

INTRODUCTION Part 4

So What's Going On; Because It Can't Be About The Virus...?

It all started with the "Paris Accord". If you think that it's about recycling, green grass, clean water and clean air, you've been deceived. The Paris Accord is the agreement, signed by President Bush (Senior) along with the leaders of 178 other Countries, including Canada at the United Nations' Earth Summit in Rio de Janeiro in 1992. The consensus is to unite the governments of every Country into a single, **WORLDWIDE TOTALITARIAN COMMUNIST GOVERNMENT**. Its roadmap is called: "UN Agenda 21 Sustainable Development". President Bill Clinton, the following year, began implementing it by creating the "President's Council on Sustainable Development" (PCSD). A non-governmental organization, called: "International Council of Local Environmental Initiatives" (ICLEI), is tasked with carrying out the goals of UN's Agenda 21 locally in every town, city, and district throughout every Country worldwide including the United States and Canada.

Behind the Green Curtain- Environmentalism vs. Property Rights

The buzz words "Sustainable Development" sounds great, doesn't it? That's until you find out what they consider **unsustainable!** A single family dwelling is considered *unsustainable*, an automobile, gas or electric, is also considered *unsustainable*, air conditioning, furnace, home appliances, stove, refrigerator, running water, golf course, artificial ice rink, actually anything and everything that consumes gas or electricity, including their maintenance, is considered *unsustainable*. Even eating MEAT is considered *unsustainable*. The United Nations also wants to get rid of all "Electricity producing Dams" in order to return nature to its primitive landscape.

A "*Crashed Economy*" where citizens lose their homes, their businesses and jobs, as well as **SOCIAL DIVISION**, **CHAOS** and **HATRED** greatly favors the implementation of UN's Agenda 21. Does this sound familiar with what is going on lately? Many of the hatred crimes and *cold blooded murders* which fueled the "**Black Life Matters**" uprising in the United States, were crafted by these **CRIMINALS** who hired hitmans to generate nationwide **SOCIAL DIVISION**. This was a tactic HITLER used to weaken the countries he wanted to invade, and it worked every time.

Watch: **WOW!!! THIS WOMAN ISSUES A WARNING! She wants all Americans to hear this**

If you think we're exaggerating, you really need to read: "UN's Agenda 21 Sustainable Development" and its GOALS (1,000+ pages); especially the fine prints. On the supplied DVD or thumbdrive, we have included a concise version of it (**Agenda 21 Concise**). The United Nations' ultimate goal is to **ERADICATE DEMOCRACY** and drastically **DEPOPULATE the HUMAN RACE** by the year **2030**. *And take a wild guess on what is their weapon of choice to achieve this...*

Watch: **UN's Hidden Agenda Behind The Planned Destruction of America With Rosa Koire**

How The UN's Agenda 21 Influences Every Aspect of Society

This cannot be done all at once, it is implemented by stages. President Bush (Junior) said that it would be great to have only **ONE DICTATOR**; as long as **HE** was the Dictator. In 2001, **911** happened under his presidency. It became the first enticement for us to forfeit our Privacy Rights. Sub-Agenda 2020 is one of the key milestones of Agenda 21 which, "**coincidentally**", is taking place right now under the guise of the COVID pandemic. Their entire plan must be completed by 2030. All human settlements (that is the relocation of all remaining human beings) will be densely packed in small cubicles in high density buildings, like in China, forming mega-cities where pedal bikes and community transits will be the only transportations; no automobiles. Rural properties will be rezoned "**Wildlife Conservation Areas**" prohibited to humans. The "**5G**" infrastructure and the mandatory **Nano-Chipping** (Bill Gates' mRNA vaccines) are the key components of their Artificial Intelligence (**AI**) surveillance system. This will enable them to monitor our every move; they will even be able to **control** our physical health, as well as our minds, by manipulating our RNA/DNA. Sounds like science fiction? Just like Star Trek's "communication devices" (precursors of today's cell phones) was fiction 50 years ago, the nano-chipping technology and its capabilities are nowadays just too **"REAL"**...!!! *(If you were unaware of Agenda 21 and its Great Reset, the following videos may disturb you.)*

"Freedom is never more than one generation away from extinction. We did not pass it to our children in the bloodstream. It must be fought for, protected and handed on for them to do the same".

(Ronald Reagan)

Obviously, our Canadian Prime Minister, those of each Province and their health advisors must have been seriously bribed or threaten to terrorize us as they do, because no decent human being with the least amount of integrity and half a heart would plunge his/her country and its citizens towards such a **DARK FUTURE...**

How is it that our Governments want to mandate an **EXPERIMENTAL** vaccine that is already **MAIMING** and **KILLING** many tens of thousands of citizens for a sickness no worst than a regular seasonal flu, all on the pretext of saving the lives of our elders while **MURDERING** them with their vaccines? **ARE YOU BLOODY KIDDING ME...!!!**
