American Truckers are launching The People's Convoy, a peaceful and unified transcontinental movement, on February 23 from Adelanto Stadium in Southern California

ADELANTO, Calif., (Feb. 19, 2022) American truckers are launching The People's Convoy, a peaceful and unified transcontinental movement, on Wednesday, February 23, 2022, from the Adelanto Stadium in Southern California. Starting at 10:00 a.m., hundreds of truckers will hear words of encouragement and blessings from a group of speakers supporting them on their journey. The truckers and blue-collar workers of the United States will be joined by freedom-loving supporters from all walks of life – frontline doctors, lawyers, first-responders, former military servicemen and women, students, retirees, mothers, fathers and children – on this peaceful and law-abiding transcontinental journey toward the east coast. The truckers encourage one and all to come out to the stadium in the heart of Adelanto, California to wish them well and see them off.

This convoy is about freedom and unity: the truckers are riding unified across party and state lines and with people of all colors and creeds – Christians, Muslims, Sikhs, Mormons, Agnostics, Blacks, Hispanics, Asians, Native Americans, Republican, Democrats. All individuals are welcome to participate by either attending the launch gathering – at 10:00 a.m. on Wednesday February 23, at Adelanto Stadium – or by getting in their own vehicles and following the big rigs from Adelanto toward the east coast!

The message of The People's Convoy is simple. The last 23 months of the COVID-19 pandemic have been a rough road for all Americans to travel: spiritually, emotionally, physically, and – not least – financially. With the advent of the vaccine and workable therapeutic agents, along with the hard work of so many sectors that contributed to declining COVID-19 cases and severity of illness, it is now time to re-open the country. The average American worker needs to be able to end-run the economic hardships of the last two years, and get back to the business of making bread – so they can pay their rents and mortgages and help jumpstart this economy. To that end, it's time for elected officials to work with the blue collar and white collar workers of America and restore accountability and liberty – by lifting all mandates and ending the state of emergency – as COVID is well-in-hand now, and Americans need to get back to work in a free and unrestricted manner.

The People's Convoy is a non-partisan effort supported by a cross-cultural and multi-faith consortium of organizations including Robert Kennedy Jr.'s Children's Health Defense TV – which will be

embedding with the convoy and carrying live updates, along with numerous other media outlets – as well as many doctors including the Frontline Covid-19 Critical Care Alliance, liberty-minded lawyers and transportation workers like pilots, and organizations such as The Unity Project, The America Project, Advocates for Citizens’ Rights, U.S. Freedom Flyers, The American Foundation for Civil Liberties & Freedom, and faith leaders from every spectrum. The convoy is being assisted by retired military personnel and security experts, who are spearheading logistics in order to ensure a 100% safe, lawful, and peaceful journey.
