MEDIA RELEASE

FOR IMMEDIATE RELEASE

Original Peoples of Kanata Declare War on Corporation of Canada

Vancouver, BC, January 22, 2022 – The Peoples of the Salmon (Pots), the original [in]digenous¹ governors Common De Jure Law Governors and keepers of the ‘Sacred’ Kanata, are banding with all original peoples across the sacred land “Kanatan” to lead the crusade that will restore immunity and end the tyranny and corruption from the government of the Corporation of Canada². They invite and encourage all Canadians to unite in this action to reinstate our Sovereign, Human Rights and Freedoms.

On January 21, a Legal Public Notice was publicly posted to “CANADA CORPORATION, BRITISH COLUMBIA CORPORATION, ALL PROVINCIAL, TERRITORIAL and MUNICIPAL CORPORATIONS, under Admiralty Law, that are now in bankruptcy, and are operating in contempt, disdain, distrust and fraud. Acts, Regulations and Statutes of these Corporations are NOT Laws. The lands were never purchased by His/Her Majesty of Great Britain: Thus, the Crown Corporations distribution of an ‘Experimental Bioweapon’ (as termed by its creators) according to the Nuremberg Code and Helsinki Accords, is a Criminal Act of Genocide and therefore Treason. Peoples of the Salmon revoke all Business of these De facto Corporation Governments.”

Governments, Media outlets, Health Care practitioners, Education Ministries and many more have accepted financial bribes from Pharmaceutical Companies, backed by Bill Gates and George Soros, to roll out a genocidal “experimental bioweapon” (vaccine) that was first patented by Fauci in 1999 as Sars-CoV 2, modified in Gates funded N Carolina U, Chapel Hill lab, banned in the US in 2015 as a “bioweapon’ too dangerous for humanity³, and moved to Gates funded (since 2000) Wuhan Lab. The genocidal Certificate of Vaccine ID-AI was released, in the name of halting a 99% curable, for over 60 years, corona virus, detected by a modified PCR test that must break the brain barrier to insert Gates patented nanochip, originally created by Kari Mullis, who emphatically stated to “criminal fraud” Fauci that “The PCR was NEVER designed to test for a virus.” The misinformation was exploited by the Pfizer controlled media to instill fear and hysteria around the globe, to push the genocidal “experimental bioweapon” for a 90% world depopulation plan, initiated by Eugenicists Henry Kissinger and William Gates Sr. in the 1974 Kissinger Report... all in the name of Control of God Consciousness and Money!

The Sacred lands of Kanata and all its people have been exploited by Justin Trudeau, who illegally sold much of it to the Chinese, and has been implicated in biological weapons violations, selling the mRNA (BC) and Sars-CoV-2 virus (Winnipeg lab) to the Wuhan Lab, of which the Corporation of Canada “gets a kickback on every one of the Pfizer and Moderna shots (sold worldwide).”⁴

Headsman for the Peoples of the Salmon, Popois stated, "We all need to walk off this ‘corporate ship of [Ad]miralty’, and claim back our security of our PERSON, which was stolen from us with the birth certificate. When you join the Peoples of the Salmon, we will make sure that YOU are the secured party of your property, no longer a fetus on a mother-ship. You then reclaim your Sovereign Spirit. When we walk in unity, we will take us all out of the corporation... We all have a common goal to be free, to be sovereign, with our Common Law de jure government.”

A declaration/petition was created by the PotS to put an end to the anarchy of the governing bodies and all who have contributed to the genocide and crimes against humanity on “our home and Native land!” Before Parliament is recalled, we require five (5) million signatures, as a vote of non-confidence, to counter the suggested number of votes obtained by Justin Trudeau in the recent illegal election. The declaration/petition is addressed to Governor General Mary May Simon, and the purpose is to remove our consent to be governed and to revoke our consent for the listed types of entities and [in]dividuals to have [au]thority over our actions, choices and property.

Visit <https://peoplesofthesalmon.net> to sign and share the declaration/petition and to jump off the Corporate ship and restore peace on Earth and your Sovereign status when you affiliate with the Peoples of the Salmon. For more information email pots1010@protonmail.net
