Thunder V.I.P - 31st December 2014

Thank you for taking the time to download my music. The Thunder V.I.P project has developed into something that covers an eclectic range of music, so I appreciate those of you that have given this release a try. As with everything in life, my music taste and compositional style is ever evolving, and I believe that this is essential to maintain an interesting output. I need to say a big thank you to Splatterkore Reckords for providing a platform to expose my music without ever questioning my art, and Adam Prior from Cryosonica and Lithium Vein for guitars and the excellent remix of *All These Precious Things*.
