

# The Preliminary Results for COVID-19 Vaccines are In; but it may NOT BE what you want to Hear...

Are you **SCARED** of COVID? According to statistics, your chances of dying from COVID is about 3.1 in 10,000, and this, only if you are **severely immune compromised**, for which you would be just as vulnerable to the seasonal flu or influenza. In other words, your best chances of beating COVID, as well as any other flu or influenza for that matter, is to **"boost your immune system"**. Good nutrition plus vitamins C and D are a good start. Since the late 1990s the flu and influenza have claimed **as many** lives (in true numbers), *every year*, as COVID in 2020, while the flu and influenza, pneumonia and many of the other elders' deadly diseases have all but disappeared. **Kind of curious, isn't it?**

And, what about the COVID vaccine? We all know that it is **"EXPERIMENTAL"**. What is kept from public knowledge though, is that Bill Gates invested Tens of Billions of dollars into vaccines and, with a consortium of Elite Multibillionaires, **ACQUIRED and CONTROL EVERY NATIONAL & INTERNATIONAL NEWS MEDIA WORLDWIDE**: CBC, CTV, Radio Canada, RDI, LCN, Major Newspapers, CNN, Google, Facebook, Twitter, YouTube, USA today, Wikimedia, TEDtalk, just to name a few. With his Elite friends, they even purchased every **"FACT CHECKER"** websites so they can corroborate their narratives and discredit whomever opposes them. If you think that this is a conspiracy theory, **then their NEWS MEDIAS got you EXACTLY where they want you...!** Unfortunately, nowadays, to get to the truth, we need to dig for it. A good place to start, is to look at **whatever the NEWS MEDIAS are CENSORING, because THAT'S WHAT THEY DON'T WANT YOU TO KNOW.**

Why would you believe us more than them? **WHO ARE WE?** We are members of a research team composed of tens of thousands of doctors, nurses, biologists and scientists in all biology fields, who are adamantly dedicated to **UNCOVER THE TRUTH** no matter how dangerous it gets. All that we take for being **"THE TRUTH"** is what has been extensively verified with plenty of undeniable proofs, never accepting anything face value. Skepticism is a necessary filter, because falsehoods come in all forms and from both sides of the panel.

We don't have to tell you that **PHARMACEUTICAL COMPANIES "DON'T" MAKE MONEY IF PEOPLE ARE NOT SICK.** They make Tens of Billions of dollars with the flu vaccine every year, and a lot more with the medications to fight the flu. What you may not know, though, is that the flu vaccine also **kills** tens of thousands of our elders every year, and vaccine manufacturers are exempt of any liability for harm caused by their vaccines. They can literally inject you with gasoline and you'd have no legal recourses against them. On the DVD or thumbdrive, we also list the adjuvants used in a two month old infant's vaccine; it will shock you! It also gives you a pretty good idea of the adjuvants used in the required vaccines for our children to enter public schools. Many of the modern day diseases such as: autism, ADD, ADHD, leukemia, arthritis, pneumonia, cancer, Alzheimer, dementia, meningitis, etc. were barely existent before the 1950s when they began mandating vaccines. Big Pharma boasted for years that Polio was eradicated by their vaccines; here also the truth will shock you!

The CDC (Center for Disease Control) says that masks **DO NOT** prevent the transmission of the virus; the virus is much too small. It's like trying to stop mosquitoes with a chain-link fence. Your wearing of the mask has for purpose only to make you feel safe and maintain your **FEAR** of the virus. The CDC also **WARNS US** that wearing a mask, for more than an hour, poisons our blood from excess carbon dioxide re-inhaling and oxygen deprivation, which, in turn, weakens our immune system making us more vulnerable to the next pathogens.

*The included DVD or thumbdrive is divided into separate **Parts**, each with its own **INTRODUCTION** letter. You may want to print these letters to systematically read about the coming videos for more clarity.*

If you're not interested in knowing, that's your choice. But before you give this to somebody else or trash it, you may want to **"AT LEAST"** take the time to look at the two first Parts; it may save your life or that of a loved one! **They expose what the Pharmaceutical Companies DON'T WANT YOU TO KNOW...**

And, if you are willing to go down the Rabbit Hole and venture through Part 3 and so on, we must **WARN** you that some of the information may be **DISTURBING** for some people, and are **DEFINITELY NOT FOR CHILDREN** !

*(All videos are in .mp4 format and documents in .pdf. They are meant to be viewed on a computer.)*
