

INTRODUCTION Part 6

Codex Alimentarius and China's Takeover.

These videos explain how **EVIL** Bill Gates and his Elite friends are, going as far as controlling our food in order to destroy our health for profit and enslaving us to their pharmaceutical drugs. Another of their ways of controlling Earth's population is by making sure we live short lives and in sickness throughout. Our Liberal government has already sold and allowed the sell of thousands of farmlands to the **CHINESE GOVERNMENT** (CCP). This is happening all across the United States as well. These farmlands are going to be used for growing GMO produce. The **CHINESE GOVERNMENT** has also purchased "**WALMART**" for \$535 billion, in order to sell their GMO produce and acquire our money in order to purchase more and more of America's properties with the profits we so willfully give them. This silent takeover is happening in plain sight, but most North-Americans are too careless or too blind to see. It's only a matter of time before **CHINA** owns us and imposes its **COMMUNIST DICTATORSHIP** upon us.

Maybe it's time to "**BOYCOTT**" **WALMART** (China, that is)...
