencoe, his grandam, produced Magenta, quite a famous race-mare and winner at all distances from one to four mile heats; Mamona, be four of the set of the se by imp. Sovereign, a superior race-mare and winner of the fastest mile run to that date, 1861-1:441, and since a dam of winners, Merrill and Marion, both by Lexington. Merrill won the Jersey Derby, at Paterson, in 1866, and the Travers Stake, at Sara-Merrill won the Jersey Derby, at Paterson, in 1866, and the Travers Stake, at Sara-toga, the same year. Marion was also a fine race-horse. She produced in succeeding years Grecian Bend, Hollywood, Miranda, and Neecy Hale, all by Lexington. Both Hollywood and Neecy Hale were superior race-marce. Hollywood won both the three-quarter and mile stakes at Lexington, Fall of 1870, then two years old, in 1:184 and  $1:45\frac{3}{4}$ . She later won at two mile heats in  $3:38\frac{3}{4}, 3:40\frac{1}{2}$ . Neecy Hale, three years old, won the sweepstakes,  $1\frac{3}{4}$  miles, at Lexington, in  $3:07\frac{3}{4}$ , beating Creedmoor and others. Duke of Magenta started seven times as a two-year old, lost three, won three and ran a dead heat for the seventh one, carrying 115 lbs. to Spartan's 110. In the three races he lost, he was barely beaten a scant head. He won half a mile in  $:49\frac{1}{2}$ , ran dead heat three-ouarters, in  $1:16\frac{3}{4}$ , and won the same distance in  $1:17\frac{1}{4}$ . The three races he lost, he was barely beaten a scant head. He won hait a mile in  $:49\frac{1}{2}$ , ran dead heat three-quarters, in  $1:16\frac{3}{4}$ , and won the same distance in  $1:17\frac{1}{4}$ . The Duke opened his three-year old campaign at Baltimore, May 27, by winning the Preakness Stakes,  $1\frac{1}{2}$  miles, in  $2:41\frac{1}{4}$ , beating Bayard and Albert. His second ap-pearance was in the Withers Stakes, one mile, at Jerome Park, and, notwithstanding the track was very heavy and muddy, he won with 118 lbs. up, in 1:48. Eight days after he won the Belmont Stakes,  $1\frac{1}{2}$  miles, in  $2:43\frac{1}{2}$ . He next appeared at Long Branch, June 29, and, being out of condition, was beaten for the Jersey Derby,  $1\frac{1}{2}$ miles, by both Spartan and Danicheff. Traveling to Saratora on July 20 he won the Travers Stake  $1\frac{1}{2}$  miles in 3:08 heat.

Traveling to Saratoga on July 20, he won the Travers Stake, 12 miles, in 3:08, beating Spartan, Bramble and others. This race with the weight, 118 lbs., was about the best race of the year at the distance. On the 3d of August, penalized 5 lbs. 123 lbs. up, he won the Sequel Stakes,  $1\frac{3}{4}$  miles, in 3:15, track heavy. On the 13th of the same month he won the Kenner Stakes, 2 miles, in 3:41 $\frac{1}{2}$ . He finished his season at Sara-toga by winning in hollow style the Harding Stakes,  $1\frac{1}{2}$  miles, in 2:50 $\frac{1}{2}$ . He opened the Fall campaign at Jerome Park by winning the Jerome Stakes,  $1\frac{3}{4}$  miles, in 3:11 $\frac{1}{2}$ . A few days after he captured the Annual Stakes, two miles, in 3:43, running the first mile in 1:45. Going to Baltimore, he easily won the Dixie Stakes, 110 lbs. up, in 3:41. Three days after he closed his three-year old campaign and turf career by winning the Breckenridge Stakes, 2 miles, with 115 lbs., in 3:43, the first mile being run in 1:463. His gross winnings during the year amounted to \$36,550. Thus starting in twolve reace uping of defendance and defendance with the best of the starting in twelve races, winning eleven, and defeating all the best colts of the year, and striking his colors only once during the season, being then notoriously out of condition.

Duke of Magenta is a bay, 161 hands, with star and long narrow white stripe down the face over his nose, both hind legs white half way to his hocks, and two black spots on coronet of each hind foot; he measures 75 inches around the girth. He is much like his famous sire Lexington, but much larger model. His oldest colts are now two years old and resemble the sire very much, and are very promising. Few such race-horses as the Duke ever face the starter in America. He has Diomed blood on both sides.

Grinstead, Walnut Hill Stud, near Lexington, Ky., dam Kelpie-the dam of Janet, four miles in 7:25-by imp Bonnie Scotland, out of sister to Ruric dam of Grinstead by imp. Sovereign, son of Emilius, the winner of the Derby in 1823, and sire of the two famous Derby winners, Priam and Plenipotentiary, Oxygen winner of the Oaks, and Mango winner of the St. Leger. Sovereign's dam, Fleur-de-Lis by Bourbon, was one of the best mares of her day. In addition to other races she won the Goodwood Cup in 1829 and '30. Duke of Montrose made his debut as a three-year old, and started in five races and won one race at Gravesend, a dash of 11 miles in 2:12; at Jerome Park was second in the Lorillard Stakes for three-year-olds, one mile and three furlongs, won by Grenada, no time taken. At Gravesend was second in the Coney Island Handicap, one mile and three furlongs, won by Luke Blackburn in 2:24<sup>1</sup>/<sub>2</sub>; Monmouth Park, was second in the Ocean Stakes, one mile and a furlong, won by Luke Blackburn in 2:032; was second in a Sweepstakes, 12 miles, won by Luke Blackburn in 2:112

Four years old, started in thirteen races of which he won five; Saratoga' won a dash in one mile in  $1:42\frac{1}{2}$ , heating Knight Templar and eight others; Monmouth Park, won a dash of one mile in  $1:45\frac{3}{4}$ , beating Jack of Hearts and two others; won a selling race, one mile, in 1:44; Jerome Park, won dash of three-quarters of a mile in  $1:19\frac{1}{4}$ , beating Clarendon, Valparaiso and nine others; won a dash of one mile in  $1:50\frac{1}{4}$ , beating Marathon and others. In this race, to a false start the horses ran the distance, and Montrose finished first in  $1:45\frac{3}{4}$ . At Saratoga, was second in a dash of one mile won by Sir Hugh in  $1:44\frac{2}{4}$ ; was second in a Selling Race, one mile, won by Viola in  $1:44\frac{1}{4}$ ; Saratoga was third in a dash of one mile and a furlong, welter weights, won by Boulevard in  $1:59\frac{1}{2}$ : Jerome Park was third in a dash of one mile, won by Marathon in  $1:45\frac{2}{4}$ . Was unplaced in his other races. It will be observed he ran good seconds to such horses as Grenada and the great Luke Blackburn.

This closes his racing career, having given away in his fore legs. Duke of Montrose is a blood bay, full 16 hands high with black points; is a large, fine, well developed horse, and possessed a wonderful turn of speed. He is inbred to Waxy through his famous sons, Whalebone and Whisker, and traces through the dams of Vandal and Ruric to the famous old Lady Grey, the grandam of Lexington, from whom so many successful sires and brood mares have descended.

Eclipse, out of Gabriella, dam of George Martin, by Garrison's Zinganee, son of Sir Archy. Lexington won the Phœnix Hotel Stakes years old, ran six races and won them all. Lexington won the Phœnix Hotel Stakes (mile hcats) in 1:44<sup>‡</sup>, 1:44<sup>‡</sup>, beating Catina and distancing Longfellow in the second heat; same place won Citizens' Stake (two-mile heats) in 3:35<sup>‡</sup>, 3:44<sup>‡</sup>, beating Lyttle-ton; the first mile in the first heat was run in 1:43<sup>‡</sup>. The family from which he descends is a good racing one. It is dam, Lida, and gran-dam, Lize, were not trained. Eclipse, the sire of his grandam, was the race-horse of his day; he beat all the best horses of his time, and won the great sectional match, the North against the South, run over the Union Course, L. I., May 27, 1823, for \$20,000 a side, Eclipse beating Henry, who won the first heat, in 7:371, 7:49, 8:24. Yet he has always held a high position as a winning sire. 1879, and three in 1880. Yet he has always held a high position as a winning sire. Amongst the best of his get, all winners, are Leander (Searcher), mile in 1:41<sup>4</sup>/<sub>4</sub>; McWhirter, 2 miles, 3:30<sup>4</sup>/<sub>4</sub>; the fastest race was run by a three-year old, Lizzie Whipps (two mile heats), in 3:36<sup>1</sup>/<sub>4</sub>, 3:39; Harkaway (mile heats) in 1:43, 1:42<sup>1</sup>/<sub>4</sub> (two mile heats), in 3:39, 3:35<sup>1</sup>/<sub>4</sub>; Solicitor, two miles in 3:34<sup>4</sup>/<sub>4</sub>; Bill Bruce, three-quarters of mile in 1:15<sup>1</sup>/<sub>4</sub>, mile heats 1:43<sup>4</sup>/<sub>4</sub>, 1:44, 2 miles in 3:36<sup>1</sup>/<sub>4</sub>; McHenry, Blue Eyes, 2<sup>1</sup>/<sub>4</sub> miles in 1:55<sup>1</sup>/<sub>4</sub>, and 2<sup>1</sup>/<sub>4</sub> miles in 3:58<sup>3</sup>/<sub>4</sub>; Goodnight, seven eighth of mile in 1:28<sup>3</sup>/<sub>4</sub>, mile 1:42<sup>1</sup>/<sub>4</sub>, and 1<sup>1</sup>/<sub>4</sub> miles, 120 lbs., in 1:35<sup>1</sup>/<sub>2</sub>; Getaway, 1<sup>1</sup>/<sub>4</sub> miles in 2:07<sup>4</sup>/<sub>4</sub>, fastest on record 2-mile heats in 3:36<sup>1</sup>/<sub>4</sub>, 3:35<sup>1</sup>/<sub>2</sub>; Falsetto, 1<sup>1</sup>/<sub>4</sub> miles in 2:08<sup>3</sup>/<sub>4</sub>, 2 miles in 3:35<sup>1</sup>/<sub>4</sub> with 118 lbs.: Pinafore, one mile five hundred yards in 2:11. Other reputable winners in good time are Fortuna, Ascot, Enlight, Mannie Grey, Yelton, Clandeboy, Fairy Queen, Lizzie D, Enterprise, Miss Ella, Enquiress, Caligula, Clarissima, Ed. Turner, Carrie M, Bailey (now Revenge), Response, Bosque Belle, Gen. Jackson, Rambeau, Mascotte. He had but four or five representatives on the turf in 1882, and they won a fair share of the races in about the fastest time. Enquirer is a dark bay with an irregular-shaped star in his forehead and a narrow streak of grey hair with an irregular-shaped star in his forehead and a narrow streak of grey hair running down his face and left hind leg, white above the pastern and three white splotches in left flank. # FALSETTO,

#### (WINNER OF THE PHŒNIX HOTEL STAKE AT LEXINGTON, CLARK STAKE AT LOUISVILLE, TRAVERS AND KENNER STAKES AT SARA-TOGA, N. Y., ALL IN 1879).

## Will stand the season of 1883 at the Woodburn Stud, A. J. Alexander proprietor, near Spring Station, Ky., at \$50 the season. Application to L. Brodhcad, Spring Station. Annual sales of yearlings in May.

FALSETTO, by Enquirer, son of imp. Learnington, bred by the late Col. J. W. Hunt Reynolds, Fleetwood Stud, Ky., foaled 1876, dam Farfaletta, dam of Felicia, Fortuna, etc., by imp. Australian, out of Elkhorna, dam of Elkhorn Arcturus, etc., by Lexing-ton. Leamington, Enquirer, Australian and Lexington, all noted horses covering the first four crosses of the blood of Falsetto, are to be found in this book. His dam, Farfirst four crosses of the blood of Falsetto, are to be found in this book. His dam, Far-faletta, has never produced any thing but good ones. Felicia and Fortuna were both good race mares and creditable performers. Falsetto made his maiden effort at Lex-ington, Ky., May 10, first day of the Spring meeting, in Phœuix Hotel Stakes, 14 miles. Falsetto, never having started before, was ignored in the betting. Trinidad, Ada Glenn and Lilly R., were the three favorites. Ten horses started, Falsetto won, defeating Ada Glenn by a neck, Scully a good third, Trinidad, Lily R., Hamadan, Wissahickon, Bucktie, Bailey and Black Hills unplaced; time, 2:084. Falsetto's second appearance was at Louisville, Ky., May 20, in the Kentucky Derby, 14 miles; he ran second to Lord Murphy, suffering his first and only defeat. Strathmore, Trinidad, Ada Glenn, One Dime, Gen. Pike, Bucktie and Wissahickon also started ; time of race, 2:37. Same place, May 27, won the Clark Stakes, 2 miles, defeating. Bucktie, Trinidad, Mary Ann, Gen. Pike, Borak and Wissahickon ; time, 3:403. Fal-setto, with his stable companions, was sent to Saratoga at the conclusion of the Louis-ville meeting, and had nearly two months in which to rest and prepare for their enville meeting, and had nearly two months in which to rest and prepare for their engagements at that point. Saratoga, July 19, he met the hitherto invincible Spend-thrift, also Harold, Jericho and Dan Spariing, in the Travers Stakes, 14 miles. The history of the race is too well known to require repetition here. Falsetto won; Spendthrift was second, Harold third; time, 3:094, a very fast race for the track. While not detracting in the least from Falsetto's magnificent performance, it is safe to say that Spendthrift was not himself, as his wonderful race for the Lorillard Stakes, at Jerome Park, June 10, amply proved. Saratoga, Aug. 12, won the Kenner Stakes, at Jerome Park, June 10, amply proved. Saratoga, Aug. 12, won the Kenner Stakes, 2 miles, defeating Spendthrift, Jericho, Monitor and Harold; time, 3:354. Total win-nings in his three-year old year form, \$18,275. Falsetto was then purchased and sent to England by Mr. P. Lorillard, he paying \$18,000 for him; giving away in one of his legs in his preparation, he was returned to America and sold to the Woodburn Stud. Falsetto is from one of the great racing families of America, his dam, grandam and great grandam were handled but little, but all have produced winners; Mary Morris, his fifth dam, was a fine race-mare at all distances, and was the dam of the two fine race horses, Wild Irishman and Prankfort; her dam was the great grandam of Parole, and from the same blood in a direct line sprang Rattler, Childers and Sumpter, all good race-horses and stallions. Flirtilla, by Sir Archy, was out of the same family, and from her came Ringgold, the sire of Onward and Delaware. The imported Cub Mare, from which all this stock emanated, was out of Amaranthus, dam by Second, and they trace through popular racing families of England to the Layton Barb Mare. Falsetto, has four of the best racing strains in this country to begin with, and his blood is pure through a long line of distinguished horses; if racing lineage is worth multiplication of the best racing the strain of the strain o anything, Falsetto must make a successful size. He is inbred to Lexington, and has the Waxy blood on both sides. from Whalebone, winner of the Derby in 1810, to Whisker, winner in 1815, and his son Memnon, size of Envoy, won the St. Leger in 1825. He is also very strongly inbred to Diomed through Lexington, Am. Eclipse and Cabierland. Substitute a structure at the test of a sinch bidt, with a blogge in andGabriella. Falsetto is a brown, stands 16 hands # of an inch high, with a blaze in his face and snip on the nose, and four white ankles. He is a grand-looking horse, without any surplus lumber, and can scarcely fail in the stud. If he is bred to Lexing, ton mares or the daughters of Lexington mares through racing strains he will not fail,

# FECHTER (Imp.)

#### Will be located at the Fairview Stud Farm, near Gallatin, Sumner Co., Tenn., and will be permitted to serve mares at \$50 each, for the season, and \$5 to the Groom. Application to Charles Reed, Gallatin, Tenn. Annual Sales of Yearlings at Saratoga in July.

FECHTER, by Bel Demonio, son of Weatherbit, bred by Mr. W. Blenkiron, foaled 1873; dam Hilda, dam of Ursula, Ersilia, Cherry, etc., by Prime Minister, son of Melbourne, out of Ethel by Ethelbert. Fechter never ran in public, but is descended on both sire's and dam's sides from a long line of distinguished racers. Bel Demonio started in two races as a three-year-old, and won both; the Easby Triennial Produce Stakes at Catterich Bridge, beating War Dance and Revival, and a sweepstake of 50 soys, each for three-year-olds, over the Rowley mile at the Newmarket Craven Meeting. Prime Minister, the sire of his dam, was highly esteemed and thoroughly tried previous to the Derby, and was so well liked that he was backed to wiu a large sum of money; he was sire of Farfalla, Lord Burleigh, Lustre, Pastime, Sporting Life, Knight of the Garter, and other reputable runners. Ethelbert, the sire of his grandam, was by Faugh-a-Ballagh, the sire of Learnington, was a good race-horse, won the City and Suburban Handicap in 1853, after a dead heat with Pancake; he was sire of Big Ben that beat the great Dundee. Ethelbert was the best produce of his dam. Fechter, in addition to his many crosses to Highflyer, Herod and Eclipse, has a double cross of Whalebone, through his best son, Sir Hercules, each through the noted stallions, Irish Birdcatcher and Faugh-a-Ballagh, in addition to his cross of Priam through Miss Letty, an Oaks winner, one of Pantaloon and several of Orville through Emilius and Muley, and the hard bottom crosses of Buzzard and Trumpator. With such a combination of speedy and stout crosses, with size, substance and pure blood, he can scarcely fail to get racehorses. Fechter is a blood-bay, 161 hands high, with a star in his forehead. He has an excellent shoulder, fine through the heart, and an extra fine hip, back and loin. Taking him altogether, he is a remarkably fine horse.

# FOXHALL,

#### (WINNER OF THE BEDFORD STAKES AND THE BRETBY NURSERY HANDICAP PLATE AT NEWMARKET, IN 1880; THE GRAND DUKE MICHAEL STAKES, THE CESAREWITCH STAKE (HANDICAP), THE SELECT STAKES, THE CAMBRIDGESHIRE STAKES HANDICAP AND GRAND PRIX DE PARIS, ALL IN 1881.)

FOXHALL, by King Alfonso, son of imp. Phaeton, bred by A. J. Alexander, Woodburn Stud, Ky., foaled 1878, dam Jamaica by Lexington, son of Boston, out of Fanny Ludlow by imp. Eclipse, son of Orlando. Foxhall was selected and purchased for James R. Keene, Esq., by S. D. Bruce, when a yearling, and has only raced in England and France. King Alfonso, his sire, can be found in this book ; also Lexington the sire of his dam. Jamaica, his dam, was never trained, but his grandam, Fanny Ludlow, was a good racc-mare; she won a dash of 11 miles at Saratoga in 1869, in 1:56<sup>1</sup>, the fastest race ever run at the distance to that day. Mollie Jackson, his great grandam, was Vandal's best daughter; she was winner from one to four mile heats, won 3-mile heats in  $5:35\frac{1}{2}$ ,  $5:34\frac{2}{4}$ ,  $5:28\frac{3}{4}$ , the fastest three heats ever run, and the third heat unequaled to this day; she ran the ninth mile in  $1:48\frac{1}{4}$ . Foxhall made his début at the Newmarket Second October Meeting in the Bedford Stakes, five furlongs, defeating Myra, who was favorite at 3 to 1 on her, Ishmael and Mynheer. Same meeting, was second to Savoyard in the Ashley Sweepstakes, five furlongs, beating Simnel, Lamprey and Montgomerie, Newmarket Houghton Meeting, won the Brotby Nursery Handicap Plate, five furlongs, defeating Heyday, the favorite, to whom he gave 24 lbs., Accelerato and fifteen others. Heydey was the favorite; this stamped him as a first-class colt. At three years old was second to the great Bend Or in the City and Surburban Handicap, with Post Obit, Peter, Prestonpans, Petronel and seventeen others behind him. He then crossed the Channel and won the Grand Prix de Paris, one mile and seven furlongs, defeating Tristan, Albion, Fiddler and six others. The race was run in 3:17. He was returned to England, and without a gallop started in the Ascot Cup but was Newmarket First October Meeting, won the Grand Duke Michael Stakes unplaced. across the flat, 1 mile, 2 furlongs, 73 yards, beating Don Fulano, Ishmael and Maskelyne. Second October Meeting, won the Cesarewitch Stakes (handicap), 2 miles, 2 furlongs, 28 yards, carrying 110 lbs., defeating Chippendale, Fiddler, Petronel and fifteen others ; won the Select Stakes for three-year olds, Rowley mile, beating Tristan and Maskelyne. Houghton Meeting, won the Cambridgeshire Stakes, (handicap), 14 miles, carrying 126 lbs., defeating Lucy Glitters (3), 91 lbs., Tristan (3), 107 lbs., lbs., Peter (5), 140 lbs., Bend Or (4), 134 lbs., and 27 others. This is the only time in the history of the turf that the two great handicaps were ever won by one and the same horse, except when Rosebery, a four-year old, won the Cesarewitch in 1876, with 103 lbs., 7 less than Foxhall carried, and the Cambridgeshire with 117 lbs., 9 less than Foxhall carried, he only three-years old. No horse has ever won this race with the weight carried by Foxhall. He won the Ascot Gold Cup in 1882, and was defcated when out of condition, by Fiddler, whom he had beaten in several races. It is hoped that when he retires he will be returned to America.

# GLEN ATHOL (Imp.)

## Glen Athol will be located the season of 1883 at the Woodburn Stud, Spring Station, Woodford Co., Kentucky, and will be permitted to serve mares at \$50 each. Application to be made to L. Brodhead, Spring Station, Kentucky. Annual sales of yearlings in May.

GLEN ATHOL, by Blair Athol, son of Stockwell, bred by Mr. J. Johnstone, foaled 1869. "called in the English Stud Book The Reaper," dam Greta, the dam of Heather Bloom, Harvester, Maid of Tyne, by Voltigeur, out of Mountain Flower, dam of Richochet, Heather, Alpenstock, etc., by Ithuriel. Glen Athol was imported by Mr. R. W. Cameron when two years old; he was so badly injured on the voyage that he was never trained; Blair Athol, his sire, is well known as the best son of Stockwell; the latter won the 2,000 guincas and the St. Leger in 1852, and sired more winners of the great turf events in England than any other horse which ever lived, such as The Marquis, winner of the 2,000 guineas and St. Leger ; Bothwell and Gang Forward, winners of the 2,000 guineas; Lady Augusta and Repulse, winners of the 1,000 guineas; Achievement, winner of the 1,000 guineas and St. Leger; Lord Lyon, winner of the 2,000 guineas, Derby and St. Leger; Doncaster, winner of the Derby and sire of Bend Or; St. Albans, winner of the St. Leger; Caller On, winner of St. Leger and other good races. Voltigeur, the sire of his dam, was one of the few horses that won the "double event," Derby and St. Leger; is a fine improving strain of blood and noted for stoutness. Ithuriel, the sire of his great grandam, was by Touchstone, who was one of the great horses of England, and who defeated in the St. Leger, Plenipotentiary, surnamed The Lion of Doncaster, and also won the Doncaster Cup in 1835-36, and the Ascot Cup in 1836-37. The blood is as good as it can be made; in addition to the speedy crosses of Touchstone and Melbourne, his blood is fortified by that of Blacklock and Waxy through his best sons Whalebone and Whisker, Glen Athol has only covered a limited number of mares and has gotten some first-class race horses. There has not been upon the American turf for years two such aged horses as Checkmate and Glenmore, which not only possess great speed, but wonderful staying powers with ability to carry weight. Checkmate ran during the season of 1881 a series of the most remarkable races ever run by any horse in the annals of racing; he won one mile and a furlong in 1:56<sup>1</sup>/<sub>2</sub>, carrying 131 lbs.; 1<sup>1</sup>/<sub>4</sub> miles in 2:09, carrying 117 lbs.; 11 miles in 2:351, with 119 lbs.; and 11 miles in 3:011, with 124 lbs.; the history of the turf furnishes no parallel to these grand performances. Glenmore accomplished nearly as much; he won at mile heats in  $1:42\frac{1}{2}$ ,  $1:42\frac{1}{2}$ ,  $1:46\frac{1}{4}$ ; 14 miles in 2:10; 14 miles 3:104, and 24 miles in 3:584, the fastest at the distance during the year 1881.

Checkmate in 1882 won the Dixiana Stakes one mile 110 yards in 1:50<sup>‡</sup>, beating Hindoo, Fellowplay and six others, won the Swigert Stake, one mile, 118 lbs., in 1:42, beating Runnymede, etc; won the Brewer's Cup, St. Louis, 2<sup>‡</sup> miles, in 4:01, beating John Davis.

Glenmore's heats of 14 miles in 2:09, 2:10, 2:14, have never been equaled. His great race in the Bowie Stakes, four-mile, heats in  $7:29\frac{1}{2}$ ,  $7:30\frac{1}{4}$ , 7:31; the average has never been equaled in the world. Other reputable winners by him are Nannie H., Mamie H., Sagamore (Glen Ogle), Frank Short, Athol. Mattie Moore, Alec Grant, Tolima, Macedonicus, Mattie Glenn, Voltague, etc. Glen Athol is a dark chestnut, 164 hands high, with a blaze face and two white stockings behind; he is fine through the heart and shoulders and, for his chances, one of the successful sires of the day. He is by the best son of Stockwell and he traces through the blood of Waxy, Eclipse and Herod to a Royal mare.

#### Will stand for mares at the Elmendorf Stud (North Elkhorn), near Lexington, Fayette County, Ky., at \$100 the season. Application to D. Swigert, Muirs P. O., Ky. Annual sale of yearlings in May.

GLENELG, by Citadel, son of Stockwell, bred by R. W. Cameron, Clifton Stud, Staten Island, N. Y., foaled 1866, dam Babta, imp. when in foal to Citadel by King-ston, son of Venison, out of Alice Lowe, by Defence, son of Whalebone. Glenelg was Staten Island, N. Y., toaled 1866, dam Babta, imp, when in foal to Citadel by King-ston, son of Venison, out of Alice Lowe, by Defence, son of Whalebone. Glenelg was purchased by Hon. A. Belmont, in whose colors he ran all his races. Glenelg was a first class race-horse ; did not run at two years old. He made his  $d\bar{c}but$  in the Bel-mont Stakes in 1869, running second to his stable companion, Fenian, one mile and five furlongs, in  $3:04\frac{1}{2}$ . Saratoga, 1869, won the Travers Stakes,  $1\frac{3}{4}$  miles in 3:14. Same year won the Champion Stakes at Jerome Park (mile heats), beating Vespucius, who won the first heat, and five others, in  $1:48\frac{1}{4}$ ,  $1:48\frac{1}{4}$ , 1:49. Same meeting ran second to Vespucius in the Annual Stakes, 2 miles, in 3:54. Invercauld, Niagara, Blarney Stone, etc., behind him ; 1870, June 7, was unplaced in Westchester Cup, won by Helmbold,  $2\frac{1}{4}$  miles, in  $4:09\frac{1}{4}$ —Glenelg carried 119 lbs, to Niagara's 104, both four years old. Saratoga, July 14, Glenelg won the Sweep-stake for All Ages,  $1\frac{1}{4}$  miles, in  $2:18\frac{1}{4}$ , beating Maggie B. B., Niagara and others. July 15, ran third to Helmbold and Hamburg in Saratoga Cup,  $2\frac{1}{4}$  miles, in  $4:09\frac{1}{4}$ —August 16, ran third to Judge Curtis and General Yorke,  $1\frac{1}{2}$  miles in  $2:37\frac{3}{4}$ , beating Legatee and others. Baltimore, October 29, won the Bowie Stakes, 4 mile heats, in 7:47, 7:44, beating Niagara and distancing Abd-el-Kader, Nannie Douglas, Plantagenet and Carrie Atherton in the second heat ; 1871, Jerome Park, June 13, ran second to Preaknessin Westchester Cup,  $2\frac{1}{2}$  miles, in  $4:15\frac{1}{2}$ , beat second to Helmbold. This closed his turf career. While on the turf he met the best horses and at all distances, and won a large majority of his races with the top weights. He lost one car two races which he would bear won heat for on weight heilt of the races which he would bear won heat for one park to for the stakes. He would bear won here work heat of the stakes. He would bear won here weight heilt and at all distances, and won a large majority of his races with the top weights. He and at all distances, and won a large majority of his races with the top weights. He lost one or two races which he would have won but for an ugly habit of turning the wrong way as the flag fell. Citadel, the sire of Glenelg, was a good race-horse. In 1863 he won the Prince of Wales Stakes, at Newmarket, Cesarewich Course, 2 miles two furlongs 28 yards. Same meeting won Free Handicap Sweepstakes, 2 mildle miles of Beacon Course-1 mile 7 furlongs 158 yards, and ran reputably in others. Kingston, the sire of Babta, was one of the best race-horses which ever started in England; was a winner at all distances, from two years old up to five, carrying the heaviest weights and against the best horses of his day, from one to four miles. He was by Venison (son of Partisan and Fawn, by Smolensko), dam Queen Anne, by Slane. The late Mr. Wm. Blenkiron thought the Kingston cross superior to all others, and very many of his daughters were in Middle Park Stud. Gleneler is by Slane. The late Mr. Wm. Blenkiron thought the Kingston cross superior to all others, and very many of his daughters were in Middle Park Stud. Glenelg is much inbred to Waxy, through his sons Whalebone, Whisker and daughter Web, and the collateral branches are full of the blood of Eclipse, Herod, Regulus and the Godolphin Barb. Glenelg is a blood bay full 164 hands high, of grand presence, having a beautiful head and neck, running into well-set, oblique shoulders, well covered with muscle; deep, roomy chest, with good breadth through the heart; most excellent body, strong back, the ribs running close up to the hips, which are broad and well rounded, with good length, long well-muscled quarters, and great length from the point of the hip to stifle and thence to the hock, which is well shaped, tapering gradually into the shank, with most excellent legs and sound, good feet. Taking him altogether, there is not a handsomer, better-formed and more blood-like stallion in the world, with most excellent temper. There are few (if any) of his colts which are not handsome and well-shaped, and generally good feeders, with immense speed. As he could stay a distance with weight, most of his colts possess these qualities in an eminent degree. The best of his get are Ferida, the equal of any mare which ever started in America. She has won at all distances; from one to four mile heats, has met and defeated the best, her four-mile heat race in 7:32, 7:41, is not mile heats, has met and defeated the best, her four-mile heat race in 7:231, 7:41, is not Continued on page 56.

#### GLENELG (Imp.)-Continued.

only the fastest race ever run by a mare, but the average of the two heats is better than Lecompte's when he beat Lexington, and better than Fashion's when she beat Boston. Monitor, a winner at all distances, Westchester, Baltimore and Coney Island cups—1 $\frac{3}{4}$  miles, in  $3:02\frac{3}{4}$ ;  $2\frac{1}{3}$  miles, in  $4:36\frac{1}{4}$ ;  $2\frac{1}{5}$  miles, in  $3:44\frac{1}{2}$ ; the fastest ever run at the distance. Other good ones by him are Ada Glenn, Dan Sparling, Aella, Clara D, Bertha, the best mare over timber in America, Judith, Edenderry, Gladstone, Harry Gow, Jennie B, Kitty Clark, Lillie R, Mintzer, Post Guard (Gen. Philips), Strathspey, Dwnicheff, Cammie F, Glenita, Minnock, Harlequin, Vender, Mirth in England, Diana, Orion, Sally Polk, Start in England, Faustina, Vanderdecken, Glencairne, Lotta C, Glen Dudley, Glen Jorsa in England, Glendolin, Susquehanna and Saratoga in England, Alta B., Herbert (Tom Plunket), Magnate, Little Minch, Corsair, Arsenic, Heel and Toe and many others. Glenelg is very handsomely and fashionably bred, running back to Eclipse, King Herod, Highflyer blood and many times to the hard-bottomed and stout Whalebone blood. He also has, through his sire, Citadel, a cross of Glencoe through Pocahontas, the dam of Stockwell. This blood is highly prized in England, and in America it is invaluable, and will ultimately prove itself. Glenelg's stock are all handsome, blood-like, speedy and stout; but, like all the other stallions in the country, the best of his get are from Lexington mares, bred from daughters of Glencoe. Glenelg has always stood high as a sire, his stock have invariably good legs and feet, and his daughters will be of inestimable value in the stud.

# GLENGARRY (Imp.)

## Glengarry will be located for the season of 1883 at the Kennesaw Stud, near Gallatin, Tenn., and will be permitted to serve mares at \$50 each, with the privilege of returning next season if not in foal. Application to be made to Capt. James Franklin, Gallatin, Tenn.

GLENGARRY, by Thormanby, son of Melbourne or Windhound, was bred by Capt. Lane, foaled 1866, dam Carbine by Rifleman, son of Touchstone out of Troica, dam of Comfit by Lanercost. Glengarry was imported in the fatal lot on the Helvetia in December, 1866—thirty-five out of thirty-nine head were lost on the passage, and those which survived were so badly used up that they were unfit to race. Glengarry was trained, after he seemingly recovered from his injuries, and started in the Hopeful Stakes, 1868, at Jerome Park, five furlongs,  $1:06\frac{1}{2}$ , and a sweepstake, half a mile, in  $.54\frac{1}{2}$ , and was unplaced, both won by Bonny Lass. At Jerome Park, 1869, was fourth in the Belmont Stakes to Fenian, Glenelg and Invercauld, one mile and five furlongs, in  $3:04\frac{1}{2}$ , with Viola and three others behind him. Ran third in Club Purse to Vespucius and Belmont, one mile and a furlong, in  $2:08\frac{1}{2}$ , track muddy. At four years old ran second to Cottrill, in Fordham Handicap,  $1\frac{1}{4}$  miles, in  $2:12\frac{1}{2}$ , beating R. B. Connolly, Nanie Douglas, Corsican, Metarie and three others. Was unplaced in Club Purse, heats of  $1\frac{1}{4}$  miles, won by Sanford in  $3:15\frac{1}{4}$ ,  $3:17\frac{1}{2}$ , track heavy. Thormanby, his sire, although credited with a double paternity, was unquestionably by Windhound, the son of Pantaloon, by Castrel ; he won the Derby, defeating, amongst others, The Wizard, winner of the 2,000 guineas; he also won the Ascot Gold Cup in 1861 ; he was sire of Atlantic and Charibert, winners of the 2,000 guineas. Alice Hawthorne, Thormanby's dam, was the best mare of her day in England, won the Goodwood Cup in 1844 and the Doncaster Cup in 1843 and 1844. Glengarry is bred from speedy blood on the sire's side and well fortified on the dam's side by the stout crosses of Waxy, Herod and Eclipse. For his chances he has sired some good colts. Kennesaw is the best produce of his dam ; Matagorda is also a fast and good mare and winner of seven races in one year ; Pern was also a good performer and the best pr

He also won the Goodwood Cup when five years old with 130 lbs.

Kingcraft, own brother to Great Tom, won the Derby in 1870, and was second to

Hawthornden for the St. Leger. Kingcraft has been quite successful in the stud ; he sired King Shepherd, Strathblane, King Pippin, King Lear, Queen Pippin, Royal, Distel, Chevalier d'Este, Apollo, Cabul, Leap Year, King Cob, Swift, and Witchcraft, one of the greatest two-year-olds of 1882, and now one of the favorites for the Oaks, 1883. ### Will be located at the Fairview Stud Farm, near Gallatin, Sumner Co., Tenn., and will be permitted to serve mares at \$50 each, for the season, and \$5 to the groom. Application to be made to Charles Reed, Gallatin, Tenn. Annual Sales in July, at Saratoga.

HIGHLANDER, by Blair Athol, son of Stockwell, bred by Mr. Gulliver, foaled 1868. dam Bistre, the dam of Verbena, by West Australian, out of Blister, dam of Maidstone and Cheddington by Bay Middleton. Highlander, from an accident, never raced, but he is bred as fashionably and truly as it is possible to breed a horse for racing purposes. His sire, Blair Athol, was the best son of the great Stockwell. Blair Athol, won both the Epson Derby and the Doncaster St. Leger, and was the sire of Prince Charlie, winner of the 2,000 guineas, Scottish Queen and Cecilia, winners of the 1,000 guineas, Silvio. winner of both Derby and St. Leger, and Craig Miller, winner of the St. Leger. West Australian, the sire of his dam, won the triple events, 2.000 guineas, Derby and. St. Leger, and was sire of The Wizard, winner of the 2,000 guineas, and Summerside, winner of the Oaks. He was also the sire of imp. Australian, which was so successful in America. Bay Middleton, the sire of his grandam, was half-brother to Glencoe on the sire's side, won the 2000 guineas, and Derby, in 1836, and was the sire of Hermit, winner of the 2,000 guineas, Aphrodite, winner of the 1,000 guineas, and of the great Flying Dutchman, winner of the Derby and St. Leger, in 1849, Ellington and Andover, winners of the Derby. He also sired Brown Dutchess, an Oaks winner, Amsterdam, Autocrat, Fly-by-Night, Ellen Middleton, dam of Wild Dayrell, Eunice, the dam of Saunterer, Bridal, dam of Special License, and others. Touchstone, the sire of his great grandam, Hope, was one of the best race horses of his day, won the St. Leger, the Doncaster Cup, in 1835 and '36, the Ascot Gold Cup in 1836 and '37, and was the sire of Flatcatcher and Nunnykirk, winners of the 2,000 guineas, Cotherstone, winner of the 2,000 guineas. and Derby, Orlando, winner of the Derby, and Surplice, winner of the Derby and St. Leger, Mendicant, winner of the 1,000 guineas, and Oaks, Blue Bonnet, winner of St. Leger, and the great Newminster, winner of the St. Leger, whose son, The Hermit, stands at the head of winning sires in England. In addition to his crosses of Glencoe and Priam, both grand ones, he has the Whalebone and Whisker, one of which won the Derby in 1810, and the other in 1815. Highlander has three crosses of Imp. Diomed through his best daughter, Young Giantess, and crosses of Matchem through Maiden, and traces through an own sister of Eclipse to a daughter of Brimmer. The pedigree is rich in blood of the noted winners of the classic events. Highlander cov ered a few mares in England, prior to his importation, and Buz, one of his get, has been a winner. None of his colts have started in this country, but, from conformation and constitution, should make their mark. Highlander is a rich brown, 16 hands high, with white blaze in his face. He measures 78 inches around the heart, and below the knee 8 inches. He is a very fine horse through his heart and shoulders, with good body and wide strong hip, and with good mares should get race-horses, or blood from the highest racing sources is a failure.

in 2:361; was third in the September handicap, 1<sup>§</sup> miles, won by Crickmore, in 3:03, Hindoo carrying 123 lbs.

As a four-ycar-old, started six times and won five races. Louisville, Ky., won the Louisville Cup, 24 miles, in 3:574, beating Checkmate, Glidelia, Lida Stanhope and Blazes.

Won the Merchants' Stakes for all ages, one mile and a furlong, in  $1:59\frac{1}{2}$ , beating Won the Merchants' Stakes for all ages, one mile and a furlong, in  $1:59\frac{1}{2}$ , beating Checkmate, Runnymede and Creosote. Won the Turf Stakes,  $1\frac{1}{4}$  miles, in  $2:08\frac{1}{4}$ , carrying 122 lbs, beating Checkmate (aged), 123 lbs., and Creosote (4), 114 lbs. Sheepshead won the Coney Island Stakes, for three-year-olds and upwards, one mile and a furlong, in  $1:57\frac{3}{4}$ , Barrett being the only other starter; won the Coney Island Cup,  $2\frac{1}{4}$  miles, in 3:58, beating Eole and Parole. This was the best race run at the distance during the year, and compares favorably with similar races. There is no question but that Hindoo was the best race-horse which has appeared in this country for more than a decade. It is doubtful if any horse in England could have beaten him in the great classic events. Hindoo is a nicely bred horse, his blood ' combining all the best strains in England and America, his sire is by the best son of Glencoe, and he has a large infusion of Diomed blood through both sides, together with a double cross of imp. Buzzard, fortified by the stout crosses Whalebonc, Herod and Eclipse on the dam's side. We shall expect to see him a great success in the stud. Hindoo is a dark bay, 15 hands  $3\frac{1}{4}$  inches high, with large star in his forehead, right hind foot white to pastern ; he is symmetrically shaped all over or he could not have done what he did.

# HURRAH (Imp.)

Will stand the season of 1883 at the Stud Farm of his owner, John Reber, near Lancaster, Ohio, at \$30 the season. Mares not proving in foal can be returned next season. Application to John Reber, Lancaster, Ohio.

HURRAH by Newminster, son of Touchstone, bred by the Rawcliff Stud Co., foaled 1862, dam Jovial by Bay Middleton, son of Sultan, out of sis. to Grey Momus by Comus. Newminster, his sire, won the St. Leger in 1851, was son of Touchstone (winner of the St. Leger, in 1834), and the celebrated Beeswing, by Dr. Syntax, who won the Doncaster Cup in 1837 and also in 1840, 1841, and 1842, the only time any animal ever accomplished the feat, carrying in 1840 and 1841 126 lbs. Bay Middleton, sire of his dam, was winner of the Derby in 1836.

Hurrah, as a two-year old, started eleven times, won two races, was second in three, and unplaced in the others. Newmarket, won plate for two-years-olds, 5 furlongs 140 yards, beating Zephyr and six others; ran second to Tragedy in sweepstake, 5 furlongs 182 yards, beating Bessy. Shrewsbury, ran second to Peignoir in the Racing Plate, one mile, beating Procella and Teddy. Ran second to Antoinette in the Acton Burnel Stakes, three-quarters of a mile, defeating Princess Dagmar; won a Handicap plate, three-quarters of a mile, beating Usher; was unplaced in his other races. At three-year old, started twelve times, won one race, was third in one, and unplaced in the others. Won Selling Race, three-quarters of a mile, at West Drayton, defeating Little Pickles and Linus. At four years old, ran ten races, was second in one, third in two, and unplaced in the others.

Hurrah is one of the most fashionable bred sires of the present day. Independent of his good looks and soundness, he is one of the stoutest bred animals living. He is a rich bay, without white, over 16 hands high, has capital legs and feet, straight, grand action ; is also sound in every respect, being free from curbs, spavin, roaring, or any other hereditary disease. He cannot be said to have had a fair chance in the stud, as he has only covered a few good fashionable mares, being located in a section where there are not many breeders of thoroughbreds. The best of his get are Chaquita, winner of a mile in 1:441, 2 miles in 3:37, the Fordham Handicap at Jerome Park, 14 miles, in 2:114, Dill Wiggins, mile in 1:45; 2 miles, 3:36; Huckleberry, Burgoo, a winner of many races; Lady Amanda, Lady Mack, Waller, a winner with high weights ; Bonnie Lizzie, three-quarters of a mile heats in 1:15<sup>1</sup>/<sub>4</sub> and 1:14<sup>4</sup>/<sub>4</sub>, 5 furlongs in 1:024, and other good races ; Ohio Boy, Lady Middleton, Hermit, Dispute, Bonnie Ford, Reber, Louise Gwynne, Little Buttercup, Hippogriff, Lady Blandy, George IV., Nightcap, Nellie Peyton, Red Fox, Tramway, Fanny Cook, Medusa, Wauculla, Brad (Stand Off), Referee, Monk, Hostage, Maniac, and others that were winners. He has a combination of speedy and stout blood, and his daughters should prove valuable in He traces on both sides to Eclipse and Herod, through reputable horses, to the stud. the Burton Barb mare.

# HYDER ALI,

#### (WINNER OF THE CHAMPAGNE STAKES AT JEROME PARK,)

Will stand the season of 1883 at the Meadows Stud, near Carlinville, Ill., at \$50 the Season. Application to Gen. Rich, Rowett, Carlinville, Ill. Annual Sales at Chicago, in June.

HYDER ALI by imp. Learnington, son of Faugh-a-Ballagh, bred by A. Welch Erdenheim Stud, Pa., foaled 1872, dam Lady Duke, by Lexington, out of Magdalen, dam of Bonnie Lassie, Bonnie Laddie, etc., by Medoc, son of American Eclipse. Hyder Ali as a three-year old started in three races, of which he won one. Jerome Park, won the Champagne Stakes for two-year olds, three-quarters of a mile iu 1:20, bcating James, A, Finework, and six others; was beaten in a match race of \$2,500 each, threequarters of a mile, won by James A, in 1:19; was third in a dash of three-quarters of a mile, won by James A, in 1:182. He was injured in the spring of his three-year old year, and did not run again. His dam, Lady Duke, was not trained, and had only a few foals, amongst them Mary Buckley, a good mare and dam of Buckstone. Magdalen his grandam was a good race-mare, and the dam of the great race-mare Bonnie Lassie, and the horse Bonnie Laddie which had great reputation in their day. Bonnie Lassie won the Association Stakes, mile heats, and the Citizen's Stake, 2 mile heats, at Lexington, Ky., in 1857. She won many important races in the South. Gossamer, another sister to Bonnie Lassie was dam of Leather Lungs, La Rose and Gossip, the latter dam of Lida Gaines. The Sumpter Mare dam of Magdalen was the dam of Keph, and Leda both successful racers. Hyder Ali is a large, well developed horse, full 16 hands high, with great substance and power. In addition to his being a son of Learnington, he is strongly inbred on the dam's side to Sir Archy and Diomed, having six crosses of that inestimable blood upon a large infusion of Medley blood, and thence to the noted Gimcrack by Cripple, son of Godolphin Arabian (Barb). Upon the matrons of the Meadows Stud we expect to record his success.

ILL-USED by Breadalbane, own brother to Blair Athol, son of Stockwell, bred by Col. Townley, foaled 1870, dam Ellermire, dam of Elland, by Chanticleer, 2d dam Ellerdale, dam of Formosa, winner of the One Thousand Guineas, Oaks and St. Leger in 1868, by Lanercost, out of the dam of Colsterdale, by Tomboy. Ill-Used made his first appearance on the turf as a three-year old in the Belmont Stakes, won by Springbok, but getting a bad start was unplaced. He won two races out of three starts. At Saratoga won the Sequel Stakes, 2 miles in 3:40<sup>1</sup>/<sub>2</sub>, beating Fellowcraft and four others. Same place won the Kenner Stakes, 2 miles, in 3:39, beating imp. Strachino, Springbok, Waverly, Whisper, Catesby and other good horses. This closed his turf career. Breadalbane his sire is own brother to Blair Athol, and although he did not win any of the great events, the Derby or Leger, he won the Prince of Wales Stakes at Ascot, the Gratwicke Produce Stakes, 11 miles at Goodwood, and other good races. Ellermire his dam won eight races, at three-years old, including two Queen's Plates for mares. Ellerdale, his grandam, was also a winner of several important events, including the Great Yorkshire Stakes. Lanercost her sire was third in the St. Leger to Don John, and won the Ascot Gold Cup, and Cambridgeshire Handicap. He has covered only one or two mares outside of those in the nursery, and has gotten some very reputable performers. Forester won as two-years old, and in 1882 won the Withers Stake, one mile, in 1:46<sup>1</sup>/<sub>2</sub>, Belmont Stakes 1<sup>1</sup>/<sub>2</sub> miles, in 2:43, the Barnegat Stakes, 15 miles at Long Branch in 2:54, carrying 123 lbs. ; and Jersey Derby, 15 miles. Jack of Hearts, the Mid-summer Handicap at Long Branch, one mile in 1:434, the Harvest Handicap, 14 miles in 2:11, and a Club Purse, 18 mile in 1:562, beating Clara D and Parole. Other winners by him are Bellona (Jessie D), 11 miles in 2:11, 11 miles in 1:58; Olivia five furlongs in 1:01%, Mosquito, Topsy, Woodcraft, Woodflower, winner of two out of three races ; Jacobus, Felicia, Gertie M, Florimel, Delilah, Clara, Carnation, Camillus, and others, It would be difficult to find in the Stud Book, a higher bred horse than Ill-Used. He has a double cross of Whalebone through the famous Irish Birdcatcher, and five other Waxy crosses through Whisker, Web, Pyrrha, Kiss, etc., in addition to a Glencoe cross through Pocahontus and Melbourne through Blink Bonny. Ill-Used is a blood bay 15 hands 24 inches high, with a half moon star in his forehead, near fore and hind legs white to the ankle, off hind foot white around the coronet, and white hairs at the root of his tail showing his Birdcatcher descent. He is full of substance and symmetry all over, and is destined to make his mark in the stud.

# KING ERNEST (Imp.)

### King Ernest is a private Stallion in the Brookdale Stud, situated in Monmouth Co., near Holmdel, N. J., the property of D. D. Withers, Esq.

KING ERNEST by King Tom; son of the great Irish horse Harkaway, bred by Sir L. Newman, foaled 1869, dam Ernestine dam of Stockhausen, Mamhead Lass, Chilton Lass etc., by Touchstone, winner of the St. Leger in 1834, son of Camel by Whalebone, out of Lady Geraldine by the Colonel, winner of the St. Leger in 1828, son of Whisker winner of the Derby in 1815, by Waxy winner of the Derby in 1793. King Ernest never ran in public from an injury to one of his knees by falling on the pavement, but his private trials were of the best, and he was regarded as a very fast race-horse, his pedigree traces through a long line of distinguished winners, having a cross of Whalebone and a double cross of Whisker the own brother to Whalebone upon a strong foundation of the blood of Herod and Eclipse to the Byerly Mare dam of the Two True Blues. King Ernest has only covered a few mares, except those of his owners, and only a few altogether, yet he has sired some real good horses, their forte being speed. Amongst the best of his get are Jersey Lass winner of the Maryland Stakes at Jerome Park and dam of that most excellent three-year-old. Macduff ; Report, the winner of the Jockey Club Handicap at Jerome Park, two miles, in 3:361; ; four years old, carry ing 108 lbs., one of the best races ever run on this slow course, defeating McCullough St. Martin, Harold, Ferida and others. At Long Branch, won the Long Branch Handicap, 14 miles, in 2:192; carrying 110 lbs., beating Ferida (4) 107 lbs. and two others. Same place won the Shrewsbury Handicap 14 miles, 108 lbs. defeating Uncas (4) 114 lbs., Ferida (4) 105 lbs., and Danicheff (5) 100 lbs., in 3:121, and won the Monmouth Cup 115 lbs., 24 miles, in 4:07, defeating Monitor (4) 120 lbs., and Uncas (4) 121 lbs., Reporter a winner, Marathon also a winner, Gov. Shevlin, Maggie C, Kingcraft, a fast good horse, all winners. Ninus, Regicide, King Fan, Duplex, Retort. King Ernest is a blood bay; stands over 16 hands high, with small blaze in his face and snip on his nose; has broad forehead, with intelligent countenance, indicative of his amiable disposition and good temper ; neat, well-shaped head ; fine ear; jaws a little inclined to be massive ; arched and rangy neck, running into a good-shaped, but rather upright shoulder; good depth of girth, with round, well-shaped barrel ; good back and loin ; strong, wide hips, with good length from point of hip to whirlbone, and thence to the hock, which is bony and strong ; good, sound feet and legs. His daughters from his high breeding should prove valuable in the stud, and he will yet distinguish himself as a sire. To perpetuate the King Tom cross he should be bred to the daughters of Phacton, King Ban, Great Tom, or to the daughters of King Alfonso and Ten Broeck.

## LEVER

### Will stand the scason of 1883 at the Elmendorf Stud, D. Swigert, proprietor, near Lexington, Ky., (if not sold) at the season. Application to D. Swigert, Muir's Post Office, Fayette Co., Ky. Annual sales of yearlings in May.

LEVER by Lexington, son of Boston, bred in the Woodburn Stud, Kentucky, foaled 1863, dam Levity, dam of Ruric, Legatee, &c., by imp. Trustee, son of Catton out of Alaric's and Vandal's dam by imp. Tranby. Lever was never trained, having been injured in one of his hocks when a yearling, but from his high breeding and the racing qualities of the family, he would doubtless have been a superior race-horse. He is by the emperor of stallions, Lexington (admitted to have been not only the best race-horse this country has ever produced, but its most successful stallion); dam Levity (dam of Ruric, Lightsome, Mildred, Legatee, &c.), by imp. Trustee, who was a good third for the Derby in 1832, won by St. Giles, beating Margrave, who won the Doncaster St. Leger the same year, in which Trustee was again third ; Trustee by Catton (son of Golumpus), dam Emma, by Whisker (own brother to Whalebone), Web, Woeful, &c., by Waxy). Trustee was a most successful sire, having gotten the renowned Fashion, who distanced Boston and afterward beat him in the great sectional match, the North against the South, for \$20,000 a side, run on the Union Course, Long Island, May 10, 1842, in 7:321/2, 7:45, which was the fastest and best race run to that day Reube, Revenue and other good ones. 2d dam Vandal's dam by imp. Tranby (son of Blacklock, by Whitelock). Blacklock was a distinguished race-horse in his day, starting in twentythree races and winning seventeen. He was equally as famous in the stud, having sired such horses as Brutandorf, Buzzard, Brownlock, Belzoni, Laurel, Malek, Velocipede, Voltaire, Belshazzar and Tranby. Tranby's dam was by Orville, winner of the Doncaster St. Leger in 1802. He started in no less than thirty-nine races. winning twenty two, the most of them at four miles and over. He was also one of the most distinguished stallions of his day, being the sire of the great Emilius, Master Henry, Bizarre, Souvenir, &c. For many years, Lever was in an obscure neighborhood in Scott County, Ky., and covered no thoroughbred mares. Finally, by mere accident, Sally of the Valley was bred to him, and produced Essillah, who won twelve races in one season. He sired Leveler, a capital race-horse, winner of the Clark Stake, at Louisville, 2 miles in 3:37, Merchants Stake, at St. Louis, mile heats, in 1:45, 1:45 1:51, Milon won first heat, and the Viley Stake, at Lexington, 134 miles in 3:071/2, and the Kentucky St. Leger Stake, two miles at Louisville in 3:421, Lou Lanier a fine race-mare and good winner in fast time, Mahlstick, winner of Louisville Cup, 21 miles in 4:071/2, Greely Stakes, St. Louis, three miles in 5:40, one mile and furlong in 1:561%, and three miles in 5:33. Other good ones, all winners, by him, are Sweetheart, Petrel, La Gloria, Lamartine, Okolona, Louise, Harry Mann (Punch), Palanca, Maj. Hughes, and a few others. The colts by him are about the best the mares ever produce, and the few good mares he served, produced good race-horses. A careful analysis of Lever's pedigree, will show that he not only possesses the stoutest and speediest blood of our native stock, but traces through the collateral branches on the dam and sire side to that grand old mare, Lady Grey, from which so many distinguished race-horses, stallions and brood mares have descended. He has also a large infusion of the blood of Diomed, Highflyer, Herod and Eclipse. He stands 15 hands 21/2 inches high ; has a neat, well-shaped head, fine ears, good, strong neck running into most excellent, well-set shoulders; great depth of girth; good, strong, well-muscled back, with round, well-ribbed body; strong hips, with good length of whirlbone, stifle and thence to the hock; he has Tranby legs, which look as hard and firm as whalebone with good, sound feet.

#### Will stand the season of 1883 at the Woodburn Stud Farm, near Spring, Ky. at \$50 the season. Application to L. Brodhead, Spring, Ky., Annual sales of yearlings in May.

LISBON by imp. Phaeton son of King Tom, bred by Richard Ten Broeck, foaled 1874, dam imp. Lady Love by Stockwell or Caterer, son of Stockwell, second dam Chere Amie by Sweetmeat, out of Blame by Touchstone. Phaeton will be found in this volume, his dam Lady Love was a winner in England at two-years old, and won the Stewards Cup at Chester at four-years old, Chere Amie her grandam was also a racemare and winner. Caterer the reputed sire of Lady Love was a good race-horse, he won the Findon Stakes at Goodwood when two-years old, defeating Wingrave, Alvediston, Kaiser and others, and was second to the Marquis in the 2000 guineas with Alvediston, Wingrave and thirteen others behind him. Sweetmeat the sire of his grandam, was a superior race-horse, won the Queen's Vase at Ascot, and the Doncaster Cup in 1845, he was the sire of Mincepie and Mincemeat, both Oaks winners, and Macoroni winner of the Derby and 2000 guineas, and second in the list of winning sires in 1882. Touchstone the sire of his great grandam Blame, won the St. Leger, the Ascot Gold Cup in 1836-37, and the Doncaster Cup in 1835-36, and was second to no sire of his day. Lisbon started three times as a two-year old and won one race. At Louisville, Ky., won the Alexander Stakes, half mile, in :492, beating McWhirter and seven others. Was third in the Colt Stakes at Lexington, Ky., three-quarters of a mile, King Faro and McWhirter running dead heat for first place, in 1:182. In this race Lisbon beat Allen Pinkerton, Headlight, Planetarian and Edingburg. Was third in the Belle Meade Stakes at Louisville, three-quarters of a mile, in 1:17, won by McWhirter, Baden-Baden second. As a three-year old he started only twice, and was unplaced in both of his races. Only a few of Lisbon's get have appeared on the turf, but the performances of Ripple alone have made him conspicuous as a sire. Ripple, the season of 1881, won seven of his eleven starts. He won the Long Branch Handicap, 1<sup>‡</sup> miles, in 2:10<sup>‡</sup>, beating Checkmate, Parole and Sir Hugh; also the Shrewsbury Handicap, 14 miles, in 3:094. In this race he carried a penalty of 5 lbs. and 3 lbs. overweight. He unfortunately died that winter. Lisbon is a red bay, full 151 hands high, with a blaze face and four white ankles, he is a horse of immense substance and power, and in conformation second to none, is very muscular like all of Phaeton's sons, and great constitution. In addition to his double cross of Glencoe through King Tom and Stockwell, he has a double cross of Touchstone on each side, four or five crosses of Waxy through Economist and Emma by Whisker and Camel and Sir Herculus by Whalebone, fortified by the blood of Herod through the famous Highflyer, and Eclipse through Pot-8-os and King Fergus. The blood is worth preserving through the grandaughters of Phaeton and daughters of Great Tom, King Ban and King Ernest.

#### LUKE BLACKBURN-Continued.

At 4 years old started in two races. Jerome Park, won club purse, one mile, in 1:45, beating Topsy and Potomac. Was unplaced in Coney Island Cup won by Glenmore in 3:584. This closed his racing career. Nevada, the dam of Blackburn, won the West End Hotel Stakes at Long Branch

Nevada, the dam of Blackburn, won the West End Hotel Stakes at Long Branch in 1872; she is own sister to Salina, winner of the Monmouth Oaks, Jersey St. Leger and Robins Stakes at Long Branch in 1871, and of Sprightly, the dam of the great race-horse Volturno, by imp. Billet, winner of the Breckenridge Stakes at Baltimore in 1879, two miles, in  $3:35\frac{1}{4}$ ;  $1\frac{4}{4}$  miles in  $3:08\frac{1}{2}$ , and the Louisville Cup the year 1880, and of Elias Lawrence who won the Baden-Baden Handicap, three miles, at Saratoga same year, in  $5:28\frac{1}{2}$ , the fastest race ever run by a three-year old at the distance. Crucifix, another sister, is the dam of Fairplay and Quito. Levity, the great grandam of Blackburn, was the dam of Lever, Legatec, Breuna (the dum of the fine race-mare Bradamante). and of Ruric, by imp. Sovereign, who won two prominent stakes at Lexington, Ky., when three years old, and was sold for \$5,000, a high price in those days. The Tranby mare, his fourth dam, was the dam of the great race-horse and superior stallion Vandal, (who won three-mile heats in 5:36, 5:33). Alaric (who was the first horse that ever run two miles in the thirties in America; this he did at Lexington, in 1845, winning a second heat in 3:30, Atala and Volga, etc. Blackburn is a light bay, with large star and two white ankles behind; he stands,

Blackburn is a light bay, with large star and two white ankles behind; he stands, fairly measured, 15 hands and  $2\frac{1}{2}$  inches high, has a fine, well-shaped head, with great breadth of forehead, indicating much brain power, well-set on a good-shaped neck with very wide throttle; his shoulders are well-set and oblique, the shoulder blade being very broad, with great depth of girt, and his body is large, well-ribbed home to very broad, strong and muscular hips, with great length from point of hip to whirlbone, and thence to stiffe and hock he has good bone, broad knees and excellent hocks; measures  $69\frac{1}{2}$  in. around the girth; length of shoulder,  $27\frac{1}{2}$  in.; around the arm, 19 in.; below the knee, 8 in.; from point of shoulder to point of buttocks, 64 in.; from hip to point of hock, 38 in.; around gaskins, 17 inches

His pedigree is a happy combination of speedy and stout crosses, being much inbred to Diomed through his best son Sir Archy, and from the family which produced Lexington and Vandal. If high form and racing ability, with faultless action coupled with high breeding and tacing descent are tokens of excellence, Luke Blackburn is the peer of any horse living, and must prove an invaluable stallion.

## MOCCASIN (Imp.)

#### (MOCCASIN, IS OWNED BY MR. P. LORILLARD OF THE RANCOCUS STUD, NEAR JOBSTOWN, BURLINGTON CO., N. J., AND HAS ONLY SERVED A FEW MARES OF THE OWNERS WHICH WERE UNCER-TAIN BREEDERS, HE IS FOR SALE AND CAN BE PURCHASED ON APPLICATION TO COL. S. D. BRUCE, "TURF, FIELD AND FARM," N. Y.)

Moccasin, by Macaroni, son of Sweetmeat by Gladiateur, bred by Mr. H.W. Deacon, foaled 1874 and imported by Mr. Lorillard when a yearling; dam Madame Strauss, dam of Rawcliff and Ormelic, by King Tom, son of Harkaway, out of Jetty Treffz, by Melbourne, son of Humphrey Clinker, by Comus. Macaroni the sire of Moccasin, won the 2,000 guineas and the Derby in 1863 and is the sire of Spinaway, winner of the 1,000 guineas and Oaks, Camelia winner of the 1,000 guineas, and of Macheath the best two-year-old in England this year, 1882, and now favorite for the Derby. Sweetmeat, Macaroni's sire, was by Gladiateur second to Bay Middleton in the Derby. Sweetmeat was a noted race-horse, ran twenty-four times as a two and three-year-old, and met but one defeat, he won the Doncaster Cup and other important events. Moccasin has a double cross of that popular blood Pantaloon, which is famous for speed and staying qualities, and is a true racing strain. Pantaloon's son Van Amberg was second to Coronation in the Derby, and Sitirist, another son, won the St. Leger, beating Coronation; he is sire of Ghuznee winner of the Oaks and of Cardinal Puff, Elthiron, Hobbie Noble, The Riever, second to West Australian in the St. Leger, Hernandez, winner of the 2,000 guineas, and of Windhound, the sire of Thormanby. Leamington was out of a daughter of Pantaloon. King Tom the sire of his dam is too well known to need comment, sufficient to say he was by Harkaway out of Pochahontas, the dam of Stockwell and Rataplan, by Glencoe. His grandam is by Melbourne, sire of West Australian, winner of the double events, Derby and St. Leger, Blink Bonny winner of the Oaks and Derby, and the dam of Blair Athol winner of the Derby and St. Leger, Sir Tatton Sykes winner of the St. Leger, Cymba and Marchioness winner of the Oaks. The Melbourns are remarkble for size, substance and soundness, large bone and racing shape. Moccasin never raced, but from his colts, all out of mares the refuse of his owner, has sired some very reputable performers. Vampire and Faith won six races out of twenty-four starts in 1881. Vampire three, carried 140 lbs., and ran a mile 1:461. The two-year-old P. Lorillard, has won four races out of seven starts this year, 1882. Amazon and Disdain are both creditable performers, Disdain won Optional stakes. He is a dark bay or brown with great substance and power, fine temper and full 16 hands high. He should be invaluable to perpetuate the King Tom strain of blood through the descendents of Phaeton, King' Ban and Great Tom.

## MONARCHIST,

#### (WINNER OF THE ANNUAL STAKE, 1871, MATURITY STAKE, 1872, AT JEROME PARK, AND METIARIE CUP, AT NEW ORLEANS,)

#### Will be located the season of 1883, at the Elmendorf Stud (North Elkhorn), near Lexington, Ky., and will serve mares at the season. Application to D. Swigert, Muir's Post Office, Ky.

MONARCHIST by Lexington, son of Boston, bred by A. J. Alexander, Woodburn Stud, Spring Station, Ky., dam Mildred, dam of Minx, Stamps, Sultana, etc., by imp. Glencoe, son of Sultan, out of Levity, Ruric's dam by imp. Trustee, son of Catton. Monarchist is bred to the mark, having in his veins the blood of the best-known racing Through Lexington, his sire, he is decended through the best racing families. strains of this country, from imp. Diomed, the winner of the first English Derby, in 1780. Out of his grandam Levity, came Ruric, Lightsome, Brenna, Lever and Legatee—all horses of note. Lightsome is the dam of Sprightly (Volturno's dam), by Lexington, and of Nevada, the dam of Luke Blackburn and other good ones. His third dam was the dam of Vandal, a race-horse himself and sire of the great Virgil, first. on the list of winning sires in America in 1881, and sire of Hindoo. Monarchist was himself a good race-horse, as would be expected from such a combination of blood, and has performances to his credit worthy of the best. He made his first appearance in public as a three-year-old, when he started eight times, and won four races. At Jerome Park, Oct. 14, 1871, he won the Annual Sweepstakes, 2 miles, in 3:53<sup>1</sup>/<sub>2</sub>. Same place, won the Grand National Handicap, 2<sup>1</sup>/<sub>4</sub> miles, in 4:09. Won the Post Stake at New Orleans, two mile heats, in 3:521, 3:491, beating Foster and Sentinel. As a four-year old he started nine times and won eight races. At New Orleans, April 13, won the Grand Inaugural Post Stake, two mile heats, in 3:39, 3:44, beating Frank Hampton, Nellie Ransom and three others. Same place, April 16, won Louisiana Stakes, 2 mile heats, in 3:441, 3:40. Same place, won the Metairie Cup 2 miles and a quarter, in 4:12, beating Barney Williams, Nellie Ransom and Wanderer. At Baltimore, Oct. 22, won dash of three miles in 6:013. Jerome Park, Oct. 2, won Maturity Stakes, three miles, in  $5:34\frac{1}{2}$ , defeating the great Bassett. Oct. 12, won dash of 4 miles in 7:33<sup>1</sup>/<sub>2</sub>, beating Harry Bassett and King Henry. This closed the turf career of Monarchist. He was relegated to the stud, and has covered only a very limited number of mares. The best of his get are Little Ruffin, winner of the Tobacco Stakes, at Louisville, Ky., mile heats in 1:44<sup>8</sup>, 1:44<sup>8</sup>, Fireman (Montreal), Marchioness, a mile in 1:41, Mate, ch. f. Miss. Hardaway, Experiment, Storey, winner of Chicago Stakes, 11 miles, Una B, Josie H (Louise d'Or), Frankie B, winner of nine races out of fifteen starts as two-year-old, a mile in 1:45, and winner of the U. S. Hotel Stake at Saratoga, 1<sup>1</sup>/<sub>2</sub> miles in 2:40<sup>1</sup>/<sub>2</sub>, beating Apollo Boatman, etc., Ida B, John Sullivan (Darley), Monte, Monarch, three-quarters of a mile in 1:14, mile 1:44; Green Stakes at Louisville, and Dixie Stakes at Baltimore, 2 miles 3:44; track heavy. Aristocrat, a winner in England. The family is one of the great racing ones of America. The horses have been large winners on the turf, and successful sires, and the mares have almost uniformly been successful and paying investments as brood mares. So if a racing strain is worth anything. Monarchist must be a successful sire with the strong infusion of Archy blood on both sides, and he is much inbred to the great English Eclipse. Monarchist is a beautiful bay, 16 hands, with a large star in his forehead and snip on his nose, both fore and near hind pasterns white, and is almost a finished model of a race-horse, no extra lumber, but clean-cut and highly finished. A little inbrecking from him will serve to perpetuate one of the best racing families in the world.

An analysis of his pedigree will show that Mortemer is finely bred, and traces to some of the best race and hardest bottomed horses in England, being inbred to such famous horses as Whalebone, Orville, Sir Peter Teazle, Eclipse and Highflyer. Emilius, the sire of his grandam Eusebia, not only won the Derby in 1823, but sired Plenipotentiary and Priam, both Derby winners, and a host of other good ones; in his collateral branches he traces through a host of Derby and St. Leger winners, to the family of Diomed, the winner of the first Derby ever run. St. Christophe won the grand Prix de Paris, 1877, and other races. Vernueil was winner both in England and on the Continent; he won the Gold Vase, Gold Cup and the Alexandra Plate at Ascot in 1878. The only time it was ever done by one and the same horse. Clementine won ten races in 1880 and '81, many of them importants events with top weights. The others mentioned were all winners on the Continent.

Mortemer is a large, fine chestnut horse, standing  $16\frac{1}{2}$  hands, with a large star and short white stripe in his face, and one white hind foot to the ankle. His head is plain, but well shaped and bony, with good ears, and wide, capacious throttle; his neck strong, deep, and broad, running into well placed, oblique shoulders, with ample muscle to work the same; great depth of chest, good, strong, short, muscular back, with broad and strong, hips, and great length from the point of hip to whirlbone, thence to stiffe and hocks, which are clean cut and well shaped. His legs and feet are good and sound, except the foot which was injured during his turf career. His temper is of the best. The colts by him in America now only yearlings are very fine and promising.

## MUSCOVY (Imp.)

Muscovy will be located at the Fairview Stud Farm near Gallatin, Sumner Co., Tenn., and will be permitted to serve mares at \$50 each and \$5 to the groom. Application to be made to Charles Reed, proprietor, Gallatin, Tenn. Annual sale of yearlings at Saratoga, in July.

Muscovy by The Drake, son of the great Stockwell, bred by Her Majesty the Queen: foaled spring of 1873, dam Lady of the Manor, the dam of Athbania, Bluestone, etc., by Voltigeur, winner of the double events, Derby and St. Leger; 2d dam Hersey, the dam of Bay Celia, Desdemona, etc., by Glaucus, winner of the Gold Cup at Ascot and Good wood Stakes and sire of Refraction, winner of the Oaks Stakes at Epsom, out of Hester dam of Palmyra, Chatham, The Nabob, etc., by Camel son of Whalebone and sire of the great Touchstone, Launcelot, etc. The Drake, sire of Muscovy, was a winner in his two and three-year-old form and is a stoutly bred horse, being a son of the Emperor of stallions, Stockwell, and out of a daughter of Pyrrhus the First, a Derby winner, and his great grandam a daughter of Jerry, a St. Leger winner. The Provost, the sire of his grandam, ran a dead heat for second place in the St. Leger won by Charles XII. He has a double cross of Waxy through the brothers Woful, Whisker and Whalebone. Muscovy is bred for speed and stoutness, the pedigree on both sire and dam's side tracing through a long line of distinguished performers in the great Classic events, and is full of Eclipse and Herod blood through their most famous sons, Pot-80-s and Highflyer, upon the favorite Oriental sources, Godolphin Barb and Darley Arabian. Muscovy never raced; but some of the best sires, for causes, made no reputation on the turf. Muscovy is a very dark brown horse, full 16 hands high, with black points. He is truly shaped all over and full of substance and quality.

## NORFOLK,

#### (WINNER OF THE JERSEY DERBY AT PATERSON, 1854.)

#### Norfolk will stand the season of 1883 at the El Aroyo Stud Furm, Winters, Yolo Co., California, only by private contract. Theodore Winters, proprietor, Winters, Yolo Co., California.

NORFOLK by Lexington son of Boston, bred by the late R. A. Alexander, Woodburn Stud, foaled 1861, dam Novice by imp. Glencoe out of Chloe Anderson by Rodolph, son of Sir Archy Montorio, by Sir Archy. - Norfolk did not run at two-years old, but made his debut at St. Louis, May 16th, 1864 in the sweepstake for three-year olds, mile heats which he won in 1:46<sup>1</sup>/<sub>4</sub>, 1:47, beating Tipperary and four others. June 7th, 1864, won the Jersey Derby at Paterson, N. J., 11 miles, in 2:461, defeating Tipperary and ten others. May 23d, 1865, won two mile heats at San Francisco, California. beating Lodi, in 3:434, 3:424, 3:514. September 18th, 1865, Sacramento, California, won two mile heats, beating Lodi in 3:371, 3:381. Same place September 23d, 1865, won match three mile heats, beating Lodi in 5:271, 5:291, the fastest and best two heats ever run. Lexington the sire of Norfolk was the best race-horse and stallion ever bred in America. Norfolk is the peer of his best son if not the best one. His dam Novice was a fine race-mare and daughter of the great Glencoe, his grandam Chloe Anderson was by Rodolph the best race-horse of his day; he met and defeated all comers ; beat Angora in the great match between Kentucky and Tennessee, four mile heats and won a second heat of three miles, in 5:40, the fastest ever run at the distance to that day 1836. Norfolk in addition to being a son of the great Lexington and a Glenooe mare, is full of Archy and Diomed blood being very much inbred to those famous horses. Boston the sire of Lexington was by Timoleon by Sir Archy by Diomed. Boston's dam by Ball's Florizel son of Diomed, Lexington's grandam was by Sumpter son of Sir Archy by Diomed, Novice, Norfolk's dam by Glencoe, his grandam Chloe Anderson by Rodolph, by Sir Archy Montorio by Sir Archy by Diomed, Sir Archy Montorio's dam Transport by Virginius by Diomed, Belle Anderson his great grandam was by Sir Archy of Transport by Sir Archy by Diomed, dam Transport by Virginius, by Diomed, and her dam Butterfly was by Sumpter, by Sir Archy, by Diomed. Much of his excellence comes from this hard bottomed blood. Norfolk is a bay, truly shaped all over, and for his chances an excellent sire, the following of his get have been winners : Bill Hazel, Emma Skaggs, Winters, Maid of the Mist, Scamperdown, Boston, Dice Box, Ballot Box, Snap, Twilight, Vanderbilt, Bradley, Morphine, Connor, Trade Dollar, Flood, Ralston, Duke of Norfolk, Lonesome, and Duchess of Norfolk, one of the best three-year olds of the year. Won, 14 miles, in 3:04. The blood from the large infusion of Diomed in it should be valuable. He never lost a race.

# ONONDAGA,

### (WINNER OF THE JUVENILE STAKES AT JEROME PARK, JULY STAKES AT LONG BRANCH, AND KENTUCKY STAKES AT SARATOGA, 1881.)

Will be used as private stullion in the McGrathiana Stud, near Lexington, Fayette County, Ky., Milton Young, proprietor. Annual sales of yearlings in May.

ONONDAGA by imp. Learnington, son of Faugh-a-Ballagh, bred by Mr. A. Welsh, Erdenheim Stud, Pa., foaled 1879, dam Susan Beane, dam of Stratford, Sensation, &c. by Lexington out of Sally Lewis, dam of John Morgan, Hunter's Lexington, Acrobat, &c., by imp. Glencoe. Onondaga as a two-year old started in nine races, of which he won four; Jerome Park, won the Juvenile Stakes, half a mile in 501, beating Gerald, Memento and twelve others ; Sheepshead Bay, won match three-quarters of a mile in 1:15<sup>1</sup>/<sub>2</sub>, beating Sachem ; Monmouth Park, won the July Stakes for two-year olds, five furlongs in 1:021, beating Gerald, Memento and three others; Saratoga, won the Kentucky Stakes for two-year olds, three-quarters of a mile in 1:16, beating Nightcap and Glenarm ; Sheepshead Bay was second in the Surf Stakes for two-year olds, five furlongs, won by Stonehenge Julietta Colt, in 1:031; at Monmouth Park, was third in the August Stakes for two-year olds, three-quarters of a mile, won by Stonehenge Julietta Colt, in 1:16, and was unplaced in his other races. Onondaga complaining in his legs was retired ; he is from one of the great racing families of America, is own brother to Sensation, the invincible horse of his year, his dam is own sister to Acrobat and Hunter's Lexington, and half-sister to John Morgan; all were good race-horses, and for their chances, successful sires. The pedigree is wellfortified with Archy and Diomed blood, upon the Eclipse and Herod, and traces through the dam of Medoc to the family which gave Lexington and other famous horses to the country. Onondaga is a chestnut, 15<sup>2</sup> hands, large star in his forehead, and snip on the nose, with white hairs in his flanks, left hind foot white above the ankle; he is a good shaped horse, and was quite speedy; the family is a racing one, and upon good mares should reproduce itself.

## PLENIPO

### Will stand the season of 1883 at the Richland Stud, near Nashville, Tenn., at \$25 the season. Application to B. F. Cockrill, proprietor, Nashville, Tenn.

PLENIPO by imp. Bonnie Scotland, son of Iago, bred by B. F. Cockrill, Richland stud, Tenn., foaled 1874, dam Dora by imp. Australian, son of West Australian, our of Lindora by Lexington, son of Boston. Plenipo was one of the most promising colts in Tennessee, but like many others, his trainer was not satisfied with good work and great speed, so he fell a.victim to too many trials, the fate of very many good horses. At three-year old ran second to Melvern in Commercial Hotel Stake, at Nashville, 14 miles in 2:14, track heavy; in this race, Felicia, Joe Burt, Alice Murphy and two others were behind him. Complaining he was laid up and started in one race, when six years old, and was unplaced. Plenipo was named from his striking resemblance to the famous Lion of Doncaster, Eng., Plenipotentiary, and is from one of the racing families of America, from it came Picayune, the great grandam of Plenipo, she was a fine race-mare, and the dam of the famous race-horses Doubloon, Florin, Louis D'or, she was also the grandam of Quartermaster, the great grandam of Madge, Ventilator, and the great grandam of Vagrant, Bounce, Ella and other good ones. He has an infusion of the blood of Tramp, Buzzard, Plenipotentiary and Whalebone, through Bonnie Scotland, and the Melbourne, Emilius and Whisker blood through Australian, which is well fortified through his dam with Archy and Diomed, and doubled on that of the Godolphin Arabian (Barb). Plenipo is a chestnut, with white stripe in his face, and very much resembles the pictures of the great English horse, Plenipotentiary, hence his name. He is full of substance and quality, with good legs and feet, and taking him all over it would be difficult to find a finer specimen of a race-horse.

# POWHATTAN,

(OWN BROTHER TO PAROLE),

#### Will stand the season of 1883 at the Woodburn Stud, A. J. Alexander, proprietor, near Spring, Woodford County, Ky., at \$50 the season. Application to L. Brodhead, Spring, Ky. Annual sales of yearlings in May.

POWHATTAN by imp. Learnington, son of Faugh-a-Ballagh, bred by Mr. A. Welch, Erdenheim Stud, Pa., foaled 1879, dam Maiden, dam of Parole by Lexington, son of Boston, out of Kitty, Clark by imp. Glencoe. Powhattan started in only one public race, that at Long Branch, meeting with an accident he was unplaced. He was considered quite promising, and ran a very fast trial at Jerome Park, in the spring. Learnington, his sire, can be found in this Vol. Parole, his own brother, has been one of the noted popular favorites of the Turf. After racing in his three, four and five-year old form in this country, he was sent to England, and won the Newmarket Handicap, last 1<sup>1</sup>/<sub>2</sub> miles of the Beacon Course, beating the great Isonomy, Lina and three others. He won the City and Suburban handicap, 11 miles, 119 lbs., beating Rdiotto, Cradle and fifteen others, and the great Metropolitan Stakes (handicap), 24 miles, 124 lbs., beating Castlereagh; the Great Cheshire Handicap Stakes, 11 miles, carrying 134 lbs., defeating Reefer, Sir Joseph, Ridotto and four others, and also won the Epsom Gold Cup, 14 miles, 125 lbs., beating Alchemist and Primrose. The family has always been a successful racing one. Maiden, his dam, won the Travers Stakes at Saratoga; the grandam and great grandam were all winners, and from the stock have come such horses as Mary Morris, Wild Irishman, Frankfort, Falsetto, Felicia, Fortuna, Sumpter, Childers, Rattler, Ringgold, Flirtilla, Mary Wynn, Tom Kimball, Cassandra, The Countess, Turco, John Bascomb, Helen Mar, Ann Merry, Tiger, Ann Innis, Hebron, Meteor, George Kinney, and in the early days of racing, Old Slamerkin. Then on the score of blood and racing lineage, Powhattan should commend himself to the public. Powhattan is a solid bay, with large star, left fore and right hind ankles white, his head is bony and expressive, with large, full eyes, high at the withers like his noted brother, good barrel, great depth of girth, with good loin and fine coupling, and has the Lexington hind leg; he is 16<sup>1</sup>/<sub>2</sub> hands high : whilst he has not the racing record of his great brother, he is a Learnington from a racing family on both sides, and as all the Learnington's are successes in the stud, he should be. Flying Childers electrified the world by his brilliant racing career, but his brother, Bartlet's Childers, excelled him in the stud, as also did Cade, his famous racing brother, Lath. Powhattan is much inbred to Sir Archy and Diomed, and traces back without a flaw, through Amaranthus dam to the Layton Barb Mare.

RAYON D'OR (Ray of Gold), by Flageolet, son of Plutus, bred in Dangu Stud, France, foaled 1876, dam Araucaria, dam of Chamant, Camelia, etc., by Ambrose, son of Touchstone, out of Pocahontas, dam of Stockwell, Rataplan, King Tom, etc., by imp, Glencoe. Rayon d'Or made his debut in England as a two-year old by winning the Levant Stakes, half a mile, at Goodwood, carrying 122 pounds, beating Plavius, Galantha and two others, At Doucaster, in September, he won a sweepstake, at at three-quarters of a mile, with 129 pounds, beating Charibert and Reconciliation At the Newmarket Second October Meeting won the Clearwell Stakes, carrying 131 pounds, with such horses as Ringleader and Bay Archer, 122 pounds each, second and third, and three others; the Glasgow Stakes, at the Newmarket Houghton Meeting, three-quarters of a mile, beating Ringleader and Glencairn. During the winter and spring which followed, Rayon d'Or was much fancied both for the 2,000 guineas and Derby, but his running was a disappointment. He was third to Charibert and Cadogan for the 2,000 guineas, and was unplaced for the Derby, won by Sir Bevys. At Ascot, on the first day, he was third for the Prince of Wales Stakes, to Wheel of Fortune and Adventure, but on the third day he won the St. James Palace Stakes with 122 pounds, over the severe "Old Mile," beating Charibert, Ruperra and seven others. At Goodwood Rayon d'Or won the Sussex Stakes, one mile, beating Ruperra, Leap Year and Exeter, and won the great Doncaster St. Leger, Ruperra second and Exeter third, and fourteen others unplaced, including the winner of the Derby, Sir Bevys. The next day Rayon d'Or "walked over" for the Zetland Stakes, Mr. Crawfurd's Pell Mell Colt saving his stake. At the Newmarket First October Meeting won the Great Foal Stakes with 131 pounds, beating Discord, Palmbearer and three others, but at the same meeting was beaten by Bay Archer for the Newmarket St. Leger, he yielding 7 pounds, after which Rayon d'Or vsute Stakes, Rowely Mile, beat ing Discord and three others

Flageolet, his sire, was a superior race-horse. He won his first race in France at two years old, defeating a large field. Won the Hopeful Stakes, one-half mile, at Newmarket, 128 pounds; won the Rutland Stakes, three quarters of a mile, 129 pounds, beating His Grace and two others; won the Forlorn Stakes, Rowley mile, 128 pounds, beating Lord Mayo, 122 pounds; won Burwell Stakes, 5 furlongs, 128 pounds, defeating Amalie Von Edelreich, 122 pounds, was unplaced in Middle Park Plate, won by Surinam. As three-year old ran second to Boiard in the Prix du Jockey Club (French Derby), and second to him in the Grand Prix de Paris in 1873. He was also second to Apollon in the Prix du Cèdre, same year. Crossing the channel, he was unplaced in the 2,000 guineas, won by Gang Forward; ran second to Cremorne in the Gold Cup at Ascot; won the Goodwood Cup, in which he beat both Favonius and

#### RAYON D'OR (Imp.)-Continued.

Cremorne, the Derby winners of 1871 and 1872. He ran second to Uhlan in Brighton Cup; won the Grand Duke Michael Stakes at Newmarket First October Meeting; won a free handicap sweepstakes across the flat, and the Jockey Club Cup at the Newmarket Houghton Meeting. As a four-year-old he ran second to Boiard twice in France; won the Claret Stakes at Newmarket, England; was second to Boiard in the Gold Cup, and third to King Lud and Boiard in the Alexandra Plate, both at Ascot. This closed his turf career. Plutus, his sire, was unplaced in the Derby of 1866, but won some races and ran creditably in others.

Araucaria, Rayon d'Or's dam, was the dam of Camelia, winner of the 1,000 guineas, and ran a dead heat and divided the Oaks Stakes with Enguerrande. Chamant, by Mr. Lorillard's Mortemer, out of Araucaria, won the Middle Park Plate and the Dewhurst Plate in England at two years old, and at three won the 2,000 guineas. The blood on the sire side is a combination of Touchstone through Orlando, a Derby winner, Bay Middleton, son of Sultan, a Derby winner, Venison and Glencoe, through Darkness, a winner of the Ascot Stakes. On the dan's side Touchstone, St. Leger winner, Priam, Derby winner, and Glencoe, through Pocahontas, dam of Stockwell, Rataplan, King Tom, etc. An analysis of the tabulated pedigree will show that he is richly and fashionably bred; he has a double cross of Glencoe, a triple cross of Diomed, a double cross of Touchstone, fortified by the blood of Whalebone, doubled in upon the Herod and Eclipse blood on both sides to the Byerly Mare, dam of the Two True Blues. Rayon d'Or is probably the most magnificent specimen of his race ever imported. He is the highest-priced horse ever shipped across the Atlantic. His cost delivered at his home is little short of \$40,000. In color he is a rich true chestnut, with a large, rather faint, star in his forehead, standing 16 hands,  $3\frac{1}{2}$  inches in height. He has a beautiful head, very broad between the eyes, with a very fine, clean and tapering ear; necklong, but broad where it enters the head; shoulders well set and broad, with great depth of girth; good, round barrel, with splendid back, hip and loin. His hips will be found broad, with great length from the point of the hip to whirlbone, and thecre to stifle and hocks, the latter clean cut and well placed, and the finest, soundest and best set of legs ever seen under a horse; in fact, it is one of his great excellent points, and certainly nothing is more essential to a good race-horse. Rayon d'Or (Ray of Gold) deserves his name. Bred to the daughters or grandaughters of Lexington possessing the Austra

# REBEL

#### Will stand for the season of 1883 at the stables of Capt. W. Cottrill, near Mobile, Ala. Services only by private contract.

REBEL, by Socks, son of imp. Albion, bred by John L. Connally, Haze Co., Texas, foaled 1861, dam Betty Wharton, by Othello, son of imp. Leviathan, out of a daughter of imp. Consol, by Lottery, she out of Lady Huntsville, own sister to John Bascomb, by Bertrand. Rebel may have been a first-class horse as a racer, but we have no record of his performances. Socks, the sire of Rebel, was a fine race-horse; he beat Planet in the Hutchison Stakes, mile heats, at Charleston, S. C., in 1859, in 1:48<sup>1</sup>/<sub>2</sub>, 1:47<sup>1</sup>/<sub>2</sub>, and the following week won the Hutchison Stakes, same place, 2-mile heats, in 3:41, 3:48<sup>1</sup>/<sub>2</sub>, beating Fanny Washington and Hennie Farrow. Albion, the sire of Socks, was imported as a yearling. Was a winner at from one to three-mile heats, and famous as a stalion. On the dam's side, Rebel is exceptionally well bred, and is descended from one of the oldest and most noted racing families in America. Othello, sire of his dam, out of Sally Burton, by Sir Archy, was a very fine race-horse at all distances. Imp. Consol, the sire of his grandam, was a successful sire, having gotten the prodigy, Miss Foot; she won a second heat of four miles in 7:35, and in the fall of 1842, beat Argentile and Alice Carneal, Lexington's dam, four-mile heats, at Lexington, Ky., in 7:42, 7:40, the best and fastest race run in the state to that date. His great grandam, Lady Huntsville, was own sister to the great race-horse, John Bascomb, the conquerer of Post Boy in the great match over the Union Course, L. I., by the celebrated Old Bertrand. The family has always been a racing one, Ratler, Childers, Sumpter, Wild Irishman, Frankfort, Parole, Falsetto, and a host of others, trace back to the inp. Cub Mare, through Old Slamerkin by imp. Wildair. The best of Rebel's get are Sam Harper. Ella Harper, Little Rel, Capt. Fred. Rice. Judith C, Bessie Davis, Tunic, Col. Sellers (*alias* Tug Wilson, *alias* Little Dan), Texan and others, all of which have been winners. Rebel is a dark brown horse, full 16 hands high, with gray or silve

# REFORM,

#### (WINNER OF THE SEQUEL STAKES, AT MONMOUTH PARK, 1874,)

## Will stand the season of 1883 at the Erdenhein Stud, Chestnut Hill, Pa., at \$100 the season, and \$5 to the groom. Application to Maj. J. R. Hubbard, Chestnut Hill, Philadelphia, Pa.

REFORM, by imp. Leamington, son of Faugh-a-Ballagh, bred by Mr. R. W. Cameron, Clifton Stud, N. Y., foaled 1871, dam imp. Stolen Kisses, by the Knight of Kars, son of Nutwith, out of Defamation, by Iago. Defamation, his grandam, was the dam of Saccharometer, winner of the Newmarket two year-old Plate, the July Stakes, and Chesterfield Stakes, and was second to Macaroni for the 2,000 guineas. As a two-year-old, started in six races. At Jerome Park, was second in the Nursery Stakes for two-year olds, one mile, won by Rutherford in 1:47%, Atilla, Saxon, and others behind him, and was unplaced in all his other races. As a three-year-old, started in nine races, of which he won two. Monmouth Park, won the Sequel Stakes for three-year-olds, 2 miles, in 3:371, beating Dublin, Vandalite, and five others. Saratoga, won a dash of 14 miles, 83 lbs., in 3:054, beating Dublin, London, and one other. This was the fastest race to that date at the distance. At Jerome Park, was third to Dublin and Vandalite, in the Withers Stakes, one mile, in 1:50, track muddy, Grinstead, Maccaroon, and nine others behind him. Saratoga was third to Vandalite and Grinstead in the Sequel Stakes, 2 miles, in 3:40%, Madge and three others behind him. Was third to Stampede and Acrobat, in the Kenner Stake, 2 miles, in 3:42, Rutherford behind him. At four years old, was second to Ballinkeel, in Westchester Cup, 21 miles, with Botany Bay and Shylock behind him. Was second to Aaron Pennington in the Woodburn Stakes, 2<sup>1</sup>/<sub>2</sub> miles, in 4:36<sup>1</sup>/<sub>4</sub>, beating Grinstead and Rutherford. At six years old, was second to Frederick the Great, in a race of mile heats, the first heat in 1:47, was then withdrawn. Frederick won second heat in 1:47. Was unplaced in a Club Purse, 13 miles, won by Hattie F, in 2:013. Aged, won a race of three-quarters of a mile heats. in 1:24, 1:24, defeating a field of four, and one of mile heats in 1:55, 2:00, beating Gasconade and Odd Fellow, both run at Ambler Park, Pa. Reform has only a few colts on the turf, and they have run creditably. Little Fred (Yorkshire) won a mile in 1:43 and in 1:44: 14 miles in 2:131. Tonawanda, three-quarters of a mile in 1:164, one mile in 1:434, five furlongs in 1:024. Miss Lumley by Leamington, or Reform by the later, mile in 1:48, and won the Hunter Stake at Jerome Park, 14 miles, in 3:20, track muddy, beating Amazon and six others. Tuscaloosa, by Leamington, or Reform evidently by the latter, won the Army and Navy Stakes at Washington, 11 miles, in 2:403, beating Free Gold, La Gloria, and three others, and the Delight filly a winner. Reform is a brown, 15 hands 3<sup>a</sup>/<sub>4</sub> inches high, white face, wide expanding nostrils, large prominent eyes, clean cut, with no superfluous lumber, and possesses much quality, but has the Melbourn ear, having a double Pantaloon cross, with the Glencoe Whalebone, and traces through a long line of Herod blood to the dam of the Two True Blues. He will be a success.

Rossifer, from an injury to one of his ankles, was never trained. Rosicrucian, his sire, own brother to the Palmer. won three out of his four races at two-years old, such as the Criterion Stakes at Newmarket Houghton Meeting, defeating a field of seven, including Leonie and King Alfred, at three-years old was unplaced in the 2,000 guineas, won by Moslem, and in the Derby, won by his half brother, Blue Gown ; when four years old, won the Allaged Stakes at Newmarket Houghton Meeting, defeating Formosa and Heather Bell; at five years old, won six out of thirteen races; the Craven Stakes at Goodwood, defeating Vespasian and others ; the York Cup and the All-aged Stakes at Newmarket, beating Normanby, Kingcraft, &c.; Beadsman, the sire of Rosicrucian, won the Derby in 1858, and is sire of Blue Gown, winner of the Derby, Pero Gomez, winner of the St. Leger and other good horses ; Cambuscan, the sire of Rossifer's dam, won the July Stakes and Croome Stakes at Newmarket, his only two races as a two-year old. He was unplaced in the Derby, won by Blair Athol, and was third to Blair Athol and Gen. Peel in the St. Leger, he won five races that year and defeated Gen. Peel, the sire of Camballo, winner of the 2,000 guineas; Monarque, the sire of his grandam, won the Goodwood Cup and French Derby, and was sire of Gladiateur, winner of the 2,000 guineas, Derby, St. Leger and Grand Prix de Paris. The pedigree is a racing one throughout, he has a double cross of Touchstone, two crosses of imp. Priam, through his famous daughters, Crucifix and Miss Letty, both Oaks winners, his gransire, Newminster, on the dam's side, was out of the famous Beeswing, who won the Ascot Cup and the Doncaster Cup in 1837, and again in 1840, 1841 and 1842, and a thribble cross of Whalebone through his great son, Defence, and a double one through Camel, the sire of Touchstone, so that if one wishes to breed to a horse of racing descent, possessing both speed and bottom, the blood of Rossifer cannot be excelled. Rossifer is a bay horse, full 15<sup>1</sup>/<sub>2</sub> hands high, without white, is truly shaped, and should get race horses.

# SAXON (Imp.)

#### (WINNER OF THE BELMONT STAKES AT JEROME PARK, 1874.)

#### Saxon will be located as private stallion at the Rancocas Stud, near Jobstown, Burlington Co., N. J., Mr. P. Lorillard, proprietor. There will be annual sales of his surplus.

Saxon by Beadsman, son of Weatherbit, by Sheet Anchor, bred by Sir Joseph Hawley, foaled 1871, dam Girasol by Asteroid, son of Stockwell, out of Gillyflower, by Venison, son of Partisan. Beadsman, the sire of Saxon, won the Derby and was sire of Blue Gown, winner of the Derby, and Pero Gomes, winner of the St. Leger. Mendicant, the dam of Beadsman won the Oaks, and Miss Letty, the dam of Weatherbit. was an Oaks winner. Asteroid, the sire of Saxon's dam, won the Hester Cup and the Ascot Gold Cup, and is highly esteemed as a sire in France. Venison, the sire of his great grandam, was one of the best horses of his day. The Ugly Buck, a 2,000 guineas winner, was by him, also Kingston and Miami, an Oaks winner. The blood is highly esteemed for stoutness. Imp. Saxon made his first appearance on the turf as a three-year-old, when he started four times, won one race, was second. once, and unplaced twice. He won the Belmont Stakes, at Jerome Park, 11 miles in 2:391, beating Grinstead, Aaron Pennington, and six others. At Long Branch was second to Brigand in the Jersey Derby, beating Aaron Pennington, Rutherford, imp. Macaroon, and four others. This closed the turf career of imp. Saxon; since his retirement he has sired some very promising colts. The following are the best, all bred in the Rancocas Stud: In America, Gerald started six times, won two races, was second in three ; won dash of one-half mile with 110 lbs., in :50<sup>1</sup>/<sub>2</sub>, and the Foam Stakes, five furlongs, in 1:02<sup>1</sup>/<sub>2</sub>. After reaching England he had a walk over in the Subscription Stakes at Newmarket, was third in the Rous Memmorial Stakes, won by Dutch Oven, and was second in the Middle Park Plate, Nereid, Boreas and Geraldine, winners in England, Delaware, Edith, Geranium, Godiva, Itaska, Quoque, Rocco, Cedric, Hiawasse, winner of the Ladies' Stake at Jerome Park, Mermaid Stakes at Sheepshead Bay and Monmouth Oaks at Long Branch, proving herself one of if not the best filly of the year 1882, Lytton, Montauk and a few others. Saxon is a brown horse, 15% hands, with a plain head, good well placed shoulders, strong back, broad hip and large muscular thighs and stifles, with good legs and feet. He has a double cross of Touchstone and traces through Whalebone and Pot-8-os, several times to Eclipse and through Orville to Beningbrough, by King Fergus, son of Eclipse. The blood is both speedy and stout, and his descendents must be valuable to the thoroughbred horse of this country. Saxon's pedigree has not been given in full until in this volume, where it can be found fully extended, through the noted Coffin Mare.

# SENSATION,

#### (WINNER OF JUVENILE AND NURSERY STAKES AT JEROME PARK, JULY, CRITERION AND AUGUST STAKES AT MONMOUTH PARK, SARATOGA AND FLASH STAKES AT SARATOGA, AND CENTRAL STAKES AT BALTIMORE, 1879.)

Sensation will stand the season of 1883 at the Bolingbrooke Stud, near Middleburg, Md., at \$100 the season. Application to R. W. Walden, Middleburg, Md.

SENSATION by imp. Learnington, son of Faugh-a-Ballagh, bred by Mr. A. Welch, Erdenheim Stud, Pa., foaled, 1877, dam Susan Beane, dam of Stratford, Susquehanna. Onondaga, etc., by Lexington, son of Boston, out of Sally Lewis, dam of John Morgan, Hunter's Lexington Acrobat, etc., by imp. Glencoe. Sensation was truly the sensation of his two-year old year. Started eight times and won all of his races. Jerome Park, May 31, won the Juvenile Stakes, half-mile, defeating Ethel and nine others ; time, :50. Monmouth Park, July 8, won the July Stakes, five furlongs, defeating his stable companions, Grenada and Rosalie, who finished, respectively, second and third, and ten others ; time, 1:07. Saratoga, July 23, won the Flash Stakes, half-mile, Grenada and Rosalie again finishing second and third, five others came in behind them : time, :49<sup>3</sup>. Same meeting, July 29, won the Saratoga Stakes, three-quarter mile, defeating Grenada, who finished second, Beata, Glidelia, Giroflé and By-and By ; time, 1:18. Monmouth Park, Aug. 23, won the August Stakes, three-quarter mile, defeating Grenada, who ran second, and seven others ; time, 1:181. Same meeting, Aug. 26, won the Criterion Stakes, three-quarter mile, carrying 5 lbs. penalty, and defeated Grenada, second, and five others ; time, 1:22 ; track slow and heavy. Jerome Park, Oc. 2, won the Nursery Stakes, three-quarter mile, defeating Ferncliff, Grenada and four others ; time, 1:18. Baltimore, Oct. 23, won the Central Stakes, one mile, defeating Grenada and Oden; time, 1:50<sup>‡</sup>. Total winnings, for the year, \$20,250. He met and defeated all the best two-year olds of his year, winning from a half to one mile. He bursted his foot in the spring of 1880, which compelled his retirement. He is from one of the great racing families of the country. Acrobat and Hunter's Lexington, full brothers to his dam, were fine race-horses and could stay a distance. John Morgan, a half brother, was also a superior race-horse, and for his chances a very successful stallion, Motto, Nannie Lewis, Aldebaran were all good ones. Glenmore is also from the same family, and his dam traces back to the dam of the great race-horse Medoc, who was the most successful sire in any day on all sorts of mares. Sensation is a brown, full 16 hands high, with a white stripe down his face and a little white on the pastern of his left fore leg. He has a fine well placed shoulder and is symmetrically formed all over with faultless action and good temper. From being a son of Leamington, and tracing to a racing family and being an uncommon fine racenorse, he should get race-horses. He has the Pantaloon and Whalebone crosses on the sire's side, and the Glencoe on the dam's with the blood of Sir Archy and Diomed through its best sources.

# SPENDTHRIFT,

#### (WINNER OF THE SANFORD STAKE FOR TWO-YEAR OLDS AT LOUIS-VILLE, YOUNG AMERICA STAKE, No. 1, AT NASHVILLE, BELMONT, LORILLARD STAKES AT JEROME PARK, CHAMPION STAKES AND JERSEY DERBY AT MONMOUTH PARK.)

#### Will stand the season of 1883 at the farm of Wm. M. Kenney, Lexington, Ky., at \$50 the season. Application to Wm. M. Kenney, Lexington, Ky.

SPENDTHRIFT by imp. Australian son of West Australian, bred in the Woodburn Stud, Ky., foaled 1876, dam Aerolite, dam of Mozart, Rutherford Fellowcraft, etc., by Lexington out of Florine, dam of Idlewild, by imp. Glencoe. Aerolite, Spendthrift's dam is one of the great brood marcs of the Woocburn Stud as her produce shows, her full sister Idlewild was the best mare of her day, ran 4 miles when five years old, 117 lbs., in 7:264, and is the dam of Wildidle that ran 4 miles, in 7:254. Spendthrift was the Phoenominal two-year old of 1878, won all his races five in number, at Lexington, Ky., won Sweepstakes for two-year olds, one mile, in 1:584, beating Montreal, Scully and three others. At Louisville, Ky., won the Sanford Stakes for two-year olds, one mile, in 1:464, beating Montreal, Trinidad and five others, among which was Goodnight and Strathmore. Same place won a Sweepstake for two-year olds, one mile, in 1:45. At Nashville, Tennessee, won the Young America Stakes, No 1, for two-year olds, three-quarters of a mile, in 1:164, beating Lord Murphy, Charlemagne and Cal. Morgan. At same place, won a Sweepstake for two-year olds, one mile, in 1:444, beating Lord Murphy, the only other starter

ing Lord Murphy, the only other starter. Season of 1879 he started eight times, won five races, and was second in three. Spendthrift made his first appearance at Jerome Park, May 31. He ran second in the Withers Stakes, one mile, won by his stable companion, Dan Sparling, Report was third, Harold, Plevna and Mulrooney unplaced. Time, 1:48. Spendthrift is really third, Harold, Plevna and Mulrooney unplaced. Time, 1:48. Spendthrift is really entitled to the credit of this valuable stake, as he was almost pulled to a standstill to allow his companion, Sparling, to win. Same meeting, June 5, won the Belmont Stakes, 1<sup>1</sup>/<sub>2</sub> miles, deteating Monitor, Jericho, Pawnee, Rochester and Harold; time, 2:42<sup>3</sup>/<sub>4</sub>. Same meeting, June 10, won the rich Lorillard Stakes, 1<sup>§</sup>/<sub>8</sub> miles, defeating Harold, Magnetism, Report, Dan Sparling, Monitor, Rochester, Jericho, Boardman, Plevna and Eunice. This race was the grandest achievement ever accomplished by a three-year old in America. Spendthrift, who carried 5 lbs. penalty for winning the Belmont Stakes, making his weight 123 lbs. and was almost left at the post. Harold delayed the start by his ugly temper, and gave Spendthrift a vicious kick just as the signal for the start was given. Harold bolted off in the lead, and Spendthrift was the last to leave the starting point, fully 50 yards in his rear. Harold never ran so well before, and led all through the first mile. Spendthrift began to creep up, but made no perceptible gain until a mile had been run, he then began to pass his horses, but had to take the extreme outside of the track to get around them. The excitement was intense when Harold turned into the stretch with fully 30 yards lead on Spendthrift. tense when Harold turned into the stretch with fully so yards lead on Spendtinit. Coming down the straight Spendthrift gradually gained on Harold and collared him at the seven-eighth pole. The race was then over as the game son of Australian came on and won easily by two lengths, Harold second, Magnetism third; time, 2:25<sup>3</sup>/<sub>2</sub>. Monmouth Park, July 8, won the Jersey Derby, 1<sup>1</sup>/<sub>2</sub> miles, defeating his only competi-tor, Wilful, with ease; time, 2:53. Saratoga, N. Y., July 9, Spendthrift met the son of Enquirer, Falsetto, for the first time. The two colts were bred and raised within a four miles of encoupted by the former howing changed hands, represented the Fast of Enquirer, Falsetto, for the first time. The two colts were bred and raised within a few miles of one another, but the former having changed hands, represented the East, and the latter the South. The race was for the Travers Stakes, 14 miles, Falsetto won, Spendthrift was a good second, Harold third, Jericho and Dan Sparling unplaced; time, 3:094. The report was current, just before this race, that Spendthrift had been complaining in his feet, and was also muscle sore. Spendthrift had undoubtedly lost the form that he displayed when he won the Lorillard Stakes, which was the best and fastest race ever run in America by a three-year old. Same Meeting, Aug. 12, Falsetto again defeated Spendthrift, who finished second, in the Kenner Stakes, 2 miles; Jericho was third, Monitor and Harold unplaced; time, 3:354. Monmouth Park, Aug. 23. Spendthrift won the Champion Stakes for all ages, 14 miles, defeating Report, Jericho was third, Monitor and Harold unplaced; time, 5:554. Monitouth Fark, Aug. 23, Spendthrift won the Champion Stakes for all ages, 14 miles, defeating Report, Bramble, Volturno, Harold and Bonnie Oaks; time, 2:414. The track was heavy and slow. Jerome Park, N. Y., Oct. 2, Spendthrift, although unfit to run, started in the Jerome Stakes, 14 miles; Monitor won; Spendthrift, second, Report third, Jericho fourth; time, 3:12. The performances of Spendthrift, in or out of condition, were all creditable as the time and weights will show. Spendthrift did not start as fouryear old, ran two races at Jerome Park when unfit at 5 years old, was second to Bar-rett, one mile, in 1:44<sup>±</sup>, and was unplaced in the other race. Spendthrift has the Touchstone, Whisker and Whalebone blood on the sire's side, the Glencoe on the dam's side, and is much inbred to Sir Archy and Diomed, with the Gimcrack blood through imp. Medley. As Fellowcraft is a success, Spendthrift must be.

# STONEHENGE (Imp.)

#### (WINNER OF THE COTTAGERS' CUP AT LONG BRANCH, 1873,)

#### Will be located during the season at the Brookdale Stud, Mr. D. D. Withers, proprietor, near Holmdel, N. J., and used as a private stallion.

STONEHENGE, by Blair Athol, best son of Stockwell, bred by Mr. W. Blenkiron, foaled 1870, dam Coimbra, dam of Light Wine, etc., by Kingston, son of Venison, out of Calcavella, dam of Queen Bee, etc., by Irish Birdcatcher. His sire, Blair Athol. won the double events, Derby and St. Leger, and his sire, Stockwell, was the greatest and grandest of all the English stallions. Kingston, the sire of his dam, traveled all over England, and was winner in the best of company. Irish Birdcatcher, by Sir Hercules, son of Whalebone, was not only a good race-horse, but he got The Baron, winner of the St. Leger, and he got Stockwell and Rataplan. Birdcatcher was also Sire of Daniel O'Rourke, a Derby winner, Songstress, winner of the Oaks, Knight of St. George and Warlock, winners of the St. Leger. Faugh-a-Ballagh, the sire of Leamington, wasown brother to Birdcatcher. Stonehenge made his debut as a two-year-old in the Nursery Stakes at Jerome Park, but was unplaced. This was his only start in his two-year-old form. When three years old, he started six times, won one race, the Cotagers' Cup, at Long Branch,  $1\frac{1}{2}$  miles, in  $2:44\frac{1}{2}$ , He was third to Tom Bowling in the Robins Stake, with Lizzie Lucas and The Minstrel behind him. Was third to Survivor and Fellowcraft in a race of 1<sup>1</sup>/<sub>4</sub> miles, with four others behind. He was unplaced in his other races. The Julietta colt showed himself a good two-year-old. He won the Surf Stakes at Sheepshead Bay, 5 furlongs, in 1:034, beating Onondaga and Memento ; won August Stakes at Long Branch, three-quarters of a mile, in 1:16, with 115 lbs., beating Wyoming, Onondaga and Memento. Was second in 1882 to Forester, in the Withers Stakes, second to Runnymede, in the Tidal Stakes at Sheepshead Bay, one mile, in 1:43<sup>2</sup>/<sub>4</sub>, Won Club Purse, one mile in 1:43<sup>1</sup>/<sub>2</sub>, beating Barrett and Fellowplay. Buckstone (2) won the Moet and Chandon Stakes, three-quarters of a mile in 1:21, track heavy, defeating a field of five. Won the Homebred Produce Stakes, three-quarters of a mile in  $1:18\frac{1}{2}$ , both at Long Branch. Very few mares were ever bred to Stonehenge. He is a blood bay, with blaze face and snip, near hind leg roan and white to the hock, is fifteen hands, 21 inches high, and weighs 1,140 lbs. With a Glencoe cross, through Stockwell, and a double cross of Whalebone, through Irish Birdcatcher, fortified by the blood of Eclipse and Herod, he only needs a chance to distinguish himself as a sire.

#### Strachino will stand the season of 1883, at the Lakewood Stud, near Lexington, Ky., at \$25 the season. Application to C. M. Corbin, Agent, Lexington, Ky.

STRACHINO, by Parmesan, son of Sweetmeat, bred by Lord Bradford, foaled 1870. dam May Belle, dam of Waterwitch, Rosabel, etc., by Hetman Platoff, son of Brutandorf, out of a daughter of Sultan, sire of imp. Glencoe. As a two-year old, Strachino started three times; was second to Count D'Orsay, in a Sweepstakes for two-year-olds. three-quarters of a mile, in 1,19<sup>1</sup>, and unplaced in the other two races. When three year old he started five times and won two races. At Saratoga, won dash of 14 miles. in 2:111, beating Joe Daniels, Ortolan and Wizard. Same place, August 5, won the Summer Handicap, 2 miles, in 3:36<sup>4</sup>/<sub>4</sub>; was second to imp. Ill-Used in the Kenner Stakes, 2 miles, in 3:39. He was then retired from the turf and placed in the stud. Parmesan, his sire, was a good horse, and sired Cremorne, who won the Derby and Grand Prix-de-Paris, in 1872, and Ascot Gold Cup in 1873, and also Favonius, winner of the Derby and the Goodwood Cup. Hetman Platoff, the sire of his dam, was a superior racehorse; sire of Cossack, winner of the Derby, and the dam of Daniel O'Rourke, winner of the Derby, and Knight of St. George, winner of the St. Leger. Sultan, the sire of his grandam, was the sire of imp. Glencoe, Ibrahim, Bay Middleton and Achmet, winners of the 2,000 guineas in 1834-35-36 and '37. Bay Middleton, also won the Derby. Muley, the sire of his great grandam, was the sire of imp. Margrave, Leviathan, and Little Wonder, a Derby winner. The most creditable of Strachino's get, are, Strych. nine, and Neufchatel, both showed themselves good horses. Strychnine's races were principally over the timber. He won 11 miles, over six hurdles, in 2:501; won 11 miles, over five hurdles, in 2:191, and several other good races. Neufchatel won Rancocas Handicap, one mile and a furlong, in 1:57, and purse at Saratoga, same distance, in 1:551. Other winners by him are, Baby, Ersilia, Hope (Sphinx), Peytona Barry and Sinbad. He has only covered a very few marcs. Strachino is a black, 151 hands high, well and truly shaped, but a little light in bone. He is a finely bred horse, and much inbred to the famous Pot-8-os, son of Eclipse on both sides, with a large infusion of Herod blood, through his best sons, and traces through the famous Lady High to the old Montague Mare.

# STRATFORD

#### Will be used as private stallion in the Chester Valley Stud, Chester Valley, Pa. the property of A. J. Cassatt, Esq.

STRATFORD (Learnington 2d), by imp. Learnington, son of Faugh-a-Ballagh, bred by A Welch, Erdenheim Stud, Pa., foaled 1873, dam Susan Beane, dam of Sensation, by Lexington, son of Boston, out of Sally Lewis, dam of Hunter's Lexington, John Morgan Acrobat, etc., by imp. Glencoc. Stratford was an exceedingly promising horse as a two-year old, but having been taken with a severe attack of distemper, was totally unable to start and the disease left him in such a poor plight, having injured his lungs, so that whilst he had speed, he was unable to stay a distance. At three years old he started in fifteen races, winning two, running second in five, third in one, and unplaced in the others. Point Breeze Park, Pa., won purse three-quarters of mile a in 1:17<sup>‡</sup>, beating Durango, Paladin, and four others; same place won purse heats of half a mile in :49<sup>4</sup>/<sub>2</sub>, :49<sup>1</sup>/<sub>2</sub>, :49<sup>4</sup>/<sub>2</sub>, beating First Chance, who won first heat, Hobkirk and Grey Lag, the fastest three heats ever run. Jerome Park, ran second to Ambush, one mile in 1:48, beating Woodlands. Long Branch, ran second to Romney, three quarters of a mile in 1:18. Faithless Hattic F, and three others behind him. Point Breeze Park ran second to First Chance, three quarters of a mile in 1:15. beating Culpepper and two others. Ran second to Waco, one mile in 1:44, beating Hobkirk, Emma G and another. Washington, D.C., ran second to Burgoo, 11 miles in 2:14, beating First Chance, Fadladeen and one other. As a four year ran unplaced in three races. Stratford is a highly bred horse, own brother to the great Sensation, and is bred from one of the great racing families of America, a family which were almost uniformly large and profitable winners on the turf, and very successful as stallions and broad mares, the family which produced Sensation, John Morgan, Acrobat, Hunter's Lexington, Motto, Nannie Lewis, Glenmore, and a host of others, possessing speed, conformation, racing lineage and blood hc cannot fail as a sire. Stratford is a brown, 15<sup>2</sup> hands, with a Leamington blaze in his face and black legs, he has magnificient shoulders, good middle piece, good back hip and loin, and excellent legs and feet. He much resembles his sire in general conformation and appearance.

Vandal, the sire of Virgil, was the best son of Glencoe, not only as a race-horse, but as a sire; his turf career was short but brilliant; he won three mile heats, in 5:86, 5:38. Imp. Yorkshire, the sire of his dam, was a very successful stallion, being the sire of Zampa, Magic, Modonna, Princeton, Wagram, Waterloo, Lodi and a host of others. Virgil's first foals came out in 1875; as two year olds, he had only nine living; Vagrant won nearly all the two-year old stakes at Lexington and Louisville, and the Vagrant won nearly all the two-year old stakes at Lexington and Louisville, and the following year, won the Phœnix Hotel Stake at Lexington,  $1\frac{1}{4}$  miles, in  $1:56\frac{3}{4}$ ; the Kentucky Derby at Louisville,  $1\frac{1}{2}$  miles, in  $2:38\frac{1}{4}$ , beating Creedmore, Parole and others; he also won the Grand Exposition Stakes at Philadelphia,  $1\frac{1}{4}$  miles, in  $2:42\frac{1}{2}$ . Vigil, another son, in 1876, then three years old, won the Summer Handicap at Saratoga,  $1\frac{3}{4}$  miles, in  $3:07\frac{1}{4}$ ; the Grand National Handicap at Jerome Park,  $2\frac{1}{4}$  miles, in 4:11; won Dixie Stakes at Baltimore, 2 miles, in  $3:41\frac{1}{2}$ , beating. Parole, Heretog and Algerine, track heavy, and taking up a penalty of five pounds; won the Breckenridge Stakes, 2 miles, in 3:374, beating Parole and Virginius, he also won other good races. Vera Cruz, another of the same vera, was a first-class horse, won the Sweepstake for all-ages at Saratoga. Parole and Virginius, he also won other good races. Vera Cruz, another of the same year, was a first-class horse, won the Sweepstake for all-ages at Saratoga, 1877, 14 miles, defeating Ochiltree and Parole; won the Breckenridge Stake at Baltimore same year, 2 miles, in 3:404, and the Kentucky St. Leger, 2 miles, at Louisville, in 3:35; other good ones by him are Virginius, Virgilian, Vermont, Fairplay, Blossom, Santa Anita, Valparaiso, Pride, Virginia, Valleria, Vinita, Frank McLaughling, Vici, Joe Rodes, Memento, Vanguard, Uberto, Carley B, a winner of the Travers Stakes, 1882; the Relici Stakes, and a mile and a furlong in 1:55. Anglia, Clarence, Cliquot, Mistral, Mamie O, Harry Hill, a real good horse, Nana Little Katie Kite and last though not least Hindoo the best horse which has in 1:55. Anglia, Clarence, Chquot, Mistral, Mamie O, Harry Hill, a real good horse, Nana, Little Katie, Kite, and last, though not least, Hindoo, the best horse which has appeared in this country for more than twenty years, for his brilliant performances. I must refer you to his card in this book. Virgil is a dark brown, standing full 16 hands, with a bright star in his forchead. He has quite a neat head and ear; fine, good neck; well placed, oblique shoulders; good depth of girth; well-shaped body, ribbed home to broad, strong hips, with good sweep in his quarters. He was roughly used toward the end of his racing career, and, in consequence, his legs show the effects of his knocks over the timber. He is yet vigorous and in fine health, and was to the head of the list of winning sizes in 1881, and bids fair to earn greater laurels as at the head of the list of winning sires in 1881, and bids fair to earn greater laurels as a sire. He has crosses of Diomed and American Eclipse, and is very much inbred to the famous English Eclipse on both sides, and to the Godolphin Barb.

# WANDERER,

#### (WINNER OF THE RAILROAD STAKES AT NASHVILLE, 1872; THE MONMOUTH CUP AT LONG BRANCH, AND WESTCHESTER CUP AT JEROME PARK, 1873.)

### Will stand the season of 1883 at the farm of Mr. T. J. Nichols, Bourbon Co., Ky., at \$100 the season. Application to Thos. J. Nichols, Paris, Ky.

WANDERER by Lexington, son of Boston, bred in the Woodburn Stud, Ky., foaled 1868, dam Coral, dam of Uncas by Vandal, son of Glencoe out of imp. Cairngorme by Cotherstone, winner of the 2,000 guineas and Derby, son of Touchstone, winner of the St. Leger.

Wanderer is descended from one of the most noted racing families of England, tracing back through an own sister to imp. Glencoe to the famous Web by Waxy. The family has furnished some of the most noted race-horses and successful sires of the English turf. From it came Whalebone, winner of the Derby in 1810; Whisker, winner of the same event in 1815; Cobweb, winner of the Oaks and 1,000 guineas in 1824; Riddlesworth, winner of the 2,000 guineas and Derby in 1836; Glencoe, winner of the 2,000 guineas in 1831; Bay Middleton, winner of the 2,000 guineas and Goodwood Cup in 1834; Blue Gown, winner of the Derby in 1868; Silvio, winner of both Derby and St. Leger in 1877, and a host of others.

Wanderer made his first appearance as a three-year-old and was unplaced in the Belmont Stakes at Jerome Park, and the Jersey Derby at Long Branch, both events having been won by his half brother, Harry Bassett. At Long Branch he won a club purse, mile heats, in 1:48<sup>4</sup><sub>3</sub>, 1:48<sup>4</sup><sub>4</sub>, defeating a field of seven. In his four-year-old form, at New Orleans, he won a race of mile heats in 1:51, 1:47<sup>4</sup><sub>4</sub>, 1:47<sup>4</sup><sub>2</sub>, beating Frank Ross, winner of the first heat; Niagara and Glenrose; won the Railroad Stakes at Nashville, Tenn., two-mile heats, in 3:41<sup>4</sup><sub>4</sub>, 3:38<sup>4</sup><sub>2</sub>, beating Hollywood, Frogtown, etc., and walked over for club purse, two-mile heats. As a five-year-old he won the Monmouth Cup at Long Branch, 2<sup>1</sup><sub>2</sub> miles, in 4:31<sup>4</sup><sub>4</sub>, beating Preakness, Hubbard and others; won the Westchester Cup at Jerome Park, 2<sup>1</sup><sub>4</sub> miles, in 4:04, beating True Blue, Eolus and others. At Saratoga ran second to Hubbard, 3 miles in 5:34, beating Harry Bassett and King Henry. Same meeting, ran second to Arizona, 1<sup>1</sup><sub>2</sub> miles, in 2:38, beating Boss Tweed and Eolus. As a six-year-old won club purse at Savannah, Ga., 2 miles, in 3:43<sup>1</sup><sub>4</sub>, beating Ortolan and Tabitha. Nashville, Tenn., won the Johnson Stakes, 2<sup>1</sup><sub>4</sub> miles, in 4:00<sup>1</sup><sub>3</sub>, beating Planchette, St. George, and two others. At Jerome Park ran second to Shylock, son of Lexington, in the Westchester Cup, 2<sup>1</sup><sub>4</sub> miles, in 4:13, beating Lizzie Lucas, Abd-el-Koree and two others, track heavy. Saratoga, won club purse, 2<sup>1</sup><sub>4</sub> miles, in 4:00<sup>1</sup><sub>3</sub>, beating Fellowcraft, Jack Frost, Galway and Katie Pease. Same place, ran second to Fellowcraft, 4 miles, in 7:19<sup>5</sup><sub>2</sub>, the fastest race at the distance ever rnn up to that date. In this race Wanderer beat Katie Pease and was timed the distance in 7:20.

Wanderer has been quite a success in the stud, having only a few mares he sired One Dime a winner  $1\frac{1}{2}$  miles in  $1.55\frac{1}{2}$ ,  $1\frac{1}{4}$  miles in  $2.09\frac{1}{4}$ , mile heats in  $1.44\frac{1}{2}$ ,  $1.44\frac{1}{2}$ . Elkhorn Stakes  $1\frac{3}{4}$  miles in  $3:05\frac{1}{4}$ . Minnie C. (Mrs. Chubbs), winner of the filly stakes at Lexington. Juanita  $1\frac{1}{4}$  miles in 2:10. Lizzie Sfilly stakes at Lexington half-mile in 0.49. Coquette Stakes at St. Louis, three-quarters of a mile in  $1:18\frac{1}{2}$ ; five furlongs in 1:02; three-quarters of a mile in  $1:16\frac{1}{2}$ ; one mile in 1:43. Mary Lamphier, Farragut, Nomad, Wakefield, Cash Clay, Waterford, Prophet, Rambler, Wandering winner one mile in  $1:45\frac{1}{4}$ , and Capital Stakes one mile in  $1:44\frac{3}{4}$ , and others all winners. His colts are the best the dams have produced. He is a rich golden chestnut, with the marks of his sire; is handsomely shaped and of very blood-like appearance, muscular and highly finished. His sire was the best race-horse and stallion this country has produced; his dam is by the best son of imp. Glencoe and traces through an own sister to Glencoe and Web by Waxy to a natural Barb Mare. This is one of the pure sources through which the blood of Lexington and Glencoe should be preserved.

### PART II.

# DEAD SIRES.

# AMERICAN ECLIPSE,

### (WINNER OF THE GREAT SECTIONAL MATCH BETWEEN THE NORTH AND SOUTH, RUN OVER THE UNION COURSE, I. I., MAY 27th, 1823, BEATING HENRY.)

ECLIPSE, by Duroc, son of imp. Diomed, bred by Gen. Nathaniel Co'es, Desoris, Queens Co., L. I., foaled May 25th, 1814, dam Miller's Damsel, by imp. Messenger, son of Membrino, out of imp. mare by Pot-8-os, son of the great English Eclipse. Eclipse was trained at three years old, and tried; and again at four years old; but ran his first race at five years old, at Newmarket, Long Island, 2-mile heats, which he won, beating Black-eyed Susan, by Sir Archy, and Sea Gull. March 15th, 1819, Eclipse was sold to Mr. Van Ranst, and in June, 1819 won Club Purse, at Bath L. I., defeating Little John, by Potomae, Bond's Eclipse, and James Fitz James. October, same year, won Club Purse at Bath, 4-mile heats, beating Little John, Fearnought, and one other, in 8:13, 8:08. In 1820 and '21 he covered mares on Long Island. October 15th. 1821. won the Club Purse, Jamaica, L. I., 4-mile heats, defeating the noted Lady Lightfoot, then nine years old, Flag of Truce and Heart of Oak, in 8:04, 8:02. Lady Lightfoot was distanced in the second heat. In May, 1822, won Club Purse over the Union Course, L. I., beating Sir Walter, by Hickory, in 7:54, 8:00. October, 1822, won Club Purse, 4-mile heats, over Union Course, beating Sir Walter, Duchess of Marlborough, and Slow and Easy, in 7:58, second heat no time. A challenge having appeared in a New York paper in which Jas. J. Harrison, of Virginia, proposed to run Sir Charles by Sir Archy, against Eclipse, 4-mile heats, for \$5,000 or \$10,000, the race to be run over the Washington Course, the challenge was accepted by Mr. Van Ranst, and \$5,000 forfeit put up on each side, the race to be run November 20th. Both horses came to the post and the riders were mounted, when Mr. Harrison announced that in consequence of an accident to Sir Charles, he would pay forfeit, but proposed to run a dash of 4 miles, for \$1,500 a side. This was accepted, and the horses started. The first two miles were run in 3:50, when Sir Charles broke down, and Eclipse galloped the balance of the distance. Sir Charles carried 120, and Eclipse 126 lbs. On the evening of the same day, Col. Wm. R. Johnson, of Virginia, proposed to produce a horse on the last Tuesday in May, 1823, to run 4-mile heats against Eclipse, over the Union Course, for \$20,000 a side. The challenge was immediately accepted by John C. Stephens, Esq. John Richards, intended for the match, broke down, and Henry, by Sir Archy was substituted. The race was run May 27th, 1823. Henry won the first heat, 7:37<sup>1</sup>/<sub>2</sub>, Eclipse the second and third in 7:49, 8:24. Eclipse carried 126 lbs., Henry (4) 108 lbs. Col. Johnson again challenged to run Henry against Eclipse, the same race, for \$20,000, or \$50,000, but the challenge was declined.

Eclipse was as famous in the stud as on the turf. He stood in New York, Virginia, and Kentucky. The most famous of his get were, Ariel, Lance, Lady Jackson, Black Maria, Shark, Goliah, O'Kelly, Godolphin, Maryland Eclipse, Rocker, Medoc, Midas, Mingo, Ten Broeck, Monmouth Eclipse, Bay Maria, Tom Kimball, Gano, and many others. Ariel was the great mare of her day. She ran fifty-seven races and won forty-two, seventeen of which were 4-mile heats. Black Maria also ran a large number eleven winning ones, at 3 and 4-mile heats. Eclipse was a chestnut horse, 15<sup>+</sup> hands high, with a star in his forchead and near hind foot white; was heavy set, and full of bone and muscle. The following were some of his measurements : head 23<sup>2</sup>/<sub>4</sub> in.; neck 25 in.; from point of shoulder to point of buttocks 65<sup>4</sup> in.; girth 74 in.; around the arm, 211 in.; below the knee, 72 in.; around the tibia 182 in.; the hock 162 in.; from hip to point of hock 374 in.; he measured the same around the flank as girth 74 in., and the same height at hip as withers, 61 in. An examination of his pedigree will show that he was very much inbred to the Darley Arabian, through Childers, and to the Godolphin Arabian through Blank, Cade, Regulus and Cripple. Eclipse died the property of Jilson Yates, in Shelby County, Ky., in Aug, 1847, then in the 34th year of his age.

# BONNIE SCOTLAND (Imp.)

#### (WINNER OF THE LIVERPOOL ST. LEGER AND DONCASTER STAKES IN 1856.)

BONNIE SCOTLAND, by Iago, son of Don John, winner of the St. Leger in 1838, bred by Mr. W. I'Anson, foaled 1853, imported by Capt. Cornish into Boston in 1857, dam-Queen Mary, dam of Balrownie ; Haricot, dam of Caller Ou and Blink Bonny, dam of Blair Athol by Gladiator. Bonnie Scotland was badly hurt at two years old, but he came out when three years old and started in four races, winning two, running second in one and unplaced in the other. He won the Liverpool St. Leger, twentythree subscribers, 14 miles, beating Omar Pacha, Tom Thumb, and two others ; was fourth in the Great Yorkshire Stakes at York, 176 subscribers, won by Fazzoletto, with Brother to Bird on the Wing second, Stork third. He ran second to Warlock for the Doncaster St. Leger, 133 subscribers, twenty-five starters, St. Leger course. In this race he beat Ellington (winner of the Derby), Artillery, Rogerthorpe and others. He won the Doncaster Stakes, 1<sup>1</sup>/<sub>2</sub> miles, ninety-three subscribers, beating Ellington (the Derby winner), Brother to Bird on the Wing, Manganese, Alleppo, California and This was his last race. After his importation he was purchased by Messrs. others. Reber and Kutz and taken to Ohio. There being few thoroughbred mares in that State he made no reputation, sired Malcolm, Dangerous and Ontario; he passed into the hands of E. A. Smith, when he got Frogtown, a capital good horse. Smith sold him to Messrs. Parks, of Illinois, where he got Experience Oaks and Nathan Oaks. From Parks he passed to the hands of Gen. W. G. Harding in 1872, and commenced his brilliant career as a sire of winners; the first of his get were Belle of the Meade, an excellent two-year-old, and Bushwhacker, winner of the Bowie Stakes and the Great Long Island Stakes, both 4 mile heats. Although dead, he stands, in 1882, at the head of winning sires, and his winning sons and daughters are a legion. The following, the most noted, will show his quality as a sire : Aranza, Brambaletta, 5 furlongs, in  $1:02\frac{1}{2}$ ; 7 furlongs, 1:30; one mile and a furlong in 1:54, the fastest on record. By the Way, Bonnie Wood Bramble, mile heats in 1:43, 1:44; 11 miles, 118 lbs., 1:58; 21 miles, 4:013. Boardman, mile in 1:401. Boatman, 115 lbs., 2 miles, 3:34. Barret, three-quarters in 1:14, the fastest on record; 11 miles, 118 lbs., in 1:561. Ben Hill, Bonnie Carie, Baton Rouge, Belle of the Highlands, 11 miles in 1:551. Bye and Bye, Bushwhacker, 2 miles in 3:30; 4 miles, 7:31; 2 mile heats, 3:36, 3:36<sup>1</sup>/<sub>2</sub>, 3:38<sup>1</sup>/<sub>2</sub>. Balance All, Beatitude, Boulevard, Bayard, Bounce, mile heats in 1:42, 1:411; mile and 3 furlongs in 2:231. Bride Cake, Boswell, Bingin, Bathgate, Bombast, Bonnie Castle, Brooklyn, Bliss, Big Medicine, Bootjack, mile in 1:42; 11 miles in 1:49#; Baltic, Bosworth, Bancroft, Duke of Kent, Joe Howell, three quarter heats in 1:141, 1:141, 1:15, fastest on record ; Julia Bruce, Maggie Ayr, Luke Blackburn, 11 miles in 2:34, fastest ever run; 1<sup>4</sup>/<sub>2</sub> miles, 3:04; 2 miles, 8:35<sup>1</sup>/<sub>4</sub>; Glidelia, 1<sup>4</sup>/<sub>2</sub> miles in 3:01, the fastest in the world ; J. W. Norton and a host of others. His daughter, Kelpie, produced Janet, 4 miles in 7:25. Ontario produced McWhirter, 2 miles in 3:301, the fastest ever run by a three-year old. Being a half brother to Blink Bonny, the dam of Blair Athol, and from a family which has produced the greatest number of noted horses, his descendants should be valuable in the stud. The long list named speaks volumes for the Belle Meade Stud, as nearly every animal named was bred there Two sons of the old hero are located there and the blood should be preserved to the country, and there is no better opportunity than to cross his sons on the Lexington and Glencoe blood, and it will prove our theory that in breeding is the surest and best mode to rear the race horse and the only way to preserve and perpetuate pure blood and racing strains. His stock are all remarkable for soundness, symmetry, muscular power, good action. with the best of feet. He died at Belle Meade, Feb. 1st, 1880, in the twenty-seventh year of his age, game to the last moment.

# BOSTON,

#### (WINNER OF 'THIRTY-FOUR MILE HEAT AND NINE THREE MILE HEAT RACES.)

BOSTON by Timoleon, son of Sir Archy, bred by John Wickham, Va., foaled in 1833, dam sister to Tuckahoe, by Ball's Florizel, son of imp. Diomed, out of a daughter of imp. Alderman, by Pot-8-os, son of English Eclipse. Timoleon, the sire of Boston, was the best race-horse of his day, started in seventeen races, won nine, walked over for four, and lost two. Florizel, the sire of his dam, had no equal in his day, he never lost a heat or paid a forfeit, "never knew the touch of a spur or heard the flourish of a whip." Boston made his debut as a three year old at Broadrock, Va., mile heats, but was beaten by an indifferent colt, by bolting. Petersburg, Va., won purse 2 mile heats in 4:01, 4:00, track muddy, defeating a field of five. Hanover Court House, won Club Purse, 3 mile heat in 6:25, 6:19, track deep in mud, defeating Betsey Minge and five others. This was the first race in which he started under the name of Boston, derived from a popular game of cards. Virgil, sire of Hindoo; Coral, the dam of Wanderer and Uncas, and other noted ones; Star Davis, sire of Matt Davis, Day Star and others. It is safe to say that few or none of the most famous horses now on the turf but have a cross of Glencoe. Glencoe stood in Alabama and Tennessee from 1837 to 1848; he was then purchased by W. F. Harper and taken to Kentucky, where he stood to the day of his death. He was purchased by the late A. Keene Richards in the summer of 1857 and died at his farm in August of that year, aged 26 years. Such was his indomitable courage that he literally died standing upon his feet. His name and fame is as enduring as time.

Onondaga, Girofla, Wyandotte, Francesca, Iroquois, who crossed the Atlantic and placed the great events, the Derby and St. Leger, to the credit of America, the unbeaten and unfortunate Sensation, and many others, all winners. He was exiled and condemned in the land of his birth. but was appreciated and will be remembered in the land of his adoption. His sons are proving successful stallions and his daughters producing winners. Leamington was a brown, 164 hands high, with a beautiful head and neck, good shoulders, great depth of chest, good back, great length, but light body and flank, good length of hip, and as fine hind legs and hock as were ever placed under a horse. He died the property of Mr. A. Welch, in the Erdenheim Stud, Chestnut Hill, Pa., Monday, May 6th, 1878. Let his blood be preserved by crossing some son of Lexington with his daughters from Lexington mares.

# LEXINGTON,

#### (WINNER OF THE ASSOCIATION AND CITIZENS' STAKES AT LEXING-TON. KY., IN 1853, AND THE GREAT STATE STAKE OF NEW ORLEANS, 1854.)

LEXINGTON by Boston, bred by Dr. E. Warfield, The Meadows near Lexington, Ky., foaled 1850, dam Alice Carneal, dam of Waxy, Umpire, Release, etc., by imp. Sarpedon, son of Emilius. Lexington, during his turf career, met with only one defeat. He made his debut at Lexington, Ky., Spring meeting, of 1853, in the Association Stake for three-year olds; mile heats, 20 subscribers, 12 starters. The track was almost knee deep in mud, and raining. In a false start, Lexington, then called Darley by Dr. Warfield, from his resemblance to the Darley Arabian, ran away, in company with Madonna and Garret Davis was then withdrawn, and Lexington was led to the post at once and the word given. He distanced all but three of the colts the first heat, including Vandal, Blonde, Hebron and Big Boston. Vandal, Blonde and Hebron were all famous on the turf. Wild Irishman was second in both heats, Fanny Fern fourth and third, and Madonna third and distanced. The time of the race was 155, 157. The same week he won the Citizens' Stakes, two-mile heats, beating Midway, who won the first heat, Garret Davis, who was third, and distanced Margaret West, Hebron, Blonde and Eva; time 3:424, 3:414, 3:49. Darley was then sold to Captain Willa Viley and Richard Ten Broeck, and his name was changed to Lexington. He was then matched against \$3,500 on the horse. The race was run at New Orleans, over the Metairie Course, Dec. 2, 1853, the track being deep in mud. Lexington won in 6:234, 6:244, distancing the mare in the second heat. His next appearance was for the great State Stake, \$5,000 each, play or pay, four-mile heats; Kentucky entered Lexington; Alabama, Highlander; Louisiana, Arrow, and Mississippi Lecompte. Lexington won in 5:084, 8:04, track muddy, distancing Arrow in the first heat, and is still claimed that his defeat was caused by his jockey, Henry Meichon, pulling him up at the end of the Jockey Club Purse, four-mile heats. Lexington, pulling him up at the end of the third mile, in second heat, thinking the race was ended. Riehard Ten Bro

#### LEXINGTON-Continued.

LEXINGTON—Continued. if the horse was then alive. Lexington was not only the best race-horse America ever produced, but was the king of stallions. He sired Norfolk, Asteroid, Idlewild, dam of Wildidle, Kentucky, Daniel Boone, Goodwood, Bay Flower, Ansel, Lightning, Laura Fairis, Thunder, Lancaster, Beacon, Bayswater, Bayonet, Preakness, Colton, Harry of the West, King Lear, Lilly Ward, Arcola, Optinist, who made a reputation in England and France, Maiden, dam of Parole, Merrill, Marion, Hollywood, Ulrica, Spartan, Wanderer, Uncas, Garrick, Chesapeake, Kadi, Harry Bassett, Charley Howard, Monarchist, the coming sire, Jack Malone, to whose daughter's Bonnie Scot-land is indebted in a great measure for his success, Minx, dam of Monitor, Nevada, dam of Luke Blackburn, Salina, Cruchky, Sprightly, dam of Volturno, Woodbine, dam of Belle of the Meade, Bonnie Wood, etc., Susan Beane, dam of Sensation, Acro-bat, Hunter's Lexington, Vauxhall, sire of Viator, Cloverbrook, etc., Lever, Pat Malloy, sire of Ozark. Duke of Magenta, Spartan, Jamaica, dam of Foxhali, Aerolite, dam of Fellowcraft, Spendthrift and Rutherford, Hester, dam of Springbok, Fanny Holton, dam of Ten Broeck, Kingtisher, Stamps, The Nun, Annie Bush, dam of Bushwhacker, Madame Dudley, Squeeze'em, dam of Day Star, Florence, dam of Hin-doo, Betty Ward, Echo, dam of Report, Millie J, Finesse, La Polka, Arizona, dam of Aranza, Kathleen, dam of Geo. La Henderson, dam of Ferida, Lemonade, dam of Saunterer, Lady Motley, dam of Blazes, Lark, dam of Harry Hill, Mattie Gross, dam of Grenada and Mate. Veritas, Waltz, dam of Glidelia, Item, dam of Sparling, Ada Cheatham, dam of Lida Stanhope, Hira, dam of Himyar, Lady Wallenstein, dam of Wallenstein, Mollie Wood, dam of Sagamore, Georgia Bowman, dam of Lucy May, Paris Belle, Mazurka, dam of Zoo Zoo, Skylight, Mollie Cad, La Rose, Mundane, The Banshee, Springbrook, grandam of Checkmate, Sarong, dam of Aris-tides. Cordelia, Blunder, Edeny, Nannie Butler, Jury, dam of Passaic, Kentucky Belle, Lute, dam of Virginius, Fanny Cheatham, Bonnet, Minnie Minor, dam of War-wick Morlachi, Cerrie Atherton, and others too numerous to mention. His wick, Morlachi, Carrie Atherton, and others too numerous to mention. His daughters have made the reputation of nearly all the stallions in the country and his sons are not failures as evidenced by the breeding of the daughters of Jack Malone, Asteroid and Kingfisher. The difficulty is that they have not had access to the blood and could not with the views of breeders get the best mares. Lexington was a blood bay, standing 15<sup>4</sup>/<sub>4</sub> hands high, with four white feet above the ankles, a large star and white strip down the face, extending over the upper lip. He was not only the best race-horse America has ever produced, but the emperor of stallions. He died July 1st, 1875, in the Woodburn stud, having lived until two of his sons sold for more than was given for him, \$15,000, Norfolk \$15,001, Duke of Magenta \$20,000. The blood is worthy of preservation, and this can only be done by some in breeding.

# PHAETON (Imp.)

PHAETON, by King Tom, son of Harkaway, bred by Mr. J. Johnstone, foaled 1865, dam Merry Sunshine, by Storm, son of Touchstone. As a race-horse Phaeton from some unknown cause was a failure. Started once as a two-year old, ran third in the Findon Stakes, three-quarters of a mile, at Goodwood, to Rabican and Vale Royal, beating Ajax, Tibicen, False Alarm, Elmira and Madrid. At three years old, started once in plate for three-year olds, Rowley mile (one mile 17 yards), at Newmarket First Spring Meeting; was unplaced, Vale Royal winning, with Hipp a second. This ended his turf career. His success in the stud was phenominal, he got race-horses from all kinds of mares and every variety of blood, but those from the daughters of Lexington and Vandal were his best. The first, two, or three years he covered but few mares, but in 1872 he sired King Alfonso, Ten Broeck, Katie. Phæbe Mayflower, Phyllis, St. Martin, Tolona and Aramis. King Alfonso won the Tobacco Stakes at Louisville, mile heats 1:44½, 1:45½. The Kentucky St. Leger, 2 miles in 3:34½, beating Ten Broeck, Geo. Graham and others; and The Galt House Stake, 2 mile heats in 3:34, 3:40½, 3:19, beating Geo. Graham, who won the first heat by a head from King Alfonso, Emma C and three others. weighed, when in condition, over 1,800 lbs. He had a remarkably neat head, ear and good, strong, well-shaped neck, great breadth of forehead and width of jaw. His shoulders were oblique and well placed, with muscle well distributed over a broad shoulder-blade, great depth of girth; well shaped, round barrel, ribbed home to strong, broad, muscular hips; his back and loin a model of strength; great length from the point of the hip to the whirlbone, and thence to stifle and hocks. Cut him off at his knees, and it would have been difficult to find a more perfect model of shape, strength and muscular development. But his legs were very defective, and particularly light below the knee for such an immense carcass. None of his descendants have bad legs. He was a handsomely bred horses. In addition to his double cross of Touchstone, he had the Glencoe, Whalebone and Whisker blood upon the foundation of Herod, Eclipse and Matchem. He died the property of Richard Ten Broeck in the spring of 1874, just as his value as a stallion was established, and in the zenith of his fame; the blood, conformation and constitution of this great horse should be preserved.

The spring of 1855 he came out and easily defeated Frankfort and Henry Perritt for the Club Purse, 3 mile heats, in 5:36<sup>1</sup>/<sub>2</sub>, 5:33, an excellent race. This closed his turf career. The first of his get which appeared were Ella D, Mollie Jackson and Jack the Barber, all were creditable performers; Ella D won at 1, 2 and 3 mile heats; Mollie Jackson was the best mare of any day, she won 4 miles, in 7:34, and 3 mile heats, in  $5:35\frac{1}{2}$ ,  $5:34\frac{3}{4}$ ,  $5:28\frac{3}{4}$ , this third heat is the fastest and best third heat ever run. Jack the Barber was also a creditable performer, as was also Seven Oaks, which won seven out of eight races. He covered very few mares, and for some five or six years noue, and it was not until he passed into the hands of Gen. W. G. Harding, of the Belle Meade Stud, was he regularly used for stud purposes. He sired Versailles, a fine race-horse, Verge, and Capitola, the dam of King Alfonso, Coral, the dam of Wanderer and Uncas, Virgil, the sire of Vigil, Vera Cruz and the great Hindoo. In the Belle Meade Stud he made his great reputation; those by him in this stud were Vicksburg, Vanderbilt, Vassal, Nettie B, Ventilator, sire of Mary Anderson, Vaultress, Vagabond, Valentine, Van Leer, Van Doru, Vindicator, Vortex, Volcano, Valerian, dam of Boatman ; Voltigeur, winner of the Clark Stake at Louisville, defeating Calvin and ten others ; Vinaigrette, winner of the Kentucky Oaks, Vidette, dam of Camargo, winner of the Fall's City Stake, mile heats, in 1:423, 1:434, and Vandalite, one of the best race-mares which ever faced the starter, winner of the Dixie Stakes at Baltimore, 2 miles in 3:351, beating Madge, Brigand and twelve others, and taking up the penalty of 5 lbs.; won the Breckenridge Stakes, 2 miles in 3:35; the best time in which the two races were ever run; Newburn, (Council Bluffs), Survivor, Highland Vintage, Grey Steel (Grey Friar), Sallie Gardner, Vocalist, and many others. Vandal was a blood bay, with little or no white, 15<sup>3</sup><sub>4</sub> hands high, and was the best son of the great Glencoe, and has proved himself a worthy son of a worthy sire. He died at Belle Meade early in the spring of 1872, just as his reputation had been established, and shown to the world that he had not disgraced his high racing lineage, from which the great Lexington had descended. The Glencoe blood has done wonders in England through old Pocahontas, and it should be preserved and perpetuated through his best son and daughters in America.
