EOS PRODUCER SERIES VOLUME 8

PLATINUM PHATT

Thanks for purchasing the Platinum Phatt CD-ROM set. This two-CD set contains one of the most complete collections of essential hip-hop sounds ever assembled. The folks at E-mu have taken great care to deliver a fresh and useable sound set that will inspire and prove useful in music of all genres. Included are thousands of sounds ranging from hard urban vocal hooks and live drum grooves to the grittiest of lo-fi funk. This collection contains all the very best sounds and instruments used in the Mo' Phatt sound module. Also included are additional sounds that were collected and not used due to the limitation of sound module ROM memory.

Below are some descriptions of the content in each bank as well as any useful specs we thought would help you on your hip-hop journey. Enjoy!

Phatt Combo

127.9mb

This bank contains everything you need to create the ultimate hip-hop track. This is a combination bank providing the widest range of killer presets from both disc 1 and disc 2 of this set. Here you'll find synth worms, basses, electric pianos, keyboard sounds, vocal hooks, hits, a SP1200 drum kit and dozens of other useful sounds all in one bank!

Playa's Note:

P061 *Vinyl MW Kit*— mod wheel introduces vinyl noise. Slam the mod wheel up, step on your sustain pedal to keep it going, now pound out a funky beat!

Best of Phatt

17.2mb

This is a comprehensive collection of some of the best presets from the Mo' Phatt sound module.

Phatt Demos

29.7mb

Here are some demos made by top producers featuring sounds from this 2 CD set. Each demo has it's own feel and only scratches the surface of what is musically possible with this incredible 2 CD set of sounds.

MoPhatt Instruments

19.6mb

Bank 1 of the Mo'Phatt module raw instrument set containing melodic and non-melodic

instruments. Some serious tools to create that crazy jive sound!

MoPhatt Perc&Kits

16.3mb

Bank 2 of the Mo'Phatt module raw instrument set containing percussion instruments as well as drum kit presets and GM (General MIDI) drum kits.

Beats 60-92bpm

34.5mb

The next four banks dish out some serious beats that make for an indispensable composition tool! This bank is slow and greasy. These are some heavy grooves. A bunch of phatt beats, some with more than one version, with intros and fills, all organized and labeled by BPM from slowest to fastest for your composing and arranging convenience.

Beats 93-96bpm

46.7mb

Step it up now. These beats are mid tempo.

Beats 97-104bpm

44.1mb

C'mon! Swing it! A little bit faster now!

Beats 105-150bpm

50.5mb

Now we're rollin' down the avenue! These are the fastest ones.

Grooves 60-85bpm

0.9mb

Each a little faster than the last, this bank and the next are acoustic, live drum grooves

everybody will feel! Step up and bring your tracks to the next level. These soulful patterns are suitable for a wide range of musical styles.

Whether you are composing the greatest hip hop, urban swing, dub, funk, rock or dance music, these beats are perfect for giving your track the feel of a live drummer. All are organic sounding grooves; some with intros and fills but all presets display the proper BPM tempo organized from slowest to fastest for your arranging convenience.

♣ Grooves 86-132bpm

31.7mb

These grooves are hype! These are the faster ones.

♣ Grooves Filz/Hits

11.1mb

Need some phatt sauce that will make your drum tracks come alive? This collection of fills, hits, and breaks will do you right! All presets display the proper BPM tempo organized from slowest to fastest for your arranging convenience.

♣ HipHop KicksSnHats

26.3mb

You'll find the right sound for your track in this collection! Choose from hundreds of Kicks, Snares and Hi Hats of every flavor.

♣ HipHop Misc Perc

24.7mb

Hundreds of miscellaneous percussion sounds including electronic percussion, ethnic percussion, and other interesting percussive oddities. You'll find the right sound for your track in this collection perfect for any style of music.

♣ Live Kicks

11mb

Multiple microphone positions were used while recording these to make sure you get the right feel and sound of a live acoustic drummer. Combine these with the snares in the following bank to dial in the exact drum sound you're looking for.

♣ Live Snares

32.4mb

A wide selection of snare drums, rim shots, ticks and other snare sounds. Once you've selected the right kick from the last bank it's time to choose your favorite snare. Go on and build that custom kit and start makin' some tight grooves!

♣ SP1200

21.5mb

Now this is authentic! A great collection of lo-fi, crunchy, 12 bit sounds including percussion instruments, melodic instrument, hits, and breaks. We even threw in a GM kit for all you General MIDI freaks!

Platinum Phatt – Disc Two

460mb

♣ Hip Hop Vox

18.3mb

This is a crazy set of vocal sounds and phrases including male, female and urban vocal sounds.

♣ Vocoder Vox

17.3mb

Give your track a unique sound with this

selection of vocoded vocal phrases and vocoder effects.

♣ Talk Box

13.5mb

Ah that soulful sound that's proven to be just as legit in today's music scene as it was in the '70s. West coast style, this is a selection of vocal sounds by a world famous MC using a Talk Box. Included are vowel sounds as well as phrases.

Playa's Note:

Preset P004 *Vel California*— has velocity

cross-switch

Preset P005 *Vel Do It*— has velocity cross-

switch

Preset P006 *Vel Wow Bub*— has velocity

cross-switch

♣ Female Vocals

16.4mb

Here you'll find a phatt, soulful selection of female vocals including vocal phrases, expressions and some beautiful improvisational singing.

♣ Gtr ChordsClicks

5.4mb

A great collection of electric guitar chords and licks.

♣ Phatt Strat & Paul

29.7mb

You know the sound! Deuce! Our phatt versions of the two distinct guitar sounds you need.

Playa's Note:

Preset P001 Full Phatt Strat contains velocity cross-switched sounds.

♣ Funk Gtr & Wah

37.6mb

Plenty of funky swingin' guitar phrases and muted rakes and riffs as well as the wah wah pedal. Go on! Give 'em some of that funk!

♣ Nylon Guitar

25mb

Acoustic nylon guitar complete with licks, chords and riffs for all you heart breakers out there.

Playa's Note:

Preset P000 *Touchy Nylon*— mod wheel introduces guitar harmonics and has velocity cross-switched sounds.

♣ Distortion Gtr

10.4mb

Dirty, grungy guitar phrases, chugs, wahs and riffs. Get streetwise and toughen up your tracks or give em some of that Nu Metal feel!

♣ Electric Bases

51.3mb

A wide selection of electric bass guitar sounds, some noisy and some freaky!

♣ Time EP

26.6mb

The dirty squawk of the classic electric piano and we didn't forget that sick tremolo either.

♣ EP Chords/Hits

28.3mb

A nice collection of chords and hits from the grandmaster of electric pianos.

Playa's Note:

Mod wheel controls tremolo amount.
