

A List of the Children Killed by the Iranian Military & Security Forces Since the Beginning of the “Women, Life, Freedom” uprising.

(Updated on Nov 8, 2022)

As of 8 Nov 2022, **51 children are killed** by the military and security forces of the Iranian government since the beginning of the current “Women, Life, Freedom” uprising in Iran. Out of this number, three are Afghan refugees murdered in Iran; two are undocumented Iranian Baluchis; and one, Wnyar Rahmani an infant, killed outside the Iranian border on the Islamic Revolutionary Guard Corpse’s (IRGC) missile and drone attack on the camps of the Iranian Kurdish opposition groups based in Kurdistan Regional Government (in Iraq). Based on the data collected in the list, the highest number of the victims belongs to Baluchis and Kurds, 19 and 12 respectively, that is 31 out of 51 (close to 61 per cent).

Data collected by “Madreseye Rahaiy” Telegram Channel based on the various platforms of human rights activists and local sources. This list is being updated.
