

Recreation Project

Mostly for making high quality rips, but if you want to make music for your mod or something that's cool too

Leave a comment if you have any suggestions to add, anyone with the link has permission to comment

OST by Nightmargin mostly

Programs, VSTs and samples Nightmargin has been confirmed to have used:

FL Studio 8

Sytrus

FL Keys

Nanotron 2 (she said it herself somewhere but I have yet to find anywhere where it's used)

FPC

FL Studio default packs

DSK Music Box (and possibly other DSK VSTs)

Fluidr3_GM soundfont [[source](#)]

Abakos [[source](#)]

Pink text means I'm unsure

General note: Almost all instances of FL Keys have Reeverb 2 on them (Fruity Convolver didn't exist in FL Studio 8, sorry)
