

INTRODUCTION Part 2

The COVID-19 Vaccine Preliminary Rollout Results Are IN; It May Not Be What You Would Have Liked It To Be...

A great number of the most trusted doctors, microbiologists, and vaccine specialists are risking their lives to inform the world that the "mRNA Vaccine" (messenger RNA injection) is **NOT A VACCINE AT ALL**; and that it **DOES NOT** immunize against any virus. It's an **EXPERIMENT** which consists of injecting you with a nanochip substance, called "**Luciferase Hydrogel**", designed to alter your DNA, the ultra specific sequence that makes each one of us unique. This type of injection has never been properly tested on humans, but has **KILLED** every lab animal it's been tested on. Even in small dosages, it can produce infinite variables of disorders, not only in the short term, but more importantly in the long term like infertility, cancer, rapid neurological degradation, trigger a cytokine storm when infected with the next virus, as it did for the lab animals that received it. So, why are they insisting on injecting everyone of us with this?

FOLLOW THE MONEY... Imagine if the Pharmaceutical Companies would have found a way to render a large portion of the population vulnerable to viruses, and/or to underhandedly induce diseases like autism, ADD, arthritis, obesity, pneumonia, cancer, Alzheimer, etc. throughout the course of these peoples' lives. These people would become slaves of their drugs and treatments. Have you ever wondered where the seasonal flu comes from; how much money the pharmaceutical giants make from flu vaccines and drugs every year; or if this year's flu vaccine weakens you immune system for the next flu season? How do they know what the next year's flu will be, to have hundreds of millions of vaccines ready **BEFORE** it actually appears? *You may want to ponder on this for a while...*

Now that vaccination has started, they've already warned us that many of our elders may **"DIE"** after being administered the vaccine. They even said **not to be alarmed**, that it's only **"NORMAL"**! They crashed the world's economy, bankrupted hundreds of millions of businesses, terrorized our children, quarantined the entire world on the pretext of protecting our elders, and now they are going to **MURDER** them with their vaccines... **REALLY...!!!**

Please make copies of the DVD or Thumbdrive and the letter: **"DVD or Thumbdrive INTRODUCTION Letter"**, and **SHARE** them with as many people as you can, **and ask them to do the same**. If you know people in other cities, provinces, or countries, they should be informed first so they can inform their loved ones as well. The entire world needs to know this. This is how this distribution works: If you give it to 2 or more people *today*, and the *very next day* they give it to two or more other persons each, and so on, our entire country would be informed within a month. Every little bit counts because it produces a ripple effect. Sadly, not everyone will put in the effort, so the more you **SHARE**, the better our chances of success. What is most **IMPORTANT** though, is to **UNANIMOUSLY REFUSE** this vaccine, and protect your loved ones by informing them of its dangers.

May God protect you and your loved ones.
