Nazanin jan, hi, I don't know anyone in particular but I know there's an abundance of undiscovered Iranian talent in Canada. Have you advertised the position?

Thanks so much, Maziar jan. It's too bad that everyone is being hired by Iran Int (I'm sure they pay well if MBS is funding!) or is busy with other projects. Do you have suggestions for people in Montreal and Toronto? I can provide their names to the board and Hadi and maybe there can be an arrangement if it's the right fit.
Please stay safe. Ghorbanat.

Nazanin jan, hi, I hope you're well and please take care. Apparently the number of cases of covid in NZ are rising. I've asked around and it seems that most Iranian journalists and human rights activists in New York and DC area are busy with other projects. Iran International which is financed by Mohammad Bin Salman has hired anyone they can. Is there a job description and will CHR pay for relocation of someone from Toronto or Montreal to New York? There seems to be an abundance of Iranian talent in Toronto and they'd love to move to New York.

Take care and I'd love to be able to work with you again.

Hi from quarantine in Auckland, Maziar Jan,

I hope this finds you well. I'm writing confidentially to ask if you happen to know any credible and decent Iranians in NY who might want a senior position at the Center for Human Rights in Iran, to work directly with Hadi. There are of course many people whose politics are problematic and tend to be regime apologists, so I'm trying to get a list together of people like yourself who are unbiased, principled and can clearly condemn the regime. Please let me know if you have any suggestions I can put forward to our board.

And I hope to find a way to work together on something soon.

Ghorbanat,
Nazanin
