

DR Sample List

This document outlines the samples and synths/presets that have been found so far, including links to them where applicable.

A large amount of the samples used in the series come from [Spectrasonics](#) products, so said products are a good place to start hunting.

Various Discussion/Class Trial tracks	<ul style="list-style-type: none"> Loopmasters Full Cycle Drum and Bass Collective "Fc_175_8HoursVox" 	Because of how scrambled and processed this sample is, it's hard to tell what the voice is saying. This has made it almost impossible to hunt down. Currently one of the most sought after samples of the soundtrack due to how integral it is. Full phrase seems to sound similar to "So how's about we put eight hours on the clock?" Ladies and gentlemen, we got it. Fc_175_8HoursVox
